Must Advertise For Water Works Bids

MILWAUKIE, March 16.—(Special)—The city council of Milwaukie is up against the proposition of again advertising for bids for the construction of the proposed new water system, the successful contractors, Giesbach & Joplin, through their agent, Jack Aldon, announcing to the council at its meeting Tuesday night that they refused to go ahead with the contract, which they were awarded some three months ago. The council immediately decided to re-advertise for bids, the same to be on file by Saturday night of this week. Giesbach & Joplin advised the council that their refusal to go ahead with the contract was due to the decided rise in the cost of material since the contract was first awarded, by work held up by the city owing to the delay in the sale of the bonds and the settlement of the suit with the Milwaukie Water company.

Stephen Carver Asks Extension of Time

MILWAUKIE, March 16.—(Special)—Owing to the inability of the Portland & Oregon City Railway company to complete the construction of its interurban electric line from Oregon City to Portland within the time limit allowed in the franchise granted by the city council, an extension of time for six months is asked in a petition filed in Portland with City Commissioner Daly by Stephen Carver, president of the company.

Under the Portland franchise the company has until May 1 of this year to complete its line. Had weather and delays in getting common user rights from the Portland Railway, Light & Power company, the North Bank and the O.W. R. & N. are given as the reasons for the delay in finishing the work.

Bowen, Jimp, Ga., writes: "I had a terrible attack of lagrippe, aches and pains all over my body, and a dry hacking lagrippe cough. MILWAUKIE, March 16.—(Special)—That the 5-cent hot lunches being served at the Milwaukie schools each noon by Mrs. Bassett, in behalf of the Milwaukie Parent-Teacher association, are meeting with splendid success and are greatly appreciated by the students is apparent from the patronage which they are being accorded. Over 70 students and teachers are partaking of the lunches each day, and the money so received is more than paying the expense. The lunches, while not elaborate, are sufficient and appetizing and daintily served.

Why Suffer With BACKACHE, KIDNEYS OR RHEUMATISM NOW?

Letter Tells of Wonderful Prescription. Dear Reader—If I can do any good in the world for others, I wish to do it, and I feel that it is my duty to write about the wonderful results I received from the use of "Anurie." I was suffering from kidney and bladder troubles, swelling, backache and rheumatism, and was unable to walk without assistance. Had taken several different kinds of kidney remedies but all failed. I sent for a box of Dr. Pierce's newest discovery, "Anurie," which I received by mail in tablet form. I soon got better and am convinced that this popular new medicine is good. I wish to recommend it to my neighbors and everybody suffering from such troubles. Mrs. M. J. BASSSETT.

NOTE: You've all undoubtedly heard of the famous Dr. Pierce and his well-known medicine. Well, this prescription is one that has been successfully used for many years by the physicians and specialists at Dr. Pierce's Invaluable Hotel and Surgical Institute, of Buffalo, N. Y., for kidney complaints, and diseases arising from disorders of the kidneys and bladder troubles, swelling, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, seeding urine, and urinary troubles.

Up to this time, "Anurie" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing Tablet, Doctor Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers. Simply ask for Doctor Pierce's Anurie Tablets. There can be no imitation. Every package of "Anurie" is sure to be Dr. Pierce's. You will find the signature on the package just as you do on Dr. Pierce's Favorite Prescription, the ever-famous friend to ailing women, and Dr. Pierce's Golden Medical Discovery, proven by years to be the greatest general tonic and restorative for any one, besides being the best blood-maker known.

CRYING FOR HELP.

Lots of it in Oregon City, But Daily Growing Less.

The kidneys often cry for help. Not another organ in the whole body more delicately constructed; Not one more important to health. The kidneys are the filters of the blood. When they fail the blood becomes foul and poisonous. There can be no health where there is poisoned blood. Backache is one of the frequent indications of kidney trouble. It is often the kidney's cry for help. Head it.

Jennings Lodge Department

JENNINGS LODGE, March 16.—(Special)—The pleasant spring days are bringing people out from Portland for an outing. Among them coming on Wednesday were Mesdames DeForrest from Washington, D. C., and Mesdames Pierce and Golden of Portland, who with their children enjoyed a picnic on the beach.

The Albert Pierce family will return to make their home here about March 20th after spending six months in Portland. Mr. and Mrs. E. A. Sanders entertained friends on Tuesday evening. Mr. and Mrs. Morse, Mr. and Mrs. McFarlane, Mr. and Mrs. Roberts and Mr. and Mrs. Sanders enjoyed the evening with refreshments and games.

The last regular meeting of the Parent-Teachers' association was a very informal affair. Some dozen mothers attending. Various organizations which our boys and girls are joining and to some extent are detracting from their school work, particularly of the seventh and eighth grades were discussed and talked of. During the week climbing roses and shrubs will be put out along the fence, this to be for Arbor Day. As an evening meeting has been planned for the second Friday in April when Mrs. Trumbull will be the speaker. Two new members joined the association at the meeting on Friday afternoon of last week and Mesdames Heathman and Kassi will now be among our workers. A special feature for the May meeting, when the annual election takes place, is being planned in the association.

Mrs. Rawlins, wife of Captain Rawlins, of Meldrum, has been very poorly during the week. Little Gladys Caldwell was able to attend church on Sunday coming in her wheeled chair and her many little friends and schoolmates were delighted to see her in her class again. Mrs. James Bernard and baby have spent the week on the Batdorf ranch near Albany.

Miss Esther Campbell came down from Eugene university to spend the week end with home folks. Mrs. Julia Miller returned from Salem last week and departed for southern Oregon, where she expected to spend the summer.

The community canvass which began March 15th, resulted far above the expectations of the pastor and those who had arranged the going out two-by-two into the homes of the community. Most everyone responded with a pledge for the community church. And many accepted the personal invitation to attend the Sunday service.

Mr. Miller of Medford, was a visitor at the Chas. Redmond home last week and while at the Lodge learned that the Captain Rawlins family, formerly Medford residents were living here and a delightful day was spent with the captain and his wife and daughter, Mrs. Ella Eades. On Sunday, March, 19th, we are to have illustrated sermons, "The Life of Christ in the Wilderness" is the first of the series and will be given with forty slides. Watch Child's Cough. Colds, running of nose, continued irritation of the mucous membrane if neglected may mean Catarrh later. Don't take the chances—do something for your child! Children will not take every medicine, but they will take Dr. King's New Discovery and without bribing or teasing. Its a sweet pleasant Tar Syrup and so effective. Just laxative enough to eliminate the waste poisons. Almost the first dose helps. Always prepared no mixing or fussing. Just ask your druggist for Dr. King's New Discovery. It will safeguard your child against serious ailments resulting from colds. (Adv.)
