A porch is being built over the entrance to the garage hall, No. 310 Patrons of Husbandry.

E. H. Metzler and family have moved into Molalla, intending to make this their permanent home. Mrs. Metzler has twice won prizes for making and exhibiting the best bread. One was a trophy vase and the other five dollars. She lays particular stress upon having good yeast. The strain she has has been in her mother's family for at least one hundred years, and in her own family for twelve years. To obtain the precious start she sent back to her mother in Toronto, Canada. The sediment was carefully drained and sent by mail. Once, seven years ago, the glass container fell, but from the fragments of glass she once more obtained the valuable culture.

WORKMAN IN WELL INJURED

SANDY, Ore., Oct. 22.—D. F. Erdman was seriously injured while working 40 feet below the surface in a well yesterday at his home near Deep Creek. The heavy dirt fell, the edge striking Mr. Erdman on the forehead, inflicting a long gash and breaking the skull bone. Mr. Erdman was taken from the well after considerable difficulty and a physician called from this place. It required 10 stitches to close the wound. He will recover.

SANDY.

(Special Correspondence.) Sandy's new auto repair shop and garage was formally opened to the public by Proctor & Deaton. They have installed a modern water and air system and the shop is fully equipped with up-to-date machinery to do all kinds of repair work.

Pete Swan is going into the wood business and has opened up a wood yard in town.

Mr. and Mrs. Joel Jarl have left for San Francisco and San Diego fairs. They will remain absent about two months.

Mrs. C. Burns has gone to Portland to attend some local business.

Ned Nelson lost his suit in the circuit court of Multnomah county against the Bank of Gresham for the

recovering of money lost in the cooperative store scheme boosted by the representatives of that bank. Several farmers got "toughed" for \$500 to \$1000 around here.

Fishing in the Sandy river is good. Some extraordinary good catches are reported. Mostly salmon trout and graylings are being caught. Some catch a few suckers.

The Firwood road district is hauling a lot of crushed rock and the Mt. Hood Highway.

Sandy people will soon make a hard effort to get our county court to help us build a hard surface road from the Multnomah county line along the bluff road through Sandy to Mt. Hood.

For indigestion.

Never take peptic and preparations containing pepsin or other digestive ferments for indigestion, as the more you take the more you will have to take. What is needed is a tonic like Chamberlain's Tablets that will enable the stomach to perform its functions naturally. Obtainable everywhere.

land today but the next best sold at \$7.05, indicating an unchanged market.

Cattle market is showing a weaker tone at North Portland. There is practically no open demand for cows and sales in that division must be forced, timely no open demand for cows and sales in that division must be forced, even at extremely low prices. While there is a call for first class steers, still the market's wants in this regard are quite well supplied and a big run may have an adverse effect upon quotations. Bulls are showing a less favorable trend, although not so weak as cows.

Market for mutton continues very strong at former quotations in the North Portland yards. The situation is practically the same as during the last week or 10 days. Killers continue to purchase the bulk of their needs in the country, therefore while the market is firm, it is by no means fabled.

A plug tobacco famine has been averted through the Franco-British decision to allow exportation of licorice to this country. Chewers of plug will agree with Sherman to the extent that war may be hell.

DOES BACKACHE WORRY YOU?
Some Oregon City People Have Learned How to Get Relief.
How many people suffer from an aching back?
How few know the cause?

NO PORTLAND SALES MADE AT HIGH FIGURE

SERIOUS DECLINE FEATURE OF HOG TRADE—CATTLE MARKET IS WEAKER.

UNION STOCK YARDS, Portland, Ore., Oct. 21.—While no sales were made at the higher figures because no supplies of quality are offering, top lambs were today quoted at \$7.25 for east of the mountain stuff while valley lambs were lifted to \$7.00.
Hogs also sold again at \$7.10 despite the forecasts made earlier by stock yards interests. This is the only big wheat market in the country to show strength for the day.
While there were further serious declines in the price of hogs at eastern and middle west points today with killers there sitting tight on the price lid, the local market was generally of favorable character with values well maintained.
The loss in the Chicago and other eastern prices today was generally expected; in fact, had been forecast for some time by local interests.
