There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. It offers one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. 13 GRADUATED BY OAK GROVE SCHOOL

SUPERINTENDENT ALDERMAN OF PORTLAND, MAKES ADDRESS TO GRADUATING CLASS.

OAK GROVE, June 15.—(Special).—The recent promotion exercises of the Oak Grove school eclipsed by far similar efforts of former years. The class, which numbered 13, was composed of the following: Earl Berg, Hazel Wood, Frances Griffith, Mildred Wetzler, Harold Kuks, Margaret Huddelstone, Lola Hamblin, Alvina Roth, Carl Peremier, Millie Mayer, Arlet Alexander, Sivilla Dennison and Florence Bullard.

Superintendent Alderman, of the Portland schools, made the congratulatory address but rather intended his remarks for the parents than for the pupils. He declared that the lion's share of the praise belonged rightfully to the parents who by their fortitude had made possible the promotion of the students. His talk further embraced an outline of what the future held in store for the graduates.

The outstanding feature of the exercises was the fact that all the music was furnished by the members of the school. The hall was prettily decorated and an abundance of flowers were presented to the promoted students. Earl Berg, a member of the class, gave the welcome speech and one of the most entertaining features of the exercises was provided by Miss Hazel Wood, another member of the class who, coming garbed as a gypsy, told the fortunes of the entire class. Miss Mildred Wetzler rendered a vocal solo, while the entire class sang several songs.
