case of the Portland & Oregon City Railway company against O. F. Witte. lessee of Crystal Lake park, returned Thursday a verdict of \$150. Witte sought \$10,000 as damages by reason of the construction of the railroad through a portion of his resort. The small verdict was the exact amount previously tendered by the railroad.

The trial was featured by the ex- ler. pert testimony of well-known Portland theatrical and amusement men as to the value of transportation, in the amusement business. Fred Keating, of Keating & Flood, and Charles N. Ryan, formerly manager of the Empress and a well known member or the Portland Pres club, both appeared for the railroad company, and testified that the park, in their judgment would be greatly benefited by the advent of the road, and that the transportation question was the big issue in

all lines of amusement work. George A. Steele, who constructed the present electric line of the Portland Railway, Light & Power company between Portland and Oregon City, also appeared for the plaintiff com-

Witte, the defendant, claimed that his patronage at the park would be ruined by the coming of the road. He is the lessee of the lands in question from the Scott estate in Portland. Wittee was over his leasehold estate en to Dr. Strickland's office, who de which expires in 1920.

The railroad line, known as the Car ver road, cuts off a portion of the park between the dance ball and adjoining structures, and the Southern Pacific tracks. The railroad company Clark, acted as attorneys for Witte.
