# CREST OF FLOOD SOMETIME TODAY

UPPER RIVER IS FALLING, BUT BACK-WATER FROM COLUM-BIA IS FEARED.

### OVER THOUSAND MEN ARE LAID OFF BECAUSE OF RIVER CONDITIONS

Supply of Sulphite at Crown Willamette Plant Runs Low and Paper Machines Shut Down-Road at Parkplace Flooded.

Every machine in the Crown Wilamette Paper company, the Hawley Pulp & Paper company and the Oregon City Woolen Mills is shut down and more than a thousand men are laid off as a result of the flood stage of

the Willamette. A new element has entered the situation that may result in higher water than expected, according to the mill men. The rising of the Columbia, coming as a result of the thaw in the basin of that stream, may back the more feet, still further reducing the head of water at the falls.

Upper Willamette Falling. The Crown Willamette company received reports from up-river points Wednesday showing that the river at of 4.5 feet during a 24-hour period. At Albany the river went down six feet,

The river above the falls here Wed nesday stood 64.6 feet above zero, and

falls at 65.2. A study of the river readings and of weather conditions lead mill officials ably will go up several feet more.

Mills Shut Down. At the mills of the Crown Willam wet machines have been shut down.

The supply of sulphite pulp has run low, and these conditions prevent grinding more. The water is almost called that several years ago he sent up to the main drive belt at the woola check for \$93 to Mr. Mass, then shera check for \$93 to Mr. Mass, then sher-iff and tax collector, through a mis-take when the sum due the county was \$73. Mr. Mass returned the extra \$20.
Mr. Lynch has not made up big mind work. At noon the spooling and dressing rooms were closed and at 2 o'clock

the entire plant was shut down. At the Hawley Pulp & Paper com pany the sulphite mill is shut down for repairs, but No. 2 and No. 3 paper machines were down early Wednesday on accout of high water. All the plant was shut down Wednesday night.

Parkplace Road Flooded. The whole country around Parkplace Mary L. Farnum Tuesday filed a suit is under water. There is four feet of in the circuit court against A. R.
