

# A Message To Women

## Those of Middle Age Especially.

When you have found no remedy for the horrors that oppress you during change of life, when through the long hours of the day it seems as though your back would break, when your head aches constantly, you are nervous, depressed and suffer from those dreadful bearing down pains, don't forget that Lydia E. Pinkham's Vegetable Compound is the safest and surest remedy, and has carried hundreds of women safely through this critical period.

Read what these three women say:

### From Mrs. Hornung, Buffalo, N. Y.

BUFFALO, N. Y.—"I am writing to let you know how much your medicine has done for me. I failed terribly during the last winter and summer and every one remarked about my appearance. I suffered from a female trouble and always had pains in my back, no appetite and at times was very weak."

"I was visiting at a friend's house one day and she thought I needed Lydia E. Pinkham's Vegetable Compound. I took it and have gained eight pounds, have a good appetite and am feeling better every day. Everybody is asking me what I am doing and I recommend Lydia E. Pinkham's Vegetable Compound. You may publish this letter if you wish and I hope others who have the same complaint will see it and get health from your medicine as I did."—Mrs. A. HORNUNG, 91 Stanton St., Buffalo, N. Y.

### Made Me Well and Strong.

MACEDON, N. Y.—"I was all run down and very thin in flesh, nervous, no appetite, could not sleep and was weak, and felt badly all the time. The doctors said I had poor blood and what I had was turning to water. I took different medicines which did not help me, but Lydia E. Pinkham's Vegetable Compound made me well and strong, and I am recommending it to my friends."—Mrs. FRANK CHACE, R. No. 2, Macedon, N. Y.

### The Change of Life.

BELTSVILLE, Md.—"By the use of Lydia E. Pinkham's Vegetable Compound I have successfully passed through a most trying time, the change of life. I suffered with a weakness, and had to stay in bed three days at a time. Lydia E. Pinkham's Vegetable Compound restored me to perfect health, and I am praising it for the benefit of other women who suffer as I did."—Mrs. W. S. DUVALL, Route No. 1, Beltsville, Md.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health.

### When Baby has the Croup.

When a mother is awakened from sound sleep to find her child who has gone to bed apparently in the best of health struggling for breath, she is naturally alarmed. Yet if she can keep her presence of mind and give Chamberlain's Cough Remedy every ten minutes until vomiting is produced, quick relief will follow and the child will drop to sleep to awaken in the morning as well as ever. This remedy has been in use for many years with uniform success. Obtainable everywhere.

## SLOW TONE FEATURE OF TRADE IN HOGS

KILLERS IN PORTLAND YARDS HOLD BACK BECAUSE OF UNFAVORABLE QUALITY.

UNION STOCK YARDS, Portland, Ore., Oct. 25.—There was a slow tone in the hog trade at North Portland this morning. With a rather big showing of supplies killers held off their purchases. Seemingly there was no change in the general situation from yesterday, tops being nominally quoted around \$7, although a small supply was moved yesterday at a dime more. There was less favorable quality among the offerings of hogs in the local market today, and this was one of the reasons why killers held back. Hog market situation in the east was steady to higher this morning. Market for cattle is quiet. There was only a small run in the yards overnight and no special change in the situation was shown at North Portland. Real good stuff is generally quoted at \$6.75 for tops in the steer division with fancy cows, as well as poor stuff somewhat slower. In the east today there was a steady to easier tone in the cattle market situation. General cattle market range: Select steers ..... \$ 6.75 Best hay fed steers ..... 6.50 to 6.55 Good to choice ..... 6.00 to 6.25 Ordinary to fair ..... 5.00 to 5.75 Best cows ..... 4.75 to 4.75 The mutton market is the one bright spot in the local livestock situation. Offerings overnight at North Portland were scant. The market is generally considered favorable by receivers at full values attained yesterday. Mutton market was steady to higher priced in the eastern yards this morning. General mutton and lamb prices: Select interior lambs ..... \$7.25 to 7.35 Ordinary interior lambs ..... 6.50 to 7.00

