MILWAUKIE, Sept. 10.—(Special).—Noah Hubler, a pioneer of this part of the county, died at the home of his daughter Friday afternoon.
Mr. Hubler was born in Harrison county, Ohio, in 1832, and came to this state in 1852, working his way with the Hardy family, who came by ox team. The party settled at what is now Milwaukie, and Mr. Hubler has lived there the last 53 years. For several years he ran a small fruit boat between Portland and points up the valley, being employed by the Seft, Welson company of Portland.
In the year 1856 he joined the 9th regiment of the Oregon Mounted Volunteers under Captain W. S. Buckley during the Indian disturbances in this part of the county.
He is survived by two daughters, Mrs. Rosel Lacin and Mabel Burke, both of this city.

MILWAUKIE, Sept. 15.—(Special).—The local school started Tuesday morning with 269 pupils, an increase of 25 over the last year's first day enrollment, and several more are expected to start the first of next week.
The high school began this year with 56 pupils, an increase of 19 and the grammar school started with 213, an increase of 6 over last year's enrollment.
The installment of the new art apparatus and of the manual training tools and several new reference books have complied with requirement of the standardization laws of this state and have also added several pupils that have hitherto gone to the Portland schools. During the past summer months about \$2000 have been spent on remodeling and the installment of the new apparatus. Among the remodeling was the addition of several new rooms which will be used for the domestic art and science and for the chemistry laboratory, also the addition of outside fire escape. Before, all exits were indoors but after the consideration by the board of the possibilities of fire inside of the building arrangements were made for the new escape.

MILWAUKIE, Sept. 15.—(Special).—Crystal Lake park will close in two weeks after a very successful season. Although it did not come up with last season's business it was very satisfactory under the conditions.
In the years before there were several acres which was used entirely for the purpose of parking the automobiles belonging to the picnicking parties, but which in this last season was cut off by the new Carver steam railway between here and Portland.
Crystal Lake park has for the past few years been one of the most popular city man's parks around here and several car loads of people from Portland picnic at the park every Sunday. Among the attractions at the park are a pond of fine Oregon trout, a mineral spring which are claimed to be the finest in this part of the state.
The Fraternal Brotherhood of Portland has engaged the park for the coming Sunday and despite the fact that the rainy weather is setting in a large crowd is expected. The Sunday after that the park will be in the hands of and under the supervision of the Spanish American war veterans, which will be the closing picnic for the season.

INTEREST EVINCED IN CHILDREN'S FAIR
MILWAUKIE, Sept. 10.—(Special).—Considerable interest is being evinced in the Children's Industrial fair to be held in the Milwaukie school house next Saturday, September 18, and it bids fair to develop some exceptionally fine exhibits by the young people in canning, fruit, baking vegetables, etc. City Superintendent L. P. Alderman of Portland and Brooklyn T. J. Gary, principal of the Brooklyn school, Portland, will be the speakers of the day.

MILWAUKIE WATER BONDS ARE SOLD
The Western Bond & Mortgage company, of Portland, secured the issue of \$25,000 Milwaukie water bonds at a meeting of the Milwaukie council Tuesday night. The successful bid was slightly below par. The bonds will bear 5 per cent, have a life of 20 years and are issued in denominations of \$500. The council instructed City Engineer J. W. Morris to prepare plans and specifications for the completion of the water distribution system, for which purpose the bonds were issued. Actual work, however, will be held up until two temporary injunctions secured by the Milwaukie and Menthorne Springs water companies are dissolved. These cases will be argued here before Circuit Judge Campbell in the near future.

MILWAUKIE, Sept. 10.—(Special).—J. W. Grasl, one of the old members of the Milwaukie school board, has been confined to his home in this city for the past two weeks with an attack of rheumatism.
Worth Their Weight in Gold.
"I have used Chamberlain's Tablets and found them to be just as represented, a quick relief for headaches, dizzy spells and other symptoms denoting a torpid liver and a disordered condition of the digestive organs. They are worth their weight in gold," writes Miss Clara A. Driggs, Elba, N. Y. Obtainable everywhere. (Adv.)

