LIGHT GUARDS FISH

Would-be violators of the law who attempt to fish at night below the Willamette river falls at Oregon City are likely to get into trouble. A battery consisting of a 1000 candlepower searchlight has been mounted on the point of the island below the falls and is now in use.

"We have had a great deal of trouble with violators of the law there in the past," said Mr. Shoemaker yesterday, "and we intend to put a stop to it. The place has been a favorite one for setting nets at night."

OREGON CITY YOUTH SENDS UNUSUAL PLEA TO BICYCLE MAKERS

LAD WANTS \$40 WHEEL WITH ALL EXPRESS CHARGES PAID SENT TO HIM.

An earnest and unusual appeal for a free bicycle was sent last month by an Oregon City youth to the many manufacturers of Indian bicycles and motorcycles. The letter was forwarded to the Miller-Parke company here and turned over to The Enterprise. The name of the youth, who lives in Oregon City, is withheld. The letter follows:

"Dear Sir:—Will you do me a good favor? The favor is: Please send me that Indian bicycle forty dollars. Remember that you will sell more than 1000 bicycles a year. Please send one without answering anything, just send me one. The reason why I ask you is that I will do you a favor. The boys will ask me where I got the Indian bicycle and I tell them I got it from your factory. I sent off for it. Please send it, pay the express charges, for I haven't any money."

"Please mister, have a heart and send me one free of charge. I was wanting a bicycle about two years ago. Be generous. Send it free of charge and will get some boys to buy a bicycle from you. Send me that \$40 one. And I need a bicycle to go to school for I have two miles to walk every morning."

"I would really be glad to have a bicycle. In years to come I will not forget you. I will buy an Indian motorcycle from you, and I will pay for it. I am only 14 years of age now. Please send me a 22-hp frame. Send it by Wells Fargo Express company and the way the charges yourself. For I haven't a penny of my own. I am so anxious to get it."

THREE COUPLES ARE DIVORCED IN A DAY

MAN WHO CLAIMS WIFE HAS ANOTHER LEGAL HUSBAND WINS DECREE.

A decree separating Andrew Almasie from Pauline Edelman or Pauline Almasie was signed Saturday by Circuit Judge Campbell. They were married September 28, 1915, in Eugene.

He charged that his wife had another legal husband, of whose existence he had no knowledge until weeks after their marriage. He claimed that the existence of the first husband made invalid his marriage to her.

May Cramer Notley was also granted a divorce from Lester Lyle Notley, of Los Angeles, and was awarded the custody of their one child. She charged desertion.

Judge Campbell signed a decree divorcing Johanna M. Gumbert from George Gumbert on the grounds of cruelty. The suit of Edward Nelson against Louis H. Rodion was dismissed and Josef Frolich, who named the county as a defendant in a suit to quiet title, was given a decree.

SPECIAL ELECTION AT CANBY MAY 19

VOTERS WILL PASS UPON \$18,000 WATER BOND ISSUE AND NEW CHARTER.

At a special election to be held May 19, which is also the date of the primaries, the voters of Canby will be called upon to approve or reject a new city charter and a \$18,000 water bond issue. The special election was called at a meeting of the council Monday night.

The proposed charter contains provisions which will permit a municipal owned water system and correct a minor error in the present charter.

The council favors a municipal water plant. The town is now supplied by a plant owned by M. J. Lee. The town is endeavoring to secure a satisfactory offer from Mr. Lee, but if unsuccessful will probably build a system.

M. J. LEE IS SUED BY IMPLEMENT COMPANY

Mitchell, Lewis & Staver company, a Portland implement and farm machinery concern, Friday filed a suit in the Clackamas county circuit court against M. J. Lee to collect \$194.18, alleged to be due as a balance on a note, and \$40 attorney's fees. Mr. Lee, who is well known through the southern end of the county, was formerly secretary of the Clackamas County Fair association and owns the Canby water works. Will Mulvey is attorney for the implement company.

