SPECIAL TO WOMEN. The most economical, cleansing and germicidal of all antiseptics is PASTINE. A soluble Antiseptic Powder to be dissolved in water as needed. As a medicinal antiseptic for douches in treating catarrh, inflammation or ulceration of nose, throat, and that caused by feminine ills it has no equal. For ten years the Lydia E. Pinkham Medicine Co. has recommended PASTINE in their private correspondence with women, which proves its superiority. Women who have been cured say it is "worth its weight in gold." At druggists. 50c. large box, or by mail, The Paxton Toilet Co., Boston, Mass.

PASTINE. Sometimes single blessedness is a greater failure than marriage. The self-made man credits himself with the boasts given him by others. Most girls are easily entertained, all one has to do is feed them taffy. For the man with a chip on his shoulder—get an axe.
