THE HUMAN HEART. The human heart is like a millstone in a mill; when you put wheat under it, it turns and grinds and bruises the wheat to flour; if you put no wheat it still grinds on, but then it is itself it grinds and wears away.—Luther.

Frank Henry of the Steamboat district reports to the Medford Mail Tribune that he believes the quail and grouse are being gradually exterminated by bluejays, and that they have been reduced two thirds this year from this cause. The bluejays attack the nest of the quail and grouse during the hatching season; destroy the eggs and kill the young 'out of pure bird casusness.' Henry favors placing a bounty on bluejays as a means of curbing their activity.

"BIG TIM" SULLIVAN IS ACCUSED IN BECKER'S DEATH HOUSE PLEA

"BIG TIM" SULLIVAN

In the long awaited statement from Charles Becker, the condemned man pleads with Governor Whitman to save him from the electric chair, virtually charging that the late Senator Timothy D. Sullivan was the person most interested in keeping Herman Rosenthal from squaling to the district attorney, Sullivan, Becker asserts, said that he was interested "to the extent of \$12,500" in Rosenthal to be "got away" for fear that the gambler would tell the district attorney of this and of election frauds on the east side. Becker declares that Sullivan was (he Sullivan) had arranged with Rhineland Waldo, then commissioner of police, for Rosenthal to open his gambling place and that Waldo had said to Sullivan, "If gambling houses are to run Rosenthal should be permitted to open his house." "I learned later," Becker says, "that Sullivan had no authority to so quote the police commissioner. I have been pounded and pounded by publications which thought they could force from me things I did not know. I have not now and have never had anything on Waldo or the Mayor William J. Gaynor. The accompanying photograph of Big Tim, showing him to be but a shadow of his former self, was taken a few days before he was killed.

PORTLAND BOSS SAYS HE HAS COLLEGE PLAYERS.

LOS ANGELES, Cal., Aug. 4.—That he has signed three northern university players was the statement of Manager Walter McCredie of the Portland Beavers here this afternoon. McCredie refused to divulge the names of the players. Two of the men, McCredie said, are pitchers and the other is an infielder. "Although I have the players' signatures to contracts and they will report to me next spring, I promised not to give out their names," said McCredie. "All three of them take active part in athletics at their schools." McCredie also announced he would put in a draft for Shortstop Ward of the Tacoma Northwestern league.

U. OF O. FIELD DRAINED. HARD SURFACE SOUGHT FOR SNAPPY FOOTBALL.

UNIVERSITY OF OREGON, Eugene, Aug. 4.—Kincaid field, the athletic grounds of the state university, will present a considerably changed appearance when the students return in the fall. The university administration is building new bleachers to accommodate the record crowds which are expected to attend the campus games this year, especially the Oregon-O. A. C. game which will be played on the campus for the first time in eight years. A new fence will be built around the east end of the field, which will reduce its size somewhat by cutting off a hundred feet or so nearest to the new administration building, Johnson Hall. The old gate-house has been torn down and a new one will be built. All the old drains criss-crossing the field have been dug up and will be replaced in slightly different locations after the tiles are thoroughly cleaned. By this means it is expected that the mud trouble will be avoided and that the university will be able to furnish a dry football arena in any kind of weather.

"PENNANT NOT FOR US THIS SEASON," MANAGER MAC.

LOS ANGELES, July 29.—Portland is through for this season as far as championship is concerned. At least this was the view expressed by Walter McCredie, the team's manager, here today. "I don't expect the team to make its annual sport this year," because we haven't the team to make the sport," said McCredie. "Weak hitting by Hillyard and Bobby Davis' injury are handicapping us. I guess we will have to wait until next year."

THE TEAM VICTORIOUS. The woods around Wilsonville seem to be full of poets. This time C. Murray's name is at the bottom of the contribution but the subject, as usual, is the Wilsonville baseball team. The poem is as follows: We cleaned Sherwood, twelve to two, Sweet Briars four to one, Fernwood twelve to zero, They didn't get a run. The Golden Rods beat us with odds Of two to seven, 'Tis the only time we've been skinned, One out of eleven. Taulatin fell nineteen to two, Sweet Briars seven to four, Now don't get excited and I'll tell you about some more, Healey All Stars five to two, Union Meat ten to seven, The News Boys lost it ten to one, Now one more makes the eleven, 'Twas Portland best, who took the test, Kenton, with smoke galore, We wiped them clean, by no ways mean The score was six to four, George Stangle was in the box, Chick Baker behind the bat, They did them brown, the best in town, Now what you know about that?

