Health for Sick Women

For Forty Years Lydia E. Pinkham's Vegetable Compound Has Been Woman's Most Reliable Medicine—Here is More Proof.

To women who are suffering from some form of woman's special ills, and have a constant fear of breaking down, the three following letters ought to bring hope:—

Pinkham remedies.—Mrs. MARYE ASSACI, North Crandon, Wis.

North Crandon, Wis.—"When I was 16 years old I got married and at 18 years I gave birth to twins and it left me with very poor health. I could not walk across the floor without having to sit down to rest and it was hard for me to keep about and do my work."

From a Grateful Massachusetts Woman. Roxbury, Mass.—"I was suffering from inflammation and was examined by a physician who found that my trouble was caused by a displacement. My symptoms were bearing down pains, backache, and sluggish liver."

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Nor was it any experiment, when Mrs. George Case was chosen to teach the primary department for the coming year. Mrs. Case is well known to the directors as well as to most of the patrons, having taught here before her marriage.

No teacher has as yet been chosen for the third and fourth grades.

School Closes Friday. Friday, May 19, will indeed be full, besides being the day for the primaries, it is also the day for Parent-Teacher meeting, when officers of that organization are to be elected.
