SANDY SOON VOTES ON ITS NEW CHARTER

Sandy will hold a special election next Friday to vote on its new char-ter. This new charter is merely the old one revised with a few changes

added. One of the principal* provisions in the charter will give Sandy authority to issue bonds. It is thought that in case the charter carries, money will be raised at once by this means for various improvements about the city.

CLASSMATES FOLLOW **BOY'S BODY TO GRAVE**

The funeral of Shelby Shaver was held at the Congregational church Fri-day morning at 11 o'clock. The services were extremely impressive. Be sides a large number of Jennings Lodge people in attendance, there were many Oregon City friends of the young man present, and the junior and senior classes of the high school In the last few days the Willamette attended in a body. The church was crowded to capacity.

Rev. George Nelson Edwards delivered an able address and was followed by a short talk by Rev. H. N. Smith of Jennings Lodge, a neighbor and a warm personal friend of young

Shaver, who spoke highly on the character and ideals of the popular high school boy. Special music was rendered by the Congregational quartette.

The pallbearers were all high school "pais" of the deceased, and all were grief-stricken as they bore the re-mains of their former comrade away. The floral tributes, which came from friends in Oregon City, Gladstone and Jennings Lodge, were most beautiful. Young Shaver was graduated from the Oregon City High school in the class of 1913. He was working in the S. P. shops in Portland, reparatory to entering college next fall. Shaver was a general favorite with all who knew him and was a young man of much ability and promise. He has lived with his grandmother at Jen-nings Lodge since the death of his own mother several years ago, and it was at this place he met his tragic death Tuesday evening, when he was struck by an Oregon City car. The body was laid to rest in Riverview cemetery in Portland.
