### **Baseball Players** Enthuse--To Improve

OSWEGO, March 23 .- (Special.) --There is no waning of the enthusisam that exists at present over the reorganization of the Oswego baseball club, then the people of this locality are promised some real sport the coming season. There was a good turnout of fans and players at a meeting held in the moving picture thatre Monday night when the enthusiasm ran high and the best of feeling prevailed among everybody. In fact, it is the first time that such a general brotherly recling has existed and it portends nothing but a big time ahead during

The garbage collector was instructed to collect cans and other refuse at the rear of the houses throughout town, especially since the garbage was beginning to accumulate.

One of the chief matters brought to the attention of the council was that of road work in Oswego and what the town might expect in the way of support from Clackamas county. Mayor Wilson reported to the council that he had appeared before the county court in Oregon City and urged the necessity of some immediate action looking to appropriation of funds for such work in and about Oswego, but he had received slight encouragement and he was of the opinion that the town would receive but little consideration from the county.

The next meeting of the council will be held April 6th.
