ALL GOING TO SCHOOL.

"The faith and trust, the hope and anticipation, with which the child enters school accomplish everything," says Froebel, the great German educator, who is known as the father of the kindergarten system.

Now—Why may not the same thing be said of those of us who are but "children of a larger growth," who have left behind perhaps the schoolroom, but are studying in the great university which is called life?

Every day we enter a new class. The experiences of the day are the lessons to be studied for future guidance, as the child absorbs education from his text books and the lectures of his teacher. We do not "live to learn," as is sometimes said, for learning without practical application is barren.

Let us face each day with "the faith and trust, the hope and anticipation," of which Froebel speaks. Let us have faith that each day will bring to us something of good to add to our accumulated store. Let us trust that we shall be able to utilize each day the

TURKEY SUPPLY IS LIBERAL FOR 'XMAS

Turkey supplies promise liberal here for the holidays. In Portland the belief exists that there will be a scarcity of turkeys here for Christmas because of the buying in southern Oregon by California parties but this is not shared by the trade generally.

At this time the general price for dressed turkeys is 20c a pound. This is for best quality birds. Most interests in the valley are in present of the opinion that the turkey market for Christmas will be similar to that shown during the Thanksgiving trade and that there will be a demand for every bird that comes forward. While this is a guess—for none are in a position to state definitely what the future will bring forward, the outlook is seemingly for steady conditions.

CONFIRMED PROOF Residents of Oregon Can't Doubt What Has Been Twice Proved.

In gratitude for complete relief from aches and pains of bad backs—from distressing kidney ills—thousands have publicly recommended Doan's Kidney Pills. Residents of this state who so testified years ago now testify the results were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Oregon city kidney sufferers. Mrs. Clara E. Cook, R. F. D. No. 3, Box 105, Milwaukie, Oregon, writes: "For years I suffered from pain in my back, much more severe if I overtaxed myself or caught the slightest cold. The kidney secretions were unnatural. Doan's Kidney Pills proved to be just the remedy I needed. They gave me quick relief from all my troubles. A few times since then I have used Doan's Kidney Pills and have always given the best of results. You may continue publishing my former endorsement of them." Price 50c. at all dealers.
