CRYING FOR HELP. Lots of it in Oregon City But Daily Growing Less. The kidneys often cry for help. Not another organ in the whole body more delicately constructed; Not one more important to health. The kidneys are the filters of the blood. When they fail the blood becomes foul and poisonous. There can be no health where there is poisoned blood. Backache is one of the frequent indications of kidney trouble. It is often the kidneys' cry for help. Head it. Read what Doan's Kidney Pills have done for overworked kidneys.
