For years we have been stating in the newspapers of the country that a great many women have escaped serious operations by taking Lydia E. Pinkham's Vegetable Compound, and it is true,

We are permitted to publish in this announcement extracts from the letters of five women. All have been recently received unsolicited. Could any evidence be more convincing?

Honoros, Mr.-" I had pains in both sides and such a soreness 1. Hondroos, and I had pains in both sides and such a soreheas I could scarcely straighten up at times. My back ached and I was so nervous I could not sleep, and I thought I never would be any better until I submitted to an operation, but I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman."-Mrs. HAYWARD Sowens, Hodgdon, Me.

2. CHARLOTTE, N. C.—"I was in bad health for two years, with pains in both sides and was very nervous. I had a growth which the doctor said was a tumor, and I never would get well unless I had an operation. A friend advised me to take Lydia E. Pink-ham's Vegetable Compound, and I gladly say that I am now enjoying fine health."—Mrs. Rosa Sixs, 16 Winona St., Charlotte, N. C.

3. HANOVER, PA.—" The doctor advised a severe operation, but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it."—Mrs. ADA WILT, 196 Stock St., Hanover, Pa.

4. DECATUR, ILL.—"I was sick in bed and three of the best physi-cians said I would have to be taken to the hospital for an oper-ation as I had something growing in my left side. I refused to sub-mit to the operation and took Lydia E. Pinkham's Vegetable Com-pound—and it worked a miracle in my case, and I tell other women what it has done for me."—Mrs. LAURA A. GRISWOLD, 2300 Blk. East William Street Deceture III. William Street, Decatur, Ill.

5. CLEVELAND, OHIO. - "I was very irregular and for several years my side pained me so that I expected to have to undergo an op-eration. Doctors said they knew of nothing that would belp me. I took Lydia E. Pinkham's Vege-table Compound and I became regular and free from pais. I am thankful for such a good medi-
