UNION STOCK YARDS, Portland, Ore., Oct. 28.—There was a soft spot in the hog market at North Portland today. With the bulk of the arrivals coming direct to a local meat company on contract from its country buyers at \$6.90 for tops, this price was considered about the extreme for offerings today although a handful of small stuff went over the scales at \$7, the recent high mark.

Probable Receipts—Probable receipts of said Road District from sources other than direct taxation upon real and personal property for the ensuing year, \$5000.00

Market for hogs again showed weakness in the eastern trade this morning with values generally quoted fractionally off.

Subscribed by three resident freeholders of said district and by the road supervisor of said district this 16th day of October, 1915.

Three loads of cattle and calves from Warrenton, passed through the North Portland yards today en route to the interior. The shipment was made by George Warren of Warrenton and was going to George Dixon at Prineville. The only other arrivals aside from a small shipment from the Willamette valley, which was from the very section to which these cattle and calves are going.

E. P. DEDMAN, H. LONGCOY, W. T. JOHNSTON, Freeholders. T. A. ROOTS, Road Supervisor Road District No. 2

General conditions in the cattle market are quiet around former quotations.

Notice of Road Budget Meeting.

With a record showing of swine supplies on the market today, trading at North Portland was extremely quiet at the opening of the week. At 11 o'clock there had scarcely been any buying, according to officials reports coming from the yards. Killers were trying to get supplies for less because of the immense offerings, but receivers were holding back.

Notice is hereby given that, pursuant to Chapter 234, General Laws of Oregon, 1913, and Chapter 222, General Laws of Oregon, 1915, a meeting of the legal voters of Road District No. 1, Clackamas county, Oregon, will be held at Wichita schoolhouse, in said district on the 13th day of November, 1915, at the hour of 8 o'clock p. m., for the purpose of considering the following estimates of the amount of money to be raised by special tax in said district for the ensuing year.

General hog market: Best light \$6.65to6.75 Medium light 6.50to6.60 Good to heavy 6.00to6.25 Rough to heavy 5.00to5.50

Roads and Highways—Improvement of macadam asphalt bond Sunnyside Road, 3/4 mile, \$3300; improvement of macadam asphalt bond Ardenwald Road, 1/2 mile, \$2200; improvement of macadam asphalt bond Wichita to Errol road, \$2200.

Unexpected strength was shown for cattle in the North Portland trade at the week's opening and sales were made about a dime higher than last week for similar quality. There was another small showing of cattle compared with former Monday markets and this brought out heavy bidding from killers. The result was that practically all offerings were sold early.

Subscribed by three resident freeholders of said district and by the road supervisor of said district this 19th day of October, 1915.

Total arrivals of mutton and lambs at North Portland over Sunday were not sufficient to thoroughly test the situation here.

O. J. MCKENNEY, M. E. GAFFNEY, C. M. RICHARD, Freeholders. S. L. MULLAN, Road Supervisor Road District No. 1

All told only 252 head arrived, compared with the nominal showing of 296 head last Monday and 1750 a year ago.

Summons.

Entire mutton market is a mass of strength with prices seemingly well maintained.
