Constipation in Summer-time is more diate advance in the price of city dangerous than in the fall, winter of Fever, Ptomaine

Take a Tip From Old Diogenes

two legged and without feathers, Diogenes (the chap who went around in the daytime

honest man) plucked a rooster and took it into the academy where the ancient philosophers discussed everything under the sun and said, "This is Plato's man." On which account this addition was made to the definition: "With broad, flat nails."

We all admit that old Diogenes was a pretty smart Greek, with a fine sense of humor. If he lived today he wouldn't have to use his lantern among daylight newspapers to find an honest advertiser. SUCCESSFUL ADVERTISERS MUST BE HONEST. Dishonesty doesn't pay in advertising or in anything else. No daylight paper wants to have anything to do with the space buyer who delib-erately tries to fool the public.

story is: Be exact. Be specific. Don't overlook the details. Do you watch the ads. in this paper CAREFULLY enough? Do you keep posted on the details? Do you make it your busi-

DON'T SKIP THE "BROAD, FLAT NAILS."

When Writing Was Undignified. The years have brought a change in the estimation of authors and authoresses. A century ago to be "literary" in public spelled social disaster. When Lady Scott, for instance, published ner novel "Trevelyan" in 1833 it was remarked that "of course accordy from London would call on her now." This was a view typical of the period. Now even butlers write poems.-London Ex-
