UNION STOCK YARDS, Portland, Ore. March 20.-Trade was light at the Portland Union stockyards this STRENGTH OF SHEEP, morning, but at that too prices were paid for hogs, with hardly any hostness in other divisions. After such teachers as desire to partake of the benefits have notified the county ifficials of their decision, it is provided that it shall be the "duty of each hoard River; of education or managing body required by law to draw the warrants r orders for payment of salaries of teachers to deduct and withhold from each month's salary due to such teach-
