

COMMERCIAL CLUB BACKS BIG ANNUAL EDITION OF ENTERPRISE

That the publicity committee of the Oregon City Commercial club is quick to see and prompt to seize favorable opportunities to spread abroad the name and fame of Oregon City and Clackamas county was again evidenced yesterday when the committee closed a deal for the purchase of 3000 copies of The Enterprise annual, now being compiled, which will be sent to the San Francisco exposition and distributed from the Clackamas county exhibit rooms in the Oregon building.

While this order taken alone represents no profit to The Enterprise, in fact the price agreed upon is below the cost of production, the greatly increased circulation thus secured is of decided advantage alike to the paper, the advertisers therein and the community in general, hence the co-operation of the publicity committee in this matters means a bigger and better annual than could otherwise be produced.

SCHUEBEL TAKES RECOMMENDATION OF CITY COUNCIL

THREE FORMER OFFICERS OF LODGE CUT ALL CONNECTION WITH ORDER.

CITY ATTORNEY ISSUES NOTE TO EXPLAIN REASON FOR ACTION

Statement Shows That City Officials Believe Purpose Has Been Accomplished Without Resorting to Prosecution.

Upon the resignation of C. B. Noble, ex-dictator; W. Renolds, steward, and George Young, former chairman of the house committee from the Moose lodge, City Attorney Schuebel Monday dropped the cases against the officers of the Moose lodge, No. 951.

"I dismissed the complaint against the officers of the Moose lodge as recommended by the council because I am satisfied that there will be no more violation of the liquor law by the Moose lodge. Renolds pleaded guilty to selling liquor and was fined \$250 which has been paid. The Moose lodge has been disbanded from its organization. The officers who were responsible for the violation of the law, and they will not be permitted to again become members of the lodge at Oregon City. The lodge violated both state and city ordinances, but a further prosecution could not produce greater results than have been accomplished.

Although no statement has been made public, it is understood that the dismissal of the case was delayed several days until the three former officers of the lodge had resigned their places and dropped all connection with the lodge. Mr. Noble was dictator until two weeks ago when he resigned. A. A. Price was unanimously elected head of the lodge at the last meeting of that body and the house committee is now composed of Linn E. Jones, mayor; E. A. Hackett, and W. A. Long, councilmen.

The resignation of the three former lodge members was the last of the conditions laid down by the council two weeks ago when City Attorney Schuebel asked for a recommendation by that body. The other stipulations were the removal of the locked door to the lodgerooms, the appointment of a new house committee and steward; a plea of guilty and a heavy fine on the part of the officers of the lodge. All of these conditions have been met. While the council is purely a legislative body, City Attorney Schuebel asked the recommendation of the council and after considering the matter at several meetings, the council voted to ask the city attorney to drop the charges.

CONQUEROR OF BIG GERMAN ZEPPELIN IS KILLED AT BUC

CANADIAN AIRMAN ACCOMPANIED BY AMERICAN JOURNALIST WHO IS DEAD ALSO.

PARIS, June 17.—Lieutenant Reginald Warneford, the Canadian aviator who brought down a Zeppelin near Ghent and was decorated with the Victoria cross in recognition of his exploit, today was killed by a fall from an aeroplane at Buc, France.

Warneford was carrying as a passenger the American writer, Henry Beach Needham, who also was killed. Warneford started the week ago by his wonderful feat in battling with and destroying a Zeppelin alrship by dropping bombs upon it from his aeroplane.

For his exploit Warneford was granted the Victoria Cross by Great Britain and was made a member of the Legion of Honor by France, the two highest honors within the power of those nations to bestow. He was a youthful Canadian, who enlisted last summer and took his first lesson in flying less than a year ago. He was as modest in describing his feat as he was resourceful in performing it.

BURGOMASTER MAX, HERO OF BRUSSELS, HAS TUBERCULOSIS

BURGOMASTER MAX

Strong efforts are being made to obtain the release from the Glatz (Germany) fortress of Burgomaster Max of Brussels, who is said to have developed acute tuberculosis. Although it was at first declared that the efforts to obtain his release had been vetoed by General von Hisinger, the German governor general in Belgium, it is now stated that it is more than likely that Burgomaster Max will be freed.

HARPER IN FREAK DEAL

Agrees to Transfer if Allowed on Slab Next—Beaten.

