WITH THREATS TO DYNAMITE

Canby, Ore., Feb. 14.-(Special)-Theodore Zonich appeared before Jus-tice William Knight today and was acquitted of a charge of threatening to blow up a house on the property of Silver Olson, which is located about four miles from town. It appeared from the evidence that the alleged "threat" was a statement on the part of Zonich that he had some powder with which he intended to blow up stumps on his farm. But Zonich who is a Russian, was misun-derstood and his arrest followed.

No one who has read his platfors

matter, no compromise nor quarter. His candidacy has caused more co ment throughout the State than the candidacy of any other aspirant.
And why? Why is it that several

newspapers, bir and little have al-ready commented to talk machine, the old school, and all this rot about Brownell's candidacy? This is simple. It is only the first showing of the artistic hand of the

liquor interests. They dare not attack the great principle that he represents, for they have nothing to stand on. The attack must be made under the guise of fighting the man. They care nothing about the man, but they do care about the never ceasing and relentless war that they know Brownell will put up.

A man of undoubted ability, an ore

tor second to none and armed with a clear conscience. Brownell is askins no odds. It is only natural that the fire of the liquor interests should be trained upon him. But Brownell don't care. He's that kind of a man. (Paid Advertisement.)
