TESTIMONY OF OIL MAN IS BIT TERLY ARRAIGNED BY JOHN R. LAWSON

Colorado Man Before Federal Commission Belitties Rockefeller's Confessed Lack of

Knowledge

NEW YORK, Jan. 29 .- John R. Lawson, executive board member for Colorado of the United Mine Workers of America, appeared today before the Pederal Commission for Industrial Relations and attacked the testimony of John D. Rockefeller, Jr., and the methods and purposes of the Rockefeller foundation

Mr. Lawson told of the shooting of striking miners in Colorado, the shattering of miners' homes, of how hundreds were dumped in 1903 into the desert without food or water, while others were driven over the snow of the mountain range.

He uttered a vigorous arraignment of Mr. Rockefeller for his confessed lack of knowledge of conditions among the workers of the Colorado; Puel & Iron company.

The philanthropy of the Rockefellers, Mr. Lawson referred to as fol-

"Health for China refuge for birds, food for the Belgians, pensions for New York widows, university train ing for the elect-and never a thought or a dollar for thousands of men, wo men and children who starved in Colorado, for the widows robbed of husbands, children of their fathers.

There are thousands of Mr. Rocke feller's ex-employes in Colorado who wish to God they were in Belgium to be fed or a bird to be tenderly cared

"Your body can well afford to let the testimony of John D. Rockefeller, Jr., bring your investigation to an end," Mr. Lawson told the commis-"Out of his mouth came a reason for every discoutent that agitates the laboring class in the United States today, and if remedies are provided for the injustices that he disclosed, a long step will be taken away from industrial disturbance.

"For more than 10 years he has been a director of the Colorado Fuel & Iron company, vested with what is virtually the power of life and death over 12,000 men and their families. This power, let it be pointed out came to him no healthful process of struggle and achievement, but entirely through the fact that he was the son of his father.

"In those first days when he might have been expected to possess a certain enthusiasm in his vast responsibilities, Colorado was shaken by the coal strike of 1903-4. It is a matter of undisputed record that a mercenary militia, paid openly by the mine op erators, crushed the strike by the bold violation of every constitutional right that the citizen was thought to pos-

Reliable evidence is abundant that women are constantly being restored to health by Lydia E. Pinkham's Vegetable Compound

The many testimonial letters that we are continually publishing in the newspapers-hundreds of them-are all genuine, true and unsolicited expressions of heartfelt gratitude for the freedom from suffering that has come to these women solely through the use of Lydia E. Pinkham's Vegetable Compound.

Money could not buy nor any kind of influence obtain such recommendations; you may depend upon it that any testimonial we publish is honest and true—if you have any doubt of this write to the women whose true names and addresses are always given, and learn for yourself.

Read this one from Mrs. Waters:

Campus, N.J.—"I was sick for two years with nervous spells, and my kidneys were affected. I had a doctor all the time and used a galvanic battery, but nothing did me any good. I was not able to go to bed, but spent my time on a couch or in a sleeping-chair, and soon became almost a skeleton. Finally my doctor went away for his health, and my husband heard of Lydia E. Pinkham's Vegetable Compound and got me some. In two months I got relief and now I am like a new woman and am at my usual weight. I recommend your medicine to every one and so does my husband."—Mrs. Tilling Wares, 530 Mechanic Street, Camden, N.J.

From Hanover, Penn.

HANOVER, PA.-"I was a very weak woman and suffered from bearing down pains and backache. I had been married over four years and had no children. Lydia E. Pinkham's Vegetable Compound proved an excellent remedy for it made me a well woman. After taking a few bottles my pains disappeared, and we now have one of the finest boy babies you ever saw."—Mrs. C. A. RICKRODE, R.F.D., No. 5, Hanover, Pa.

Now answer this question if you can. Why should a woman continue to suffer without first giving Lydia E. Pinkham's Vegetable Compound a trial? You know that it has saved many others-why should it fail in your case?