When Southpaw Harry Harper of the Washington Americans was sent to Minneapolis under optional agreement he exacted an unusual condition. It was nothing more nor less than that he should step into his new harness the very next day.

Harper's condition was accepted, and he mounted the slab for the Millers against the invading Senators from Columbus. He lost a freak game. The recruit fanned sixteen opposition bats, and his team made fourteen hits behind him, but Harper was beaten.

PITCHER HARRY HARPER

S to 7, the winning run scoring on an error. As an offset to Harper's effectiveness, however, he gave nine bases on balls and was touched for seven hits. Columbus clustered its runs and walks, while the Millers with plenty of hits and passes dribbled their counters over the home plate.

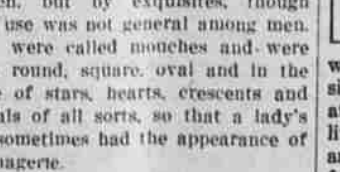

The deal by which Minneapolis secured Harper and Outfielder Rondeau, for whom Washington previously gave five players to the Millers, originally was for Rondeau and another hurler. When this young hurler was sounded, however, he wished to consult his family before deciding whether he would be willing to play in the west.

Contracts have been signed up for hard surfacing 66 miles highway, 10 miles concrete and brick, 56 miles Warrenite bitulith.

WOMEN CAN HARDLY BELIEVE

How Mrs. Hurley Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Eldon, Mo.—"I was troubled with displacement, inflammation and female weakness. For two years I could not stand on my feet long at a time and I could not walk two blocks without enduring cutting and drawing pains down my right side which increased every month. I have been at that time purple in the face and would walk the floor. I could not lie down or sit still sometimes for a day and a night at a time. I was nervous, and had very little appetite, no ambition, melancholy, and often felt as though I had not a friend in the world. After I had tried most every female remedy without success, my mother-in-law advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and gained in strength every day. I have now no trouble in any way and highly praise your medicine. It advertises itself."—Mrs. S. T. HURLEY, Eldon, Missouri.

The Beauty Spot Patch.

The custom of wearing black patches to make the skin seem fairer came from the habit of applying in the sixteenth century pieces of black velvet or other dark stuff to the temples for the headache. A fashionable coquette discovered that these were becoming and brought them into use in France, whence the custom spread into Europe. They were worn not only by women, but by exquisites, though their use was not general among men. They were called moaches and were made round, square, oval and in the shape of stars, hearts, crescents and animals of all sorts, so that a lady's face sometimes had the appearance of a menagerie.

DANGERS OF FLATTERY

In order that all men may be taught to speak truth it is necessary that all should learn to hear it, for no species of falsehood is more frequent than flattery, to which the coward is betrayed by fear, the dependent by interest, the friend by tenderness. Those neither servile nor timorous are yet desirous to bestow pleasure, and while unjust demands of praise continue to be made there will always be some whom hope, fear or kindness will dispose to pay them.—Johnson.

H. A. RANDS AND J. O. STAATS ARE NAMED DIRECTORS

TWO NEW SCHOOL OFFICIALS TO STEP IN AT ONCE; HEDGES NOW CHAIRMAN.

WILLAMETTE HIGH SCHOOL STUDENTS TO COME HERE

Class of 26 Will Come to Oregon City High in Body—H. E. Cross is Honored at Gladstone School Election.

I. O. Staats was elected director for the 5-year term and H. A. Rands for the 3-year term at the annual election of the Oregon City school district held Monday.

There were 37 votes cast, the election being very quiet because of the fact that there was no opposition to the two candidates. Mr. Rands was sworn in Monday night and Mr. Staats will take the oath of office this week. J. E. Hedges is the new chairman of the school board.

The annual taxpayers meeting was held Monday night at the court-house. The attendance was light. The reports of the directors and clerk were read and accepted and later the board held a special meeting and canvassed the vote of the election, and transacted other routine business, electing Y. E. Brodie school clerk and fixing Monday, September 20, as the date for the opening of the schools.

The report of Percy P. Caulfield who has just completed an audit of the books of the school clerk, was read. The books were found to be correct. The resignation of H. F. Pfingsten, principal of the high school building, was accepted. He has accepted a similar position at The Dalles.

