#### There is every reason to believe that leather prices are going higher, according to several authorities who base their reason for this opinion up on the fact that the surplus of leath pet of the Northwestern Fruit Grow-ers' Association was present and de-has been digested. There are no burdensome stocks anywhere, they and the supply of hides is inconsider-

able.

bill has made money easier, hides have advanced despite the decline in quality and now it appears that poor quality hides are likely to bring relatively higher prices than the short-haired takeoff. Reports from the east last week were in effect that the hide market was showing a weaken-