WILLAMETTE HOME IS DESTROYED BY FIRE

The home of Amy Beaudoin of Willamette was completely destroyed by fire Thursday afternoon after a valiant fight by a few of the members of the Willamette volunteer fire department.

Mr. Beaudoin was on his way to work while Mrs. Beaudoin was in Oregon City and could not be located until the house had been destroyed. Nothing was saved, causing a loss of between \$500 and \$600 which was mostly covered by insurance. The origin of the fire is unknown.

HARDING IS "KEYNOTER"

CHICAGO, April 7.—United States Senator Harding, of Ohio, was named today as the temporary chairman of the Republican national convention, which will meet in the Coliseum June 7. He is to be the official "keynoter" for 1916.

E. C. DYE TALKS TO MAPLE LANE GRANGE

APPLICATION OF GOLDEN RULE TO NATIONAL PREPAREDNESS IS DISCUSSED.

The Maple Lane grange at its meeting Saturday afternoon heard E. C. Dye, a local attorney, speak on the subject of "Application of the Golden Rule." Dr. W. T. Milligan, pastor of the First Baptist church of Oregon City, made a short and interesting address. The balance of the time was devoted to a program by the grange which included recitations, songs and a unique guessing contest.

Mr. Dye in his address contended that the Golden Rule should be applied to military affairs and to general business life. He held that under present conditions men were rated almost wholly by their financial standing. "Certain bankers," he said, "by their loan power, keep their communities in line financially, and also control the government, society and other activities, the power of their word being such that they can even conceal crime."

"Similar conditions exist in military life," continued Mr. Dye, "all rights being determined by rank." This was a violation of the Golden Rule, he thought, and added that the government was remiss in not looking into cases more carefully. He cited a number of military cases in which he felt justice had not been done.

In closing his talk, Mr. Dye presented some original ideas on the good roads question. As means by which the farmer could reach the market centers, good roads were invaluable. In military affairs good roads were essential, and they were also avenues by which the people of the country could be brought closer to the culture of the city, he declared.

TEACHERS MEET AT PORTLAND COLLEGE

PRESIDENT FOSTER OF REED COLLEGE TALKS—VOTE OF THANKS IS GIVEN.

The regular meeting of the Clackamas County Schoolmen's club was held at the Reed college in Portland Saturday, the members being the guests of President Foster of that institution.

Luncheon was served at the college to the teachers, after which they gathered in the college chapel. President Foster talked on the historical development of Reed college, illustrating his talk with views of the college buildings throughout the country. The teachers were shown about the college grounds and were given an idea of the work of the institution. A vote of thanks was extended to President Foster by the club.

About 20 members attended the meeting. Among them were C. F. Ronig of Willamette; J. R. Bowland, F. J. Toose, A. O. Freil and V. L. Calavan, of Oregon City; F. B. Gutherie, of Estacada; Robert Goetz, of Milwaukie; C. F. Rose, of Molalla, and George F. Thompson, of Willamette.

The next meeting of the club will be held May 20 at Willamette.

MEETINGS AT CLARKES GROW MORE POPULAR

LINN E. JONES AND E. D. OLDS TALK AT GRANGE HALL—CHURCH TOO SMALL.

So popular have become the open forum meetings at Clarkes, in which a wide range of subjects are discussed, that the sessions no longer are held in the Clarkes church, but now in the Grange hall, which is larger.

The meetings are unusual, and probably the only ones of their kind conducted regularly in the state.

Sunday night Linn E. Jones, former legislator and ex-mayor of Oregon City, spoke on "Hygienic Laws and Their Relation to Manhood and Womanhood," and E. D. Olds, of Oak Grove, discussed "Booze." Mr. Jones declared the importance of the rules of hygiene as applied to every day living.

Next Sunday Harvey Cross will speak on "Things Worth While." Thomas A. Burke is scheduled to talk on "The Boy" and John W. Loder on "Jonah." In addition a quartet will sing.