PORTLAND, Ore., Oct. 25.—Frank Meneffe, president, and F. M. Lemonn, sales manager of the United States Cashier company, were sentenced in the federal court this morning to serve one year and 10 days at McNeil Island. B. F. Bonnewell, H. M. Todd and O. E. Gernert, stock selling agents, and Oscar Campbell, a director, were sentenced to serve four months in the county jail. The men were under conviction of having used the mails to defraud in a stock selling campaign for the United States Cashier company, which proposed to manufacture and sell a machine designed to pay out specific amounts of money by the operation of keys and levers. Approximately \$1,000,000 was obtained from about 2500 people for the stock, in the selling of which it was shown that misrepresentations were used. The men have until December 1 to prepare bills of exceptions and perfect their appeals.

## PORTLAND CATTLE MARKET IS QUIET ONLY 79 HEAD OF HOGS ARE DISPOSED OF DURING SATURDAY.

These were of poor quality and did not bring top prices. Receipts for the day were: 371 hogs, or 4 cars. The receipts for the week were: 1807 cattle, 83 calves, 3520 hogs and 3586 sheep, a total of 182 cars. Sales this morning follow: Wgt. P. R. L. & P. REPORTS LOSS SALEM, Ore., Oct. 22.—The Portland Railway, Light & Power company had a deficit of \$8417.22 as a result of operations during the year ending June 30, according to the annual report filed late yesterday with the state public service commission. With its annual report to the commission, the corporation filed a copy of its report to the stockholders for the year ending December 31, 1914. This report gave as reasons for the unsatisfactory financial showing competition of the Northwestern Electric company, competition of jitney automobiles and motor buses, and a continuation of quiet business conditions. Similar trend is shown here for ordinary creamery butter at the prices quoted. Practically all butter offerings are moving well with former established prices holding. Leading interests agree that no immediate change in values may be looked for. Foreign demand for butter is keeping the eastern trade in fair condition although the recent sharp advance there was followed by a decline. The market for cows continues most depressed with dairy stuff almost being given away. The market for butter is showing a very good tone locally as well as in other Pacific slope sections. For first class creamery product the price is generally maintained and although occasional surplus supplies are shown, these are by no means bothersome and are probably cleaned up within the next 21 hours. While showing no price change, the market for cattle is dull and weak at North Portland. There was a fair run overnight in the local yards but the trade started very slow, in fact nothing was sold early in the day. ## COUNTRY'S BUSINESS IS DECLARED GOOD

SAN DIEGO, Cal., Oct. 25.—An optimistic view on business conditions throughout the east and a prediction for big business on the Pacific coast came up in the statements made today by D. T. McCabe, third vice-president of the Pennsylvania railroad lines west of Pittsburg, who is here with his wife and party visiting the Panama-California exposition.

McCabe referred to the steel and iron industries, saying that all plants in the east were running full blast and that these industries acted as barometers for other concerns. The visitors spent yesterday morning about the city and were impressed with Point Loma. They are at the exposition today and will return east in their private car tomorrow.

## HOG PRICES REMAIN UNCHANGED IN STATE

PORTLAND BUTTER MARKET HAS GOOD TONE—EASTERN TRADE IS GOOD.