INDUSTRIAL FAIR PLANS COMPLETE

MILWAUKIE HUNTERS RETURN
MILWAUKIE, Sept. 10.—(Special).—Judge J. R. Kelso and a party of friends from Milwaukie have returned after a ten days' outing in southern Oregon, where they spent the time hunting and fishing. Judge Kelso killed a four point buck that dressed 145 pounds.

His Rest Was Broken.
O. D. Wright, Rosemont, Neb., writes: "For about six months I was bothered with shooting and continual pains in the region of my kidneys. My rest was broken nearly every night by frequent action of my kidneys. I was advised by my doctor to try Foley Kidney Pills and one 50 cent bottle made a well man of me. I can always recommend Foley Kidney Pills for I know they are good." This splendid remedy for backache, rheumatism, some muscles and swollen joints contains no habit forming drugs. Jones Drug Co. DRIVER OF WRECKED CAR IS FINED \$65
James Chickos, the driver of the automobile which plunged from the road near the L. L. Porter house in West Linn Wednesday night, pleaded guilty to a charge of speeding before Recorder Porter, of West Linn, Thursday and was fined \$65. Up to late Thursday he was unable to raise his fine and was confined in the county jail. The automobile, a seven-passenger Hudson, was pulled from the 12-foot embankment over which it went, and pulled back to the road and taken to Portland. Damages to the automobile are slight, considering the fall it made.

Churchill Would Add to School Fund
The plan of disposing of the Oregon & California land grants offered by Schuebel, of this city, has found a ready response in the office of the state superintendent of public instruction. The feature of Mr. Schuebel's proposal is that the profits derived from the sale of the land shall be turned over to the state school fund. State Superintendent Churchill has sent letters to all the county school superintendents in the state, asking them to prevail upon delegates to a land grant conference at Salem, September 16, to support some program which will result in the eventually turning over of funds derived from the sale of the lands to the school fund.

O. D. Eby was elected the club's representative at the conference called by Governor Withycombe in Salem September 15.

CLACKAMAS
(Special Correspondence)
The public school opened Monday with an enrollment of 78 pupils. A cement floor will be put into the basement of the school building soon and some new apparatus is being installed now.
Mr. and Mrs. Cary Johnson, Miss Ruth Rubin, and Arthur Johnson and Burley Reynolds have just returned from Welch's camp, where they spent a few days.
Albert Gayer and family have moved to Raymond, Oregon, where they will engage in farming and sheep raising.
Tom Root, the road supervisor, and his worthy crew, are improving the roads materially near Rock Creek bridge.
Joe Bachmann, Jr., recently returned from a week's hunt in Clatsop county, having succeeded in shooting a bear.
Mrs. W. F. Haberlach and children and Miss Hanson, have returned from Blaney, Vancouver Island, where they spent several weeks visiting with the former's parents, Mr. and Mrs. C. F. Street.
J. W. Huggill recently bought Mrs. Spurgeon's house and has moved his family into same. Mrs. Spurgeon has gone to Eastern Oregon to live.
A number of Clackamas people went to the hop fields this season. All have already returned, as the picking season was short this year.
A party will be given at the home of Mr. and Mrs. Louie Hornberger on Thursday evening for the Christian church.

Vegetables Are Offered.
Many of the farmers have been very generous in their offering. Among these are Marion Johnson, of Clackamas, and one of his neighbors, J. W. Johnson, who have sent pumpkins and squashes that will no doubt attract much attention at the county fair as well as the Oregon state fair where they will be shipped. Others are I. A. Newton, of Mt. Pleasant, who has sent in a collection of banana squashes; Charles Weismandel, pumpkins; Mrs. Delbert Hart, peaches; Delbert Hart, Japanese pears; Silas Wright, corn, having stalks over ten feet high will be shipped to the Panama-Pacific exposition, E. Blomberg, of Mt. Pleasant, who dug 14 1/2 pounds of potatoes from one hill. These potatoes were planted among his corn, and this collection will show what the soil of Clackamas county can produce.
Grain and grasses of all description will have their places in the Clackamas county booth, and an effort will be made by the men in charge of the exhibit to have Clackamas county take first place again at the Oregon State fair, although many of the exhibits of last year are now in the Willamette valley booth at the Panama-Pacific exposition in San Francisco, where they have been awarded prizes.
Poultry Department is Feature.
The poultry department is not to be overlooked, and some of the finest breeds of birds will be on display during the four days. Mrs. A. J. Marrs, of Oregon City, route No. 1, who captured some of the best prizes last year, is to show her birds again this year. Her breeds are Buff Leghorns, White Rocks, Buff Wyandottes, White Minorcas and Partridge Wyandottes. Mrs. Bertha Story, who is known throughout the state as one of the most successful breeders of poultry, is to again show her birds, and will ship many birds to the Oregon State fair at the close of the county fair.
The handsome Single Comb White Leghorns of F. F. Fisher, of Fishersdale Farm, two miles from this city, will have a conspicuous place in this department. Mr. Fisher always comes out with flying colors when his birds are shown. The meek, little Campines from the farm of Dimick & Gregory near this city are to make their first appearance at the Clackamas county fair, and if they are among the prize winners, which no doubt they will, they will continue to attend the fair. D. F. Skeene, a poultry fancier, who is to make his first exhibit of his Campines at this year's fair. Mr. Skeene does not intend to enter his birds for prizes, as they have recently had their wings clipped, thus barring them from being entered for a prize, but merely wishes to show the fair visitors what he can do in the raising of this breed.

