DENMARK NOT TO ALLOW MEETINGS FORD DELEGATES

STRIKE UNSETTLED ABOARD THE PEACE SHIP AND SPLIT IS STILL POSSIBILITY.

ESPIONAGE IS CHARGED BY ONE FACTION ON STEAMER, OSCAR II

Rumor Says Leading Delegates Are Objects of Spies and Considerable Ill-feeling is Caused by This Belief.

CHRISTIANIA, Dec. 20.—Henry Ford has received information that he will be prohibited from holding meetings in Copenhagen, it was learned today. He will go there, however, to select the delegates to accompany his peace party to The Hague. Mr. Ford expects to go to Copenhagen in a week. The newspapers, in commenting editorially on the Ford peace mission, express little hope for the success of it. Although S. S. McClure has consented at the request of Henry Ford to stay with the party, Judge Ben B. Lindsey, Mrs. Lindsey and other of the secessionist group are still undecided. Except for his intervention with respect to Mr. McClure, Mr. Ford is not having anything to do with the conduct of the party except the important part of footing the bills. The trip so far has cost Mr. Ford \$125,000. The Ford purse strings have been loose indeed. Even the stokers on the Oscar II were tipped. The bills are being settled for Mr. Ford by his agent Louis P. Lochner, who with Frau Rosika Schwimmer, is really running the expedition, so far as it is being run at all. In the last days aboard ship the peace questers were upset by two things: First, there was an attempt to establish a curfew for the delegates, and, although this met with much support, Mr. Lochner intervened and squelched it. Next came a well-circulated report that a system of espionage had been established as to the doing and sayings of the leading delegates. Considerable ill feeling was caused by this. On the whole the expedition totally lacks organization and the delegates may be said to be on their way, but don't know where they are going.

FORD IS DECLARED GREATER THAN HOBSON

EPWORTH LEAGUE DEBATERS END TALKS WITH VOTE WHICH STOOD 24 TO 21.

Henry Ford was Sunday night voted as a more valuable citizen of the United States than Richmond Pearson Hobson, by the young people attending the Epworth league meeting at the First Methodist Episcopal church. The league had a meeting out of the ordinary, it being a debate between two high school students on the question: "Resolved, that Henry Ford is a more valuable citizen to the United States than Richmond Pearson Hobson." The affirmative was taken by Hoeve and the negative by Kent Moody, and the two young men carried their sides through in so convincing a manner that when the vote was taken with 45 persons voting, the affirmative received 24 and the negative 21. A special musical number was given by the Junior Epworth league, rendering "Holy Night" with violin accompaniment by Miss Dorothy Hawkins.

STATION MAN SHOTS MULTNOMAH ROBBER

MAN IN PORTLAND HOSPITAL REFUSES TO REVEAL IDENTITY FOR FAMILY'S SAKE.

PORTLAND, Ore., Dec. 21.—While going through the till of the Oregon Electric railway station at Multnomah station, an unidentified burglar was shot and seriously wounded by J. D. Stewart, night telegraph operator for the company, shortly before 4 o'clock this morning. The burglar fired several times at the operator. The man is now at the Good Samaritan hospital with one bullet hole through his right lung and two bullet holes through his arm. The stranger was conscious this morning, but he steadfastly refused to give any information concerning himself. Officials working on the case believe he is the man who robbed a number of places along the Oregon Electric railway line in Washington and Multnomah counties recently. The shooting came after the burglar had thrown a brick through the window of the station to attract the operator's attention and get him out of the building. The operator got out but went to his home nearby, secured his revolver and returned to the station in time to see the robber before the open till. Stewart fired at the man four times.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: J. C. HENNEY & CO., Toledo, O. Sold by all Druggists. Take Hall's Family Pills for constipation.

SOCIETY GIRL SENDS TELEGRAM ON DARE

JACK BERNARD WHO FORCED HIS ATTENTION ON PORTLAND GIRL HAS RECORD.

SAN FRANCISCO, Dec. 21.—If the dashing "Jack" Bernard, taken into custody on mere suspicion at the Fairmont hotel last Sunday, returns to police headquarters to get \$25 in gold, which he left there as bail money, he will be asked about the following puzzling message addressed to him at the Fairmont by Miss Alberta Bair, daughter of C. M. Bair, Portland millionaire, which the police intercepted: "Have been patiently awaiting your arrival. So disappointed to find you are not a man of your word. Wire me if you intend to come. You will try, won't you?" A second message regarding Bernard was received by the police from Scotland Yard in London, giving the man's English police record. But while he has a record, he is not wanted for anything other than Miss Bair.

GENERAL VILLA IS HIDING IN EL PASO

FALLEN MEXICAN REBEL CHIEF AND BROTHER SEEK REFUGE IN UNITED STATES.

EL PASO, Tex., Dec. 20.—Colonel Hapolito Villa, with his office force of the financial agency of the Villa organization at Juarez, crossed into the United States here tonight. General Villa himself, it was said on good authority, also had crossed and was in hiding somewhere in the outskirts of the city. Villa soldiers in Juarez have not yet been informed of the peace agreement with the defacto government. It was said, for fear trouble would arise due to the lack of silver to meet their allowances. Efforts to locate General Villa here tonight proved unavailing.

PLOT AGAINST CANAL AT PANAMA SUSPECTED

FEDERAL AGENTS STUDY DETAILS OF BOMB PLOTTERS—TRUNKS ARE SEIZED.

New York, Dec. 21.—Federal agents investigating the activities of the German bomb plotters today were declared to have unearthed evidence tending to show that the Panama canal was included in the contemplated points of attack. Captain Offly, of the secret service, virtually admitted this today, adding that arrests might be expected soon. Federal District Attorney Marshall will today begin investigations of a widespread plot to smuggle crude rubber out of New York for the German government use. Details of the plot became public last night. It involves the shipment of rubber in the personal baggage of German agents leaving New York for Rotterdam. At that point a representative of the German government was to meet the passengers, take over their baggage and ship it overland into Germany, where rubber is in great demand. Officials of the customs house neutrality squad ran across the plan and on November 27 seized four trunks and eight packing cases shipped on the steamer Ryndam, sailing that day, as the personal baggage of Miss Anna Dekkers. Search of the baggage revealed the presence of 3500 pounds of crude rubber. Miss Dekkers has confessed her part in the scheme. Max Jaeger, a naturalized American citizen, who is alleged leader of the plot, also made a confession, and Richard Wohlburg, who acted as a go-between in the purchase of the rubber, has made a statement detailing his part in the transaction.

GOVERNMENT WANTS 3000 MEN IN ALASKA

LABORERS NEEDED TO WORK ON FEDERAL RAILROAD PROJECT IN TERRITORY.

SAN FRANCISCO, Cal., Dec. 16.—Between 2000 and 4000 men will be needed on the construction of the government railroad in Alaska next spring, said W. S. Eades, one of the Alaska railroad commission, today. Eades is en route to Washington for a conference with Secretary of the Interior Lane and Thomas Riggs, another member of the commission. Lieutenant Mears, third member of the commission, is in Alaska, and will not attend the coming conference. Congress, in its bill providing for the construction of 1000 miles of steam road, fixed a maximum cost of \$35,000,000. To the present time \$3,000,000 has been spent, 470 miles of the route surveyed from Anchorage, on Cook's Inlet, 15 miles of track laid and 75 miles of the Alaska Northern railroad track purchased.
