

OFFICERS WOULD REFUSE TO FIGHT

70 PERCENT FAVOR ULSTER IN IRISH TROUBLES, SAY OFFICIAL REPORTS

PAY, ONLY, KEEPS MANY OTHERS

Men Would Resign Rather Than Fight - Major-General MacCreedy Will Attempt to Quiet Feeling

BELFAST, March 25.—Reports received by the officials of the provisional government would seem to indicate that at least 70 per cent of the officers of the infantry battalions of regulars now quartered in Ulster would refuse to serve in a campaign against the province.

Major-General Sir C. F. N. MacCreedy, of the adjutant general's staff of the war office, arrived today for the purpose of explaining the situation so as to prevent the resignation of the officers. He was informed that nearly all the officers of the Norfolk regiment quartered at Holywood barracks, four miles from Belfast, had expressed their readiness to resign rather than to accept orders to take part in an anti-Ulster campaign.

It is said that among those remaining loyal are officers whose sympathies are with Ulster, but who cannot afford to sacrifice their pay. The same applies to many other officers of the various regiments now in Ulster.

The Dorsets tomorrow will give General MacCreedy their decision at Holywood. It is understood that the percentage of refusals to serve among the Dorsets is even higher than among the Norfolks. Most of the battalions in the province held caucuses yesterday, showing a preponderance of sympathy among the officers for Ulster.

Winter's Chills Breed Kidney Ills

Chilly, Damp Changing Weather is Hard on the Kidneys. Even more irritating are colds, grip, pneumonia, tonsilitis, quinsy and other infections. The kidneys get congested and inflamed, and causes back ache and disordered kidney action. Though serious in its later stages, kidney disease is not hard to conquer if a good kidney remedy is used when the first signs of kidney trouble are noticed.

The best recommended kidney remedy in the world is Doan's Kidney Pills. You hear it everywhere. Get a box.

"Every Picture Tells a Story"

Spring is Breaking Backs Are Aching

Backache is often the first sign of some form of kidney disease that has been coming on for months. Look for the other sign;—lame back, sharp pains when stooping or lifting, dizzy spells, nervousness or despondency, with irregular, painful or distressing action of the kidneys; if these signs exist, decide that the kidneys need attention, ere the trouble turns to gravel, dropsy or bright's disease.

Read this home testimony and then give Doan's Kidney Pills a trial.
