HUNTLEY BROS. COMPANY

"What Is a One-Cent Sale?"

It is a sale where you buy an item at the regular price--then another item of the same kind for 1c. As an illustration: The standard price of Rexall Tooth Paste is 25c. You buy a tube at this price, and by paying 1c more, or 26c, you get two tubes. Every article in this sale is a high-class standard piece of merchandise, just the same as we sell you every day at regular prices, and have sold for years.

No "War Prices" in This Sale

Please note that not an item in this sale has been advanced in price over the price of 1 year ago. Considering the remarkable advances in costs of all merchandise, particularly that of drugstore and stationery goods, our customers will appreciate the fact that we intend to absorb these advances just as long as possible. This sale is made by arrangement with the United Drug Co.--"The Rexall Co."--who bear a part of the loss on these 1c sales.
