### Praise Lydia E. Pinkham's Vegetable Compound

Women from the Atlantic to the Pacific, from all sections of this great country, no city so large, no village so small but that some woman has written words of thanks for health restored by Lydia E. Pinkham's Vegetable Compound. No woman who is suffering from the ills peculiar to her sex should rest until she has given this famous remedy a trial. Is it not reasonable to believe that what it did for these women it will do for any sick woman?

### Wonderful Case of Mrs. Crusen, of Bushnell, Ill.

BUSHNELL, ILL.—"I think all the trouble I have had since my marriage was caused by exposure when a young girl. My work has been housework of all kinds, and I have done milking in the cold and snow when I was too young to realize that it would hurt me. I have suffered very much with bearing down pains in my back and such miserable pains across me, and was very nervous and generally run down in health, but since I have taken Lydia E. Pinkham's Vegetable Compound my back never hurts me, my nerves are stronger, and I am gaining in health every day. I thank you for the great help I have received from your medicine, and if my letter will benefit suffering women I will be glad for you to print it."—Mrs. JAMES CRUSEN, Bushnell, Illinois.

### A Grateful Atlantic Coast Woman.

HOBOKEN, N. J.—"I feel it a duty I owe to all suffering women to tell what Lydia E. Pinkham's Vegetable Compound did for me. One year ago I found myself a terrible sufferer. I had pains in both sides and such a soreness I could scarcely straighten up at times. My back ached, I had no appetite and was so nervous I could not sleep, then I would be so tired mornings that I could scarcely get around. It seemed almost impossible to move or to do a bit of work and I thought I never would be any better until I submitted to an operation. I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman. I had no pains, slept well, had good appetite and was fat and could do almost all my own work for a family of four. I shall always feel that I owe my good health to your medicine."—Mrs. HAYWARD SOWERS, Hodgdon, Maine.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health. Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

## MILWAUKIE SCHOOL BUILDING CROWDED

MILWAUKIE, Ore., Nov. 18.—The Milwaukie grammar and high school had an enrollment of 260 pupils as against 236 at the same time last year. In the high school classes there are 77 students as against 52 last year. There will be 17 more in the high school after February, which probably will necessitate erection of another portable building. The primary classes are crowded, too, there being 36 in one class, one-half coming in the forenoon and the other half in the afternoon. The district employs 17 teachers.

The domestic science class, Miss Blanche Jeffrey teacher, plan an exposition the week before Christmas in sewing and millinery. The boys of the manual training department are building a library case for the school library. Both the domestic science and manual training departments are filled to capacity and cannot take more students.

## MILWAUKIE WATER PLANS ARE ACCEPTED

MILWAUKIE, Ore., Nov. 11.—Completion of the distribution system of the Milwaukie water system now will be undertaken. Bids will be received for the work according to the plans and specifications prepared by City Engineer J. W. Morris, which were accepted at the meeting of the council last night. A standpipe will be erected in Minthorne, the eastern portion of the town.

The injunction restraining Milwaukie from construction of this municipal water plant was dissolved as far as construction work is concerned by Judge Campbell, but the injunction against the furnishing of Bull Run water stands for 90 days to enable the Milwaukie Water company to appeal the case to the supreme court.

### SUIT IS THREATENED

MILWAUKIE, Ore., Nov. 11.—Milwaukie is threatened with a suit for damages by J. Anderson, who lives near Errol Heights, where the Bull Run pipeline that is to supply Milwaukie connects with the Portland system. He charges that the water leaked and flooded his yard, where he had some strawberries and also kept the road in front of his house so wet that he could not get in wood. He further charges that the dampness caused his wife to have rheumatism. He demands \$150 damages. However, the council refused to pay the bill, alleging that the claim is too high. City Engineer Morris says there was some leakage and some damage done to Mr. Anderson's property, but not the amount claimed.

### PUBLIC MARKET INDORSED

MILWAUKIE, Ore., Nov. 16.—The Milwaukie Grange indorsed the Portland public market at its last meeting and adopted resolutions favoring the continuance of the market. It was set forth that the grange was called upon to assist in the establishment of this market and finds that it has been helpful in affording them a cash market. Military training in the schools was favored as a means of preparedness for self-defense, and not for war.

### Work Baskets Used 50 Years

CONCORD, Ore., Nov. 17.—Editor of the Enterprise)—Among the items from Molalla published in the Enterprise of the 16th, I notice Miss Sawtell is using a willow clothes basket woven by Mrs. Dibble twenty-five years ago. It might be interesting to some of the older residents of Molalla to know that my daughters, Mrs. Whipple, of Canby, Ore., and Mrs. Drury, of this place, each have a willow work basket woven for me more than fifty years ago by Mrs. Dibble's mother, Mrs. Sturgis.

## ESTACADA STOCK IS BOUGHT BY CANBY MAN

ESTACADA, Ore., Nov. 17.—C. E. Lucke, of Canby, undoubtedly has established a record for individual livestock buying in Oregon, having purchased, loaded and shipped 26 carloads of hogs and cattle from Estacada, Canby and Molalla during the 26 working days in October.

Two carloads were shipped from the Estacada yards this week, making a total of 27 cars from these yards in the past 11 months.