UNION STOCK YARDS, Portland, Ore., Oct. 22.—Market for hogs held practically unchanged today at North Portland with sales as high as \$7.10 and the bulk of the good stuff moving around \$7.05. These prices were maintained at North Portland despite the fact that the market of swine is increasing here instead of showing a decrease and that eastern prices have suffered severely. General hog market: Best light ..... \$7.00 to 7.10 Medium light ..... 6.75 to 6.85 Good to heavy ..... 6.50 to 6.75 Rough to heavy ..... 5.00 to 5.75 There was a good run of lambs in the market at North Portland overnight. Six loads arrived from a Columbia river section. These consisted entirely of lambs with the exception of one lone ewe. The lambs sold at \$7.05. Higher prices would have been paid for tops if they were graded out but the sellers preferred to sell the entire bank in a bunch. General mutton and lamb prices: Select interior lambs ..... \$ 7.25 Ordinary interior lambs ..... 6.50 to 7.00 Willamette valley lambs ..... 6.00 to 7.00 Select yearlings ..... 6.25 Select ewes, light ..... 5.25 Old wethers ..... 5.25 to 5.50 While showing no price change, the market for cattle is dull and weak at North Portland. There was a fair run overnight in the local yards but the trade started very slow, in fact nothing was sold early in the day. ## BIG LEAGUERS LOSE SATURDAY'S GAMES

HARVARD, YALE AND DARTMOUTH ELEVENS ARE AMONG THOSE WHO ARE DEFEATED.

Cornell beat Harvard, 10 to 6, before a big crowd in the Cambridge stadium; Yale fell before W. and J., 14 to 7, and Dartmouth was defeated by Princeton, 30 to 7. ## NO CHANGE NOTED IN LIVESTOCK SITUATION

KILLERS TAKE HOLD OF SWINE OFFERINGS SOMEWHAT MORE FREELY, HOWEVER.

UNION STOCK YARDS, Portland, Ore., Oct. 27.—There was no change in the general livestock situation at North Portland overnight. Receipts of hogs continued liberal and sales were again made at \$7 for tops, the same price as yesterday for similar quality. Killers took hold of the swine offerings somewhat more freely today and early sales were made at the top, quality considered. Eastern markets had a tinge of weakness in the swine trade for the day. General hog market: Best light ..... 7.00 Medium light ..... 6.75 to 6.85 Good to heavy ..... 6.50 to 6.75 Rough to heavy ..... 5.00 to 5.75 Continued quiet is shown in the market for cattle at North Portland. There was only a limited run in the yards overnight with no top quality available. For quality offerings the market continues in fairly good shape but depression is generally the rule for off-grade stuff. Select steers ..... \$ 6.75 Best hay fed steers ..... 6.35 to 6.50 Good to choice ..... 6.00 to 6.25 Ordinary to fair ..... 5.00 to 5.75 Best cows ..... 4.00 to 4.75 Good to prime ..... 4.50 to 4.80 There was no fresh arrivals of mutton in the yards at North Portland overnight. Some left over ewes were sold with stale holdings bringing \$5. Tops in the lamb division continue extremely scarce with killers still inclined to offer full values. General mutton and lamb prices: Select interior lambs ..... \$7.25 to 7.35 Ordinary interior lambs ..... 6.50 to 7.00 Willamette valley lambs ..... 6.00 to 7.00

## BEAVERS END IN CELLAR

BOTH GAMES PLAYED LAST DAY OF SEASON LAST.

Pacific Coast League. Won Lost Pct. San Francisco ..... 118 89 .579 Salt Lake ..... 108 89 .548 Los Angeles ..... 110 98 .529 Vernon ..... 102 104 .495 Oakland ..... 93 113 .451 Portland ..... 78 116 .402 LOS ANGELES, Cal., Oct. 25.—Portland's miserable looking baseball team expired with the Coast league season yesterday and Manager McCredie says few of the players will be retained next year. The last day showing of the Beavers was in accordance with the work of the club all season. They lost both games, 5 to 4 in the morning and 5 to 1 in the afternoon. Evans pitched the first game, Lush started the second and Kahler finished it. McCredie tried several bushers on his club, but stated that he would not keep any of the bunch that played yesterday. He also says that he will keep few of his regulars. In fact Mac jumped up in the air and clicked his heels together when the last man was out in the ninth inning yesterday. Irritable Children Often Need Kickapoo Worm Killer. There is a reason for the disagreeable and fretful nature of many children. Think of the unrest when the child's body is possessed by tiny worms sapping its vitality and clogging its functions. Whatever may be the cause—"that children have worms is a fact." Your child's peevishness and irritability has a cause. Give Kickapoo Worm Killer a chance and if worms are there this humanly harmless remedy will eliminate the annoying parasites. 75c a box. (Adv.)