Many Will Enter Swine.
The Duroc-Jerseys are among the breeds of swine that will be in the swine department, and among the breeders of this breed of swine who will enter for prizes will be George DeBok, whose Durocs won every prize at the livestock show held in this city in May. Mr. DeBok has his pigs in fine shape. The Dimick Stock Farm,

at Hubbard, will have some of its famous Poland Chinas, and E. R. Gregory will have Poland Chinas, O. I. C. and Berkshires; A. D. Gribble, the well known stockman and dairyman of Aurora, will have Berkshire swine; Charles West, of Oswego, will have O. I. C. swine. From all indications the swine department will be filled to capacity with pure-blooded stuff.
A. D. Gribble's Jerseys, Dimick Stock Farm's Ayrshires, A. I. & J. Huges' Guernseys are only a few of pure-blooded Guernseys; Dimick Stock Farm, herd of Ayrshires, and A. D. Gribble, thirteen head of Jerseys, that are always prize winners.
The horses will have a large space in the horse barn, and from all indications there will be horses from the mere Shetland to the big draft horse.
There will be several surprises in the way of individual farm exhibits, and several are to enter their farm products who have never before exhibited at the fair.
The space for booths in the pavilion is being eagerly sought for by exhibitors, and from indications all space in this building will be taken on the opening day of the fair.
Amusements Are High Class.
Many attractions are being offered by the management this year in the way of amusement of the fair visitors. Among these is the Browning Carnival company, Maximo high-diving dogs, D. W. Fisher's Educated Animal circus. The company features the American Kangaroo court where the prisoner is tried, convicted and hanged. Among the educated animals are "Trilby," the educated Shetland pony; "Happy," the funniest of all clown dogs; "Mike," the world's high-diving dog, besides forty other animals in acts never before equaled.
On Oregon City day, September 21, there will be a special train leaving this city at 12:15 o'clock for the fair grounds, and arrive in time for the horse races. The Moose band will furnish the music for this day, as well as an orchestra of five pieces, the latter to play selections in the pavilion during the afternoon and evening following the races. There will be several vocal solos. The excursion train will leave the fair grounds at 8 o'clock.

Ed Fortune, who has charge of the racing program, is interviewing the business men of this city in regard to closing business houses Tuesday afternoon, and is meeting with success. The business men of this city are showing their loyalty to Clackamas county in giving their employes a half holiday to allow them to attend the fair, and attending themselves. There is no doubt but that a majority of the stores will close on that afternoon, and the list will be printed in Friday's paper. The stores of Canby will close every afternoon of the fair, and the people of that city attend in large numbers, and the Canby schools will also close during the four days of the fair to allow the students to join the other fair visitors. Thursday will be juvenile and Estacada day.

FREYTAG RETURNS TO TAKE UP FAIR WORK
O. E. Freytag, special representative of Clackamas county at the Panama-Pacific exposition, returned to Oregon City Saturday and will remain in Oregon until after the state fair at Salem. Mr. Freytag is in charge of the horticultural and agricultural departments of the state fair and will begin work at once collecting and arranging exhibits for the show at Salem. He has been authorized by the Oregon commission to spend \$750 for apples, prunes and pears for exhibition purposes at San Francisco during his stay in Oregon.