LOCAL TEACHER TALKS AT MOUNT PLEASANT

"Home Economics" was the topic discussed by Miss Maude Horton, teacher in domestic science at the Oregon City high school, at a meeting of the Parent-Teachers association held in the Mount Pleasant school Friday afternoon. Miss Horton made a specialty in her talk of dealing with left-overs. Many dainty dishes may be prepared out of remnants. An interesting paper was read on the subject.

Pupils of the seventh and eighth grades attended the demonstration and two little girls from the lower classes gave recitations.

The next meeting will be held the first Friday night in May and a social time will be enjoyed. Every member is allowed to invite one guest. A program will be arranged for the evening.

WILLAMETTE HOME IS DESTROYED BY FIRE

The home of Amy Beaudoin of Willamette was completely destroyed by fire Thursday afternoon after a valiant fight by a few of the members of the Willamette volunteer fire department.

Mr. Beaudoin was on his way to work while Mrs. Beaudoin was in Oregon City and could not be located until the house had been destroyed. Nothing was saved, causing a loss of between \$500 and \$600 which was mostly covered by insurance. The origin of the fire is unknown.

For Croup—Mothers—Always Keep this Handy

The day of the Croup scare is over for those parents who wisely keep Foley's Honey and Tar Compound in the home ready for instant use.

W. C. Allen, Rosely, Me., writes: "I have raised a family of four children, and have used Foley's Honey and Tar Compound with all of them. I find it the best croup and cough medicine. I have ever used and I have used it for eight or ten years, and can recommend it for croup."

If toward midnight the little ones grow hoarse or croupy, if their breathing becomes wheezy and stuffy, give them Foley's Honey and Tar Compound promptly and it will ward off an attack of croup.

If you are awakened by the hoarse brassy cough that means croup, give Foley's Honey and Tar Compound at once. It will ease the little sufferer quickly, cut the chocking phlegm, and soon they will have easy breathing and peaceful quiet sleep.

JONES DRUG CO. (Adv.)

GLADSTONE OFFICIALS ARE NOT PAID AS ONE RESULT OF DEADLOCK

COUNCIL, WHICH DOES NOT MEET, THEREFORE DOES NOT PAY BILLS OR SALARIES.

Councilman Goodman, Clyde and Parrish, of Gladstone, supporters of Water Superintendent Johnson, are finding their own man the victim of their activities. The Gladstone council consists of six members, four constituting a quorum. These three, fearing an ordinance or a motion which would restrict the authority of Johnson, will not attend a council meeting and have issued an ultimatum to the other three councilmen, declaring that "we will never meet with you again in council till each of you agree to do business as men should" and let Johnson alone. With the council split three to three, Mayor Howell, who is in sympathy with the anti-Johnson faction, could cast the deciding vote.

All bills must be paid by the council, none of the town employees have received salaries for March and no claims have been allowed. Water Superintendent Johnson, in whose behalf the three members are holding out, is the principal sufferer because of the fact that he is the only city employe who devotes all his time to city work.

One of the principal features of the situation that has split the council is the appointment of a water collector, taking the handling of money from the superintendent. Goodman, Clyde and Parrish oppose the creation of the office of a water collector, although Goodman, proprietor of a store, is now acting in that capacity for Johnson.

A peaceful settlement of the deadlock is not in sight, each side standing firmly for what it considers right. The town charter provides that if a councilman does not attend a regular session of the council at least once in four months, he will automatically lose his place. This clause alone may result in bringing the council back together, and then only by the automatic removal of those three members who declare that they will not attend a meeting until the other agree with their views.

G. M. B. JONES DIES OF HEART FAILURE

JONES MILL MAN DROPS FROM CHAIR TO THE FLOOR, DEAD.

George M. B. Jones, aged 72 years, dropped dead from his chair from an attack of heart failure, Monday afternoon, in the home of his sister, Mrs. Anna Imel.

Mr. Jones had lived at the home of his sister, which is located on the Albernath near Jones' mill for a number of years. He was born in Iowa and has been a resident of this county for over 25 years. He is well known in the Albernath district.

The funeral will be held from Highland this afternoon.

