### MACKSBURG.

MACKSBURG, March 29.—(Special.)—Our entire community was shocked and grieved beyond expression by the sudden death last week of Mr. R. Wallace of Mullino. Mr. Wallace and his family were formerly residents of Maeksburg, where they were so highly esteemed that their removal to Mullino has always been regarded as serious loss to our place. The distressing circumstances of Mr. Wallace's death are known through the last week papers. Though never having been able to throw off the depression consequent upon the loss of his only daughter, Mrs. Klarr less than a year ago Mr. Wallace was working apparently in his wonted cheerfulness so that his failure to appear at the noon meal gave only the impression that something special was demanding his attention. Not until an hour or more had passed was an uneasiness awakened in his family. Then search was promptly made, but when found his vitality had reached so low an ebb that all effort for his recovery was in vain. His funeral, on Saturday, was attended by a large circle of sympathizing friends. We wish to express, through the Enterprise, our deepest sympathy with Mrs. Wallace and her three sons in their great affliction and irreparable loss.

Notwithstanding the heavy rain of the past fortnight, much grubbing has gone on. Many a field that has hitherto presented only tangled jungle to the view, will this year be covered with waving grain.
