Freckle-Face
Sun and Wind Bring Out Ugly Spots. How to Remove Easily.
Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.
Simply get an ounce of othine—double strength—from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case. Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles. (Adv.)

STOCK SALE PLANNED HERE FOR MAY 22

The committee in charge of the Rose Festival and Hooster Day scheduled to be held in Oregon City Saturday, May 22, is beginning to divorce some of the plans for special events and new features which were hinted a week ago. The announcement has just been made that as a new feature of special interest to the farmers of the county, a sale of registered stock will be held in connection with the stock show this year. A considerable number of pure bred and registered stock have already been offered for sale. These offerings include a number of head of Jersey cattle and Duroc Jersey, Berkshire and Poland China swine. Doubtless the list will be further increased as the time of the sale approaches. More and more interest is being taken each year in the rising of blood stock and it is hoped that the proposed sale will meet with such favor that it will become an annual feature of the Oregon City Hooster Day.

PRINCE RUPPRECHT OF BAVARIA IN CHARGE OF NEW GERMAN DRIVE

PRINCE RUPPRECHT

Crown Prince Rupprecht of Bavaria is the man in charge of the latest German drive toward Calais, which has been called the most ferocious of the war. Ypres, harried by a tornado of shells and ripped into ruins by monstrous projectiles of the German seven-inch howitzers, was soon in flames. The hall of incendiary bombs was poured upon the old town, the keystone device evolved from man's ingenuity was used, from shells to burning fluids and poisonous gas hand grenades, from aerial torpedoes down to crossbows and catapults, launching deadly projectiles varying from a slung charged sardine tin to the perfect little "pompom" shell. No contrivance was lacking for the benefit of the allied lines.

WEST LINN ROSE SHOW IS SET FOR MAY 29

The West Linn Rose show will be held Saturday, May 29, a week following the Rose Show and Hooster Day of Oregon City. This date was set Wednesday night at a meeting of the West Linn Rose society at the home of Mr. and Mrs. B. T. McLean. The West Linn society will enter an elaborate exhibit in the Oregon City show. Plans were made for the display around the river. A committee from the society will report at a meeting of the West Linn Improvement club tonight. The improvement club will meet in the city hall.

Sick Women Made Well

Reliable evidence is abundant that women are constantly being restored to health by Lydia E. Pinkham's Vegetable Compound

The many testimonial letters that we are continually publishing in the newspapers—hundreds of them—are all genuine, true and unsolicited expressions of heartfelt gratitude for the freedom from suffering that has come to these women solely through the use of Lydia E. Pinkham's Vegetable Compound.

Money could not buy nor any kind of influence obtain such recommendations; you may depend upon it that any testimonial we publish is honest and true—if you have any doubt of this write to the women whose true names and addresses are always given, and learn for yourself.

Read this one from Mrs. Waters:

CAMDEN, N.J.—"I was sick for two years with nervous spells, and my kidneys were affected. I had a doctor all the time and used a galvanic battery, but nothing did me any good. I was not able to go to bed, but spent my time on a couch or in a sleeping chair, and soon became almost a skeleton. Finally my doctor went away for his health, and my husband heard of Lydia E. Pinkham's Vegetable Compound and got me some. In two months I got relief and now I am like a new woman and am at my usual weight. I recommend your medicine to every one and so does my husband."—Mrs. TILLIE WATERS, 530 Mechanic Street, Camden, N.J.

From Hanover, Penn.

HANOVER, PA.—"I was a very weak woman and suffered from bearing down pains and backache. I had been married over four years and had no children. Lydia E. Pinkham's Vegetable Compound proved an excellent remedy for it made me a well woman. After taking a few bottles my pains disappeared, and we now have one of the finest boy babies you ever saw."—Mrs. C. A. RICKBOD, R.F.D., No. 4, Hanover, Pa.

Now answer this question if you can. Why should a woman continue to suffer without first giving Lydia E. Pinkham's Vegetable Compound a trial? You know that it has saved many others—why should it fail in your case?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health. Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

If Your Subscription Expires Soon It Will Pay You to Renew Now

For Never Before Has This Paper Made the Premium Offer it Now Extends to its Readers

In making an inventory of our premiums we find that we have a wide assortment but, in many cases, not enough of one article to make a permanent offer to our subscribers. We want to clean our stock room, to distribute this merchandise before it begins to lose its value by becoming shop-worn.

Look at the date on your paper. If your subscription has expired or will expire within the next few months, this is an offer you cannot afford to neglect. We mean it when we say these offers are unusual. Read them if you doubt it.

A Child Can Run the National Vacuum Cleaner

The National Vacuum cleaners are, without a doubt, the best hand cleaners on the market. They are strong, durable, and, above all, practical. A child can run one with ease.

The National in Use

With a National, you can get dirt out of your carpets even after a thorough sweeping. You can go over your curtains and remove all dust and dirt without even taking them from the walls. The National is so simple that it can withstand much hard usage and yet is efficient.

We will ship to you postpaid, one cleaner for a six years' subscription to the weekly Enterprise or a three years' subscription to the daily mail.

This is Probably the Most Unusual Offer of All

Do you own a hand painted view of the falls of the Willamette river? Would such a picture, done in oil, realistic, and true to actual conditions, appeal to you?

The Enterprise was fortunate in securing the services of a Portland artist who made a study of the Willamette falls. He painted several large pictures and, after being thoroughly acquainted with his subject, was induced to paint a limited number of pictures of the falls for the Enterprise.

We do not hesitate in saying that this is the most unusual premium offer of all. The painting is a fit decoration for any home and when framed will receive the admiration of all who see it.

We will send you this picture, postpaid, for a one year subscription to the daily Enterprise by mail or a two year subscription to the weekly Enterprise.

Only Eight 3-Piece Scissor Sets Are Left.

Here again the advantage of buying in quantities direct from eastern agents of the manufacturer is evident. This three-piece scissor set, consisting of a pair of large shears, button hole scissors and embroidery scissors, is the same set that you would pay \$1 or \$1.50 for at your store.

One year's subscription to the daily Enterprise by mail or two years' subscription to the weekly will result in a set being sent to you.

A Six Months Subscription to the Daily Brings a Fountain Pen

Yes sir! That is just what we mean. A six months' subscription to the daily Enterprise by mail will bring you one Popular Fountain Pen.

The Popular has no gold bands, no frills and fancy improvements. It is all pen. It is intended to be used for writing not as an ornament. And it does write. When used properly, the Popular pen will give you satisfaction.

And, remember that a six months' subscription to the daily or one year's subscription to the weekly is all that is required to bring you one of these pens.

Pennants Such as These Are Ideal for Library or Den

These pennants, measuring 14 by 35 inches, are made of heavy felt and letters are stamped on. We bought an even thousand pennants at one order and secured a remarkable price, a fact of which you can take advantage.

We have about an eighth of the original order left and included in the lot are Oregon Agricultural College, Washington, Cuba, Harvard and Alaska.

We will send postpaid two pennants for a year's subscription to the weekly or four pennants for one year's subscription to the daily Enterprise by mail.

These unusual offers will continue until our stock room is empty of premiums; it may be soon.