## CHARLTON IS GUILTY; HAS MONTH TO SERVE

LAKE COMO, ITALY, WAITS 5 YEARS FOR TRIAL.

LAKE COMO, Italy, Oct. 23.—Porter Charlton, an American, was found guilty here today of murdering his wife, formerly Mary Scott Castle of San Francisco. He was immediately sentenced to six years and five months imprisonment. As Charlton has already served six years and four months he has only one more month to serve. Charlton was accused of beating his wife, formerly Mary Scott Castle, to death and throwing her body inside of a trunk into Lake Como. The charge against him was that of "unpremeditated murder," the maximum penalty for which is 25 years. Charlton had served but five years and four months imprisonment, but a year was shaved off his term at the beginning of the war by royal decree. The royal decree affected all prisoners. After the verdict of guilty was returned, the prosecutor asked that Charlton be sentenced to seven years and six months imprisonment, but the presiding judge refused to comply with the request. Charlton is the son of former Judge Paul Charlton, of the Porto Rican courts. He was 21 years old when he committed the crime, on June 5, 1910. The body of his wife was found four days later in a trunk in Lake Como. He fled and was arrested as he stepped from the steamer in Hoboken, N. J., remaining in jail for three years before he was extradited. Mrs. Charlton was 30 years his senior. They were married secretly at Wilmington, Del., three months before he killed her. Charlton represented his wife was an extremely irrational woman, highly excitable, dissolute and insanely jealous.

## 12 GIRLS AND 1 MAN DIE IN FACTORY FIRE

PITTSBURG, Oct. 25.—Thirteen persons were killed and eight injured by a fire in a four-story building, the upper floors of which were occupied by the Union Paper Box company, on the North Side here, this afternoon. Of the dead all were young women employed by the company except one, Mayor Joseph G. Armstrong at once ordered that the police, city council and the coroner make thorough investigation of the fire. The flames started in a pile of straw in the rear of the feed store of James Brown & company, on the first floor of the building. William C. Kimbel, general manager of the box factory, at once went to the third and fourth floors and warned the girls employed there. The flames gained headway so rapidly, however, that escape by means of stairways and fire escapes was soon cut off. Joseph L. Bash and Z. J. Seagle, employed on the second floor of the building, were about to jump, when they were attracted by the screams of girls in the window above. The men told the girls to jump. One by one, as the girls leaped, Bash and Seagle caught them, lowered them as far as they could and let them drop to the sidewalk. C. R. Carlisle, driver of a transfer wagon, drove his wagon into an alley in the rear of the building and threw up a rope to girls in a window above. Making one end fast, they slid down the rope to safety.

## ALL DEALINGS WITH JASON MOORE DROPPED

STATE LAND BOARD WILL GO NO FURTHER UNTIL LEESEE CLEARS HIS RECORD.

SALEM, Ore., Oct. 23.—The state land board held a meeting today and decided to go no further in its dealings with Jason Moore, lessee of Sumner and Albert lakes, until he has cleared his record. The board is opposed to proceeding with the contract matters it reported charges remain uncontroverted. Certain charges, said to come from detectives, were brought at a recent meeting of the board by Governor Withycombe regarding Moore's record. These were referred to Attorney General Brown for an investigation as to their truthfulness but no report has yet been made. Today it was decided to ask C. A. Sheppard, of Portland, counsel for Moore, to come here Monday for a conference relative to the charges. The meeting today was called as a result of a telegram from Moore, received yesterday, in which he stated that his backers were willing to supply cash or securities until a test of the mineral products of the lakes was made, and offering to personally pay the board \$4000 as a guarantee that within six months he would post satisfactory securities in the sum of \$15,900 or forfeit the same if not satisfactory.