MRS. LOUISE DILLER, OF STAFFORD, DIES

Mrs. Louise Alice Diller is dead at her home in Stafford, after an illness of several months. She was aged 55 years and 9 months, and was the wife of Edwin Diller, who survives her, along with the following children: Miss Mary Diller, Stafford; Mrs. Ethel Mystrom, Roseburg; Mrs. Kate Conn, Melrose, Ore.; Stehman Diller and Walter Diller, Stafford. Mrs. Diller was a native of Oregon. The funeral will be held at 1 o'clock this afternoon from the family home, and the interment will be in Hood View cemetery. Rev. Mr. Ellis will conduct the funeral services.

WILLAMETTE WOMAN FOUND TO BE INSANE

Mrs. Sadie A. Colson, aged 36 years, told Sheriff Wilson, County Judge Anderson and Dr. Mount Friday that she had been married 18 times.

She further declared that she was between 600 and 700 years old, and was married the first time when 95 years old. She added that she was born on the North Pole, and that she has lived with every Indian tribe on the face of the earth during her long life.

She was examined for insanity and committed to the state hospital for the insane. She lived near Willamette with her husband.

Why Constipation Injures.

The bowels are the natural sewerage system of the body. When they become obstructed by constipation a part of the poisonous matter which they should carry off is absorbed into the system, making you feel dull and stupid, and interfering with the digestion and assimilation of food. This condition is quickly relieved by Chamberlain's Tablets. Obtainable everywhere. (Adv.)

A Woman's Problem

How to Feel Well During Middle Life Told by Three Women Who Learned from Experience.

The Change of Life is a most critical period of a woman's existence, and neglect of health at this time invites disease and pain. Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Read these letters:—

Philadelphia, Pa.—"I started the Change of Life five years ago. I always had a headache and back-ache with bearing down pain; and I would have head flashes very bad at times with dizzy spells and nervous feelings. After taking Lydia E. Pinkham's Vegetable Compound I feel like a new person and am in better health and no more troubled with the aches and pains I had before I took your wonderful remedy. I recommend it to my friends for I cannot praise it enough."—Mrs. MARGARET GRAMMAN, 759 N. Ringgold St., Philadelphia, Pa.

Beverly, Mass.—"I took Lydia E. Pinkham's Vegetable Compound, for nervousness and dyspepsia, when I was going through the Change of Life. I found it very helpful and I have always spoken of it to other women who suffer as I did and have had them try it and they also have received good results from it."—Mrs. GEORGE A. DUNBAR, 17 Round St., Beverly, Mass.

Eric, Pa.—"I was in poor health when the Change of Life started with me and I took Lydia E. Pinkham's Vegetable Compound, or I think I should not have got over it as easy as I did. Even now if I do not feel good I take the Compound and it restores me in a short time. I will praise your remedies to every woman who it may help them as it has me."—Mrs. E. KASIRKO, 951 East 24th St., Erie, Pa.

No other medicine has been so successful in relieving woman's suffering as has Lydia E. Pinkham's Vegetable Compound. Women may receive free and helpful advice by writing the Lydia E. Pinkham Medicine Co., Lynn, Mass. Such letters are received and answered by women only and held in strict confidence.

UNJUSTLY ACCUSED, SAYS WIFE U. OF O. STUDENTS ON VACATION

Charging that her husband unjustly accused her when she came home at 10 o'clock one night, Mrs. Helen Hibebe has filed a suit for divorce against Morton A. Hibebe in the Clackamas county circuit court. She says that by the nature of her employment she was sometimes unable to reach home early, and that she was entirely innocent of the charges made by her husband. They were married February 5, 1915, in Vancouver, Wash.

The Southern Pacific is helping the University of Oregon students in their enjoyment of their Easter holiday. A special train was run Friday from Eugene to Portland, carrying about 100 of these home bound students. The train left the university city at 1 o'clock. When their playtime is over, the students will be taken back on another special train leaving Portland at 1:10 p. m. April 16, arriving at Eugene at 11 p. m. The train will stop at Oregon City, Salem, Woodburn and Albany in both directions.