CHICAGO ATHLETES ARRIVE. SAN FRANCISCO, Cal., Aug. 3.—In charge of Alonzo A. Stager, famous football coach, the University of Chicago squad of athletes who will compete in the national championships here Friday and Saturday arrived here today. Included are Ray Campbell, half miler; Dewey Knight, sprinter; H. T. Stegman, quarter and half miler, and J. T. Brathed, 440 yard runner.

FRISCO BOAT WINNER. GENEVIEVE TAKES RACE DOWN COAST FROM SEATTLE.

SAN FRANCISCO, Cal., Aug. 3.—Completing the trip in five days, twenty-two hours, the sloop Genevieve of the San Francisco Yacht club arrived here this afternoon, winning the Seattle to San Francisco yacht race from the yawl Ortona of the Seattle Yacht club. The Genevieve was sailed by Captain J. T. Pugh. While the Genevieve had good winds all the way down, the sea was rough and the weather extremely bad with frequent rain squalls. The last heard of the Ortona was up at Tatoosh, where the steamship Governor overhauled the two racers and reported the Genevieve 15 miles ahead. Captain Pugh said they were out of sight of land all the way and at one point were 145 miles out to sea. They had to use oil bags a great deal. With Captain Pugh aboard the Genevieve were Otto Matthews, J. Shisholm, C. C. McNutt and H. Dehntz.

TWO TEAMS DROPPED. NORTHWESTERN LEAGUE NOW RUNS WITH FOUR CLUBS.

SEATTLE, Aug. 2.—Beginning with the games of today, the Northwestern league is operating a four team circuit. Decision to drop two clubs for the remainder of the season was reached at a meeting of the directors of the league held Sunday and the Aberdeen and Victoria clubs played their last games yesterday. Spokane, Tacoma, Seattle and Vancouver are the towns remaining in the circuit. In retiring from the league the Aberdeen club retains its franchise and the right to start the season next year. The franchise of the Victoria club belongs to the league and may be placed wherever the league desires next year. The opinion is that when the war ends there will be no difficulty in financing the team in Victoria. With the disbanding of the Aberdeen and Victoria clubs the remaining teams profit by being able to secure players from the disbanded clubs. Spokane takes Outfielder Kaylor from Victoria and Outfielder Klippert from Aberdeen. Tacoma gets Pitcher Meikle and Shortstop Ward from Aberdeen and Pitcher Hanson from Victoria. Seattle takes Pitcher Bonner from Victoria while Vancouver club takes Pitcher Harry Hughes from Aberdeen and Infielder Roy Brown from Victoria.

Lush held the Tigers down to nine hits while the Beavers were able to secure 12 off of Fromme, who was in the box for the Cliftonians. The Beavers made three of their four runs in the seventh set.

The Beavers made two errors, the locals none.

The Tigers secured three runs in the first set but the Beavers got one in the second and three more in the fourth, making the score 4 to 2 for the Oregonians. In the eighth, however, the Vernon shortstop, knocked a double and brought in a run, tying the score. The game ended in the eleventh when the Tigers finally were able to put one man across home. BEAVERS AT LOS ANGELES. PORTLAND EXPECTED TO BECK STIFF COMPETITION.

Pacific Coast League. P.C. San Francisco—558 Los Angeles—537 Portland—496 Oakland—484 Vernon—471 Salt Lake—453

PORTLAND, Ore., Aug. 2.—The Beavers will have some pretty stiff competition this week in the Los Angeles club, and will do well to break even on the series. However, they will have the advantage, which is, perhaps, psychological, of having played in Los Angeles for a week, while the Angels will be forced to descend from the rarified atmosphere at Salt Lake to the heavy ozone at Los Angeles.

The Beavers are a peculiar ball club. Just when they get to going good and the fans' hopes are aroused, why kerpunk!—and they're down again. It is such stuff as that which convinces the fans they are not pennant material. Cliff Blankenship is moving heaven and earth to strengthen up his Salt Lake club. Cliff thought he had a winner when he started the season, and the hopes of the Utah fans was high, but the Coast League scrivener, who knew the players, appear to be justified in early predictions that the Salt Lake club would not be heading the procession when August rolled around. There was considerable criticism of the writers early in the season for saying that Salt Lake was not a first division club, but the early estimates apparently have been vindicated.

SPECIAL TO WOMEN. The most economical, cleansing and germicidal of all antiseptics is PAXTINE. A soluble Antiseptic Powder to be dissolved in water as needed. As a medicinal antiseptic for douches in treating catarrh, inflammation or ulceration of nose, throat, and that caused by feminine ill health, no equal. For ten years the Lydia E.