### ESTACADA WANTS MORE FISH

ESTACADA, Ore., Nov. 18.—Petitions are being circulated by members of the Estacada Rod and Gun club and others, asking the state fish and game commission to increase the capacity of the present Eagle creek trout feeding ponds from 400,000 to 1,000,000 fish.

### FRUIT SENT BY MAIL

ESTACADA, Ore., Nov. 11.—E. Lacey, of Springfield, delivered at the Estacada postoffice, Wednesday noon, 863 pounds of dried prunes and apples, for shipment to various points. The fruit was packed in 25-pound sacks, entailing a postage cost of \$18.96. Mr. Lacey finds that the parcel post, with its delivery direct to the consumer, offers a better means of delivery than either freight or express.

## CLACKAMAS TAXPAYERS MEET

CLACKAMAS, Ore., Nov. 15.—A meeting of the taxpayers of the Clackamas road district was held at the garage hall Wednesday night to consider a budget for road improvements. After considerable discussion a budget carrying \$4500, necessitating a 10-mill tax and providing that a half mile of bound macadam road should be built on each of the three roads leading out of Clackamas—The Oregon City road, the Baker's bridge road and the Milwaukie road—was adopted, and will be submitted to the voters of the district at an early date.

## SANDY ELECTION DECEMBER 6

SANDY, Ore., Nov. 11.—The council met last night and made provisions for the city election, which will be held Monday, December 6. Judges are H. H. Thomas, Fred Glocker and P. H. Gray and Carl Shetterly is clerk. As the registration law of 1913 has been declared unconstitutional and the new law does not go into effect until January 1, 1916, it will not be necessary to register in order to vote this year. It is only necessary that the voter should reside in the state six months and the city 30 days prior to the election. A warm contest is expected this year.

## 2000 BOOKS WILL BE SENT TO 135 SCHOOLS

Two thousand books, costing the state between \$1200 and \$1300, arrived at the office of County Superintendent of Schools Calavan this week for distribution to the 135 schools of the county. The books are purchased through the state librarian and distributed according to the population of the districts. Of the books received here, a few are fiction, but by far the majority are history, travel and text books. Oregon City received more books than any other district in the county, their cost totaling \$160. Books for the Oregon City schools are shipped direct to the school.

## NEITHER ESTACADA OR OREGON CITY IS ABLE TO CROSS LINE

### CHAMPIONSHIP OF COUNTY IS NOT SETTLED—SECOND GAME IS PROPOSED.

One of the fastest games witnessed in Oregon City in years between high school teams was played on Canemah field Saturday afternoon between Oregon City and Estacada for the championship of Clackamas county. Neither team was able to score.

The Estacada team was the lighter, but made up what it lacked in weight in playing ability. Unlike many high school games, there was no loss of time and both eleven, working in the season's best form, had the snap and life which made the contest decidedly interesting.

Twice during the game the Oregon City line was able to get dangerously near the Estacada goal, but in both of the critical moments, the east Clackamas team secured the ball and punted it out of danger.

The Estacada team, accompanied by a large crowd of supporters, came to the county seat in two special cars. The game was not over until after dusk had made playing difficult and the train of Estacada fans left a few minutes before 7 o'clock.

An attempt will probably be made to secure a return game between Oregon City and Estacada, as they are the only two contenders for county football honors.

In a preliminary game, the Oregon City high second team defeated Milwaukie high school 31 to 0.

The Oregon City lineup follows: C., Madison; R.G., John Rayle; L.G., Roake and Harold Nash; R.T., Myrtle Young; L.T., John Beattie and Hughes; R. E., Nedai Sullivan; L. E., Sam Fins; Q. M., Mike Myers; R.H., Miller and Mass; F., West and Milliken; L.H., King and Burke.

## GERMAN PUBLISHER IS VEREIN SPEAKER

Gustav Schnoor, president of the Deutscher Verein gave the opening address at the meeting of the organization in Knapp's hall Sunday afternoon. The members then sang the opening song which was followed by a German solo by Oscar Lawrence Woodfin. Mr. Woodfin responded to hearty cheers.

Mrs. P. J. Winkle and daughter, Miss Clara, of West Linn gave a piano duet and Frank Busch Sr., was heard in an interesting talk. A vocal trio by Miss Augusta Hopp, Carl Schout and Albert Hopp pleased the audience. Mr. Winkler of the German Publishing company, Portland, was introduced and gave a few timely remarks. Mrs. Winkle and her daughter sang a duet and Richard Petzold gave the closing address.

Following the program, a reception, attended by 100 persons, was given.

During the winter months, the meetings of the Deutscher Verein will be held in Knapp's hall and again in the summer Schnoor's park will be the favored spot.

## W. V. S. MUST GET TITLE TO PROPERTY

Circuit Judge Eakin Monday gave the Willamette Valley Southern 30 days in which to bring a condemnation suit against Roy Clark to secure title to its right of way in the northern end of town where the road leaves the trestle and begins to follow up the canyon of the Abernathy. The case was argued before Judge Eakin several months ago.

Judge Eakin held that the railroad did not have the consent of the owners to lay its track across the property and ordered the company to take up its track. The decree, however, provides that execution shall be stayed if the defendant within 30 days starts proceedings to condemn and diligently prosecutes the same.

The Stanfield Optimist's latest issue was brought out by students of the Stanfield high school.