F. C. Burk, Mrs. Della Green and Frank Moore were elected judges, and E. H. Cooper was elected clerk for the bond election to be held on Thursday of this week from 2 to 7 p. m., for the purpose of authorizing a bond issue of \$20,000 to provide for the construction of an addition to the high school building.

Every student in the Willamette school above the eighth grade will come to Oregon City next fall for high school work, according to the decision reached at the school meeting there Monday night. Principal Paul estimated that the decision of the voters would add 26 to the local school. H. L. Morrell was elected school director and C. B. Wilson was named to take the place of Director Frank Capen, who moved away. Mrs. Jess Hyatt was re-elected clerk.

H. E. Cross, who donated the site for the union high school in Gladstone park, was unanimously elected director of the union high school district Monday night. William Hammond defeated H. E. Williams for school director and Mrs. Estella Salisbury was re-elected clerk of the district.

E. L. Pope was given two places at Parkplace, one on the union high school board and one on the district school board to succeed Captain Anderson, who resigned. S. J. Bentley was elected district director and W. A. Holmes clerk.

Mrs. George McLaine was named clerk at Mount Pleasant and Ward B. Lawton clerk. Mrs. McLaine has served several years on the board of school directors.

ENGLAND WANTS MORE MONEY

LONDON, June 17.—Chancellor of the Exchequer McKenna will introduce another loan bill next Monday, according to announcement of Premier Asquith this afternoon. Report has it that the new bill will call for about \$1,750,000,000.

FRANCE AND ENGLAND CONFERENCE

PARIS, June 22.—With a view to closer cooperation between France and England in matters pertaining to their departments David Lloyd-George, British minister of munitions, and Albert Thomas, French under-secretary for war, met at Boulogne in an extended conference, according to information given out here today.

1300 TURKS KILLED

CARIO, June 23.—Thirteen hundred Turks were killed during the fighting for one position on the Gallipoli peninsula in the Dardanelles fighting of Saturday, an official statement announced here today. The allied troops stormed and carried the Turkish position, after a bitter fight, and found this number of dead in the trenches abandoned by the enemy.

CHINA'S SALT WELLS

Salt wells in China have been operated for hundreds of years, and in the Tzeuching district, especially, have built up a prosperous community. In some cases the wells are 300 feet deep. The salt is obtained in the form of brine, which is raised in bamboo tubes by means of crude derricks, the motive power for which is furnished by water buffaloes.

NEURALGIA PAINS STOPPED

You don't need to suffer those agonizing nerve pains in the face, head, arm, shoulders, chest and back. Just apply a few drops of soothing Sloan's Liniment; lie quietly a few minutes. You will get such relief and comfort! Life and the world will look brighter. Get a bottle today. 3 ounces for 25c. at all drugists. Penetrates without rubbing. (Adv.)

EARTHQUAKE SHOCK IN IMPERIAL VALLEY

DAMAGE IS DONE TO IRRIGATION SYSTEMS IN SOUTHERN CALIFORNIA.

LOS ANGELES, Cal., June 23.—Another sharp earthquake shock hit the Imperial valley shortly before noon today, according to advices received by Colonel W. H. Holabird of the California Development company. It did slight damage.

The Alamo waterway and the Sharps Heading section of the irrigation system were little affected.

CALEXICO, Cal., June 23.—Further earthquake shocks were felt here today. Several tremors after midnight were followed by a severe shock at 10 o'clock this morning.

Sharps Heading, the principal and controlling unit of water supply for the Imperial irrigation system, sagged and settled under the renewed quakes. Further shocks undoubtedly will break the heading and paralyze the entire water system of the valley upon which the crops of vast areas are entirely dependent.

ANDRADE, Lower California, June 23.—Alamitos canal, one of the waterways of the Imperial valley irrigation system, broke under the earth shocks last night, but is being repaired. Flames, headings and other structures of the system, however, withstood the seismic disturbance. Reports from Mexicali state that seven or eight persons were killed there by the falling of a wall. Colonel Esteban, Cantu, the Mexican commandant, proclaimed martial law, his soldiers patrolling with loaded rifles the streets of the "Little Monte Carlo" and closely herding its population of American gamblers and dance-hall girls. Two of the latter are reported to be among the dead.