CHURCHILL WOULD ADD TO SCHOOL FUND
The plan of disposing of the Oregon & California land grants offered by Schuebel, of this city, has found a ready response in the office of the state superintendent of public instruction. The feature of Mr. Schuebel's proposal is that the profits derived from the sale of the land shall be turned over to the state school fund. State Superintendent Churchill has sent letters to all the county school superintendents in the state, asking them to prevail upon delegates to a land grant conference at Salem, September 16, to support some program which will result in the eventually turning over of funds derived from the sale of the lands to the school fund.

THREE COUPLES DIVORCED
The double charge of cruel and inhuman treatment and desertion in made by Thomas R. Webster against Anna M. Webster in a divorce complaint filed in the circuit court here. The following divorce decrees were signed Thursday by Circuit Judge Campbell: M. D. Califf from William C. Califf, C. Kitchen from John Kitchen and William H. Engelke from Lillian Engelke.

FINE STOCK WILL BE GATHERED AT FAIR
ENTRIES ARE MADE BY MANY STOCKMEN—MOLALLA EXCURSION IS PLANNED.
(By Nan Cochran.)
As time draws near the people of this city and the farmers of outlying districts of Clackamas county are becoming interested in the Clackamas county fair, which will be held at the Clackamas county fair grounds at Canby by September 20, 21, 22, 23. Many are planning to take their annual outing at the fair and camp in the grove close by the large pavilion and take advantage of the daily attractions that are to be offered by the fair management.
From the present indications the livestock department will be filled to capacity with as fine as stock as can be found in the northwest, when A. I. and John Hughes, of Logan, will have 17 head of Guernseys; Dimick & Gregory, whose farm is located at Greenwood, four miles from this city, will have 12 head of Berkshire and O. I. C. swine, Holstein cattle and Campine chickens; J. C. Jamison, four head of Guernseys; John T. Whalley, of Portland, four head of Guernseys; N. H. Smith, of Logan, herd of Jerseys; A. D. Gribble, of Aurora, herd of Jerseys, four head of horses, and Berkshire swine; Charles Rider, Guernseys; Dimick stock farm at Hubbard, Ayrshires and Poland Chinas. These are only a few who have applied for space in the livestock barn, and inquiries are coming in daily to the secretary, Ward B. Lawton, of Oregon City.

On Molalla day there will be an excursion from that city over the Southern Pacific company and the Willamette Valley electric cars will connect at the stations at Liberal and Molalla, thus allowing those residing along their line to take advantage of the excursion. There is no doubt but that there will be many people travel over this line from Mt. Angel this year to attend the Clackamas county fair, as the Willamette Valley Southern completed its line after the close of the last year.

Among those from this city who will have booths will be Price Brothers, L. Adams, Oregon City Shoe Store, Western Stock Journal, Pacific Highway Garage, Miller & Parker.
Mr. Fortune returned from Seilo Wednesday evening, and was successful in securing some of the best racing horses in the Northwest, including the following: Pacers—"Chiquito," with a record of 2:10 1/4; "Sunny Jim," 2:11 1/4; "Grace N.," 2:10; and several other pacers; trotters—"Zon Dell," 2:16; "King Zombro," 2:12 1/4; "Boise de Arc," 2:18 1/4; "King L.," 2:16 1/4; runners—"Noted Campaigner," "Sterling," "Marshall," "Whits," "Loe H.," "Mobile," "Midget," "Letric S." and several others. These are only a few of the racing horses, and Mr. Fortune states that this year's events will be among the great drawing cards and will be the best races ever given on the Clackamas county fair grounds. Mr. Fortune is well known throughout the northwest as one of the best horsemen, and it is through his untiring efforts that these great racers have been secured.

EAST CLACKAMAS TO EXHIBIT AT CANBY
Envoied up by its success at the Clackamas county fair at Canby last year when it captured first prize, east Clackamas county will again exhibit at the county fair September 20-23. The east Clackamas county fair, held at Estacada, September 8, 9 and 10, displayed better exhibits than ever before, especially in the fruit and vegetable lines, and the best of these products are to be taken to Canby to compete with anything else in the county. Phil F. Standish of Estacada will probably be in charge of the exhibit.
