CONVENTION OF ALL SOCIETIES IN COUNTY HELD AT WILLAMETTE

Leaders of Recent Irish Revolt Are Called Martyrs—Veteran of Boer War Talks—Picnic July 4th is Scheduled.

The German societies of Clackamas county held a convention Sunday afternoon in the pavilion at Schnoor's park, Willamette, which was attended by a large number of representatives from societies in Mackburg, Sandy, Aurora and Oregon City.

At the close of the convention, the Deutsche Verein of Oregon City held their monthly meeting and entertained the visiting delegates. An address of welcome to the visiting delegates was delivered by Gustav Schnoor, president of the Oregon City Verein and, and responded to by Frank Kraxberger, of Mackburg, and all joined in the song "Deutschland Uber Alles."

D. M. Klemsan, vice-president, spoke on the present diplomatic conditions between the United States and the German empire and expressed confidence in an early amicable solution of the problem.

President Schnoor, referring to the recent uprising in Ireland, said "Ireland's latest, but not last blow for liberty has awakened the world to the real situation of affairs. It will destroy the confidence of England's allies, and redoubles the energy of her foes."

Captain Andrew Lynch, of the Irish volunteers of St. Louis, Mo., now visiting friends in Portland, a veteran of the Transval army in the Boer war, was introduced and delivered an interesting address on the merits of the present great conflict, from an Irish standpoint, and paid a tribute to the memory of the leaders of the recent uprising in Ireland, who were executed by the British government. He referred to them as martyrs of liberty, whose names will go down to posterity with those of Hale, Hayne, Winkler, Emmet, Tone and Fitzgerald.

A. M. Sinnott followed with a short, but well-received address, and all present joined in the German national anthem "Die Wacht Am Rhein." The song was followed by two recitations from visiting delegates and the meeting closed with the singing of the national hymn, "America," all standing.

The visitors were then escorted to the dining pavilion and all partook of a German dinner.

The Verein decided to give a picnic on the Fourth of July at Schnoor's park, and the following committee of arrangements was appointed, Gustav Schnoor, Frank Rotter Sr., Gus Fleckner, Carl Pradarutti, Frank Busch Jr., and Carl Seibel.

PAYROLL OF FOUR MILLS INCREASED \$110,000 YEARLY

OVER 1700 MEN IN OREGON CITY, WEST LINN, CAMAS AND LEBANON BENEFITED.

INCREASE DATES FROM MAY 1, BUT ANNOUNCEMENT IS DELAYED

Employees at Camas Walkout, but Go Back to Work When Company Offers 10 Per Cent Increase as Compromise Plan.

Over 1700 men employed by the Crown Willamette Paper company at Oregon City, West Linn, Camas and Lebanon are benefited by a general 10 per cent increase announced by the company Saturday. The rise affects all men working by the day or by the hour in all the plants of the company.

The new scale will mean between \$100,000 and \$115,000 increase to the annual payroll. In some instances the increase amounts to more than 10 per cent. For instance men work for \$2 a day will get \$2.25, or an increase of 12 1/2 per cent.

Although not announced until Saturday, the increase became effective May 1. Over 800 men in the local mills of the company are benefited. The announcement means that practically every paper mill worker in Oregon City or West Linn will have his wages increased this month, as the Hawley Pulp & Paper company announced a 10 per cent increase a week ago.

The announcement of the new scale came after a second walkout at Camas. A demand was made for increases varying from 25 to 50 cents a day and the finishers walked out Saturday morning. Saturday afternoon a committee of millmen met with mill officials and the 10 per cent increase was announced. The increase, however, does not entirely settle the trouble at Camas. It is reported here, as the workers demand time and a half for Sunday work and still further advances in certain work.

There was no disorder at Camas and Saturday night the finishers went back to work. They will be on the job today in order to catch up with their work.

Local officials of the Crown Willamette company flatly deny that the entire plant at Camas was tied up by the strike Saturday. The machines ran steadily, they say.