KELSO SCHOOL CLOSES

The graduates of the Kelso school are Clara Harbison, Nora Milan, Lillie Jonsrud, Florence Lamoreaux and Charles Harworth. At the close exercises Saturday night Rev. A. J. Ware delivered an address urging the students leaving the eighth grade to continue their work in the higher schools of learning if possible. Professor Warner, the principal, spoke on the topic "Service to Humanity." At the close of the program refreshments were served. The following former teachers of the Kelso school attended the exercises: Mrs. Albert Rodin, of Portland; Miss Dorcas Hedlin, principal of East Creek school; Miss Carrie Lamoreaux, of Ioring; and Miss Elizabeth Canning and Mrs. Robert Junsrud.

ATTENDANCE OF CHAUTAUQUA MAY REACH NEW MARK

(Continued from Page 1)

Witepskie's Royal Hungarian orchestra, Haxony Opera singers, the Schumann Quintette, the Adelphi Male Quartette, the Dixie Jubilee Singers, the Magical Floyds, and the Gullotta Trio. These standard attractions have been engaged at heavy expense and in addition among the noted lecturers who will be heard are: Newell Dwight Hillis, famous pastor of the Trinity church, New York city; Col. Bala, Col. W. H. Miller, Senator E. J. Burkett, famous Nebraska orator, Nels Darling, the "Community Builder" Dr. Roland A. Nichols, Rev. Father MacCorry, Fred Eugene Baker and Congressman W. C. Hawley.

Women on Program. The assembly has engaged several well known women speakers and entertainers this year, realizing that the large portion of the chautauqua audience consists of women. Among the women lecturers and entertainers who will appear on the program are Mrs. A. C. Zehner, an eastern woman of great ability; Marion Mallou Plisk, celebrated cartoonist, Marietta Ladd Dell, celebrated entertainer, Evelyn Bargell, reader, Charlotte Berg, known as the "Norwegian Nightingale" who will appear with Witepskie's Royal Hungarian orchestra and Daisy E. Forest, kindergarten expert. There will be the usual summer school classes consisting of athletics, music, elocution and other interesting departments.

ARMY INSTRUCTOR DIES

LEAVENWORTH, Kan., June 21.—Lieutenant Colonel J. R. Porter, senior instructor of law at the army service schools at Fort Leavenworth, died suddenly of stomach disease here this afternoon.

The high price of meats in England has brought into use the humble bean, which was before the war little used in old England.

Northern Pacific and Great Northern preparing to operate direct trains from Seattle to Flavel via Kalama and Rainier to connect with San Francisco steamers.

Most Children Have Worms

And neither parent nor child know it, yet it explains why your child is nervous, pale, feverish, backward. Often children have thousands of worms. Think of how dangerous this is to your child. Don't take any risk. Get an original 25c box of Kickapoo Worm Killer, a candy lozenge. Kickapoo Worm Killer will positively kill and remove the Worms. Relieves Constipation, regulates Stomach and Bowels. Your child will grow and learn so much better. Get a box today.

Cow Testing Association Active

The Clackamas County Cow Testing association was organized and began active work October, 1914. Its membership is composed of 17 men, 11 of whom are breeders of registered dairy stock, the remainder of the membership own grade herds.

For the first six months of work, the association had 210 cows on test, 79 per cent of which were Jerseys; 13 per cent Holsteins, 5 per cent Guernseys and 3 per cent miscellaneous.

Table with columns: Owner of Cow, Name, Breed, Age, Fresh, Milk, Buttermilk, Lbs. Milk, Lbs. Butter

The records show that the feeding of grain has paid with the higher producing cows, while with the poorer producers, increase in feed did not make relative gains in production, and in one case a low producer on medium grain ration, increased when fed less. One herd of 17 cows in one month made a profit of 15c by a change of ration the same herd the following month made a profit of \$65.00. By testing the poor producers have been pointed out and as a result three cows have been slaughtered.

To promote interest in dairying and in the association work a basket picnic will be held at the ranch of A. A. Spangler of Beaver Creek, Saturday, June 26. Professors Barr and Broves of the Oregon Agricultural college will be present. Questions of interest concerning dairying will be discussed; a cow-judging demonstration will be held and Ed. Cary, of Carlton, will relate his experiences in producing record cows. All interested in dairying are invited to be present.
