MOLALLA AFTER NEW BRICK SCHOOL

PLANS ARE MADE FOR STRUCTURE TO HOLD MORE

Molalla, Ore., March 26.—(Special)—The Parent-Teachers' association met in the school building yesterday afternoon. The house was crowded with interested parents.

A committee was appointed to look into the matter of the consolidation of the districts and was instructed to call a meeting within ten days.

Many from Molalla expressed themselves as willing to build the new school but believed that the outside districts should help keep it up after it was built.

If such a plan is adopted the present building will probably be moved to the edge of the school grounds and used for a gymnasium and for the manual training and domestic science departments.

CANBY-MOLALLA LINE IS COMPLETED

TELEGRAPH WIRES BETWEEN TWO CITIES CONNECTED

Canby, Ore., Mar. 26.—(Special)—The click of the telegraph was transmitted from Canby to Molalla today for the first time.

The wire between the two towns are completed and another step has been taken in binding Molalla closer to the outside world.

The railroad has been in operation for some time but due to the fact that there was but one train on the line, no despatching was necessary.

How ever with the development of the Molalla country and the growth of that city, other trains will be put on the run and the aid of the telegraph will be needed.

The line of poles follows the right-of-way for the entire distance.
