HOTEL KEEPER TO BE ARRESTED IF HE COMES BACK

DISTRICT ATTORNEY HEDGES OPPOSES SUSPENDING OF SIX MONTHS JAIL SENTENCE.

RESORT PROPRIETOR BOASTS HE HAS CLEANED UP OVER \$50,000

Old Bar Fixtures of Hotel Belle, Relic of Wet Days, Being Torn Out and Place Has Been Sold, Says Attorney John Stevenson.

On the conditions that Boyesen pay court costs and the \$500 fine hanging over his head following his conviction on a charge of violating the prohibition law, and that Boyesen will get out of the county and stay out, Circuit Judge Campbell Friday suspended the six months jail sentence.

The jail sentence was suspended despite the vigorous protests of District Attorney G. L. Hedges. "I think it would be a very serious mistake to parole this man," he told the court. "We have reliable information that since his conviction in the circuit court an Oregon City man has been seen taking two demijohns out of his backdoor and on another occasion since his trial his employees have been seen carrying big baskets probably containing booze from a nearby house into his hotel."

Reforming Called "Bunk."

"This talk of reforming is all bunk! If this man to whom Boyesen claims to be selling his hotel knows that Boyesen got out of his troubles simply by paying a fine and leaving the county, it will be small incentive for his successor to obey the law. I want to protest vigorously against paroling this man and state again as I stated when sentence was passed that the only way you can stop blindpigging is to put the blindpig in jail."

Judge Campbell replied that he considered it an unnecessary expense on the taxpayer to keep Boyesen in jail for six months. He warned the Milwaukee hotel proprietor that if he came back into Clackamas county he would be put under arrest immediately. His first object was, he said, to better conditions at Milwaukee and he believed this purpose was accomplished by riding the town of Boyesen.

Boyesen was convicted in the justice court on a charge of violating the prohibition law. He appealed to the circuit court where he was convicted by a jury after 24 hours of deliberation. He was given the limit for the first offense under the prohibition law, six months in the county jail and a \$500 fine. He was allowed to file a bill of exceptions and preparations for an appeal to the supreme court were being made.

Boyesen was free under \$2000 cash bail. The fine and costs of both trials totaled \$656.50. The amount of the fine and costs was deducted from the bail money and the balance given him.

"This is a mere trifle," he told County Clerk Harrington as she handed him the money. "I am leaving the county and I am taking with me \$50,000."

A few minutes later he told Sheriff Wilson that he was broke.

MAN MAY DIE FROM KICK BY A HORSE

M. H. SMITH INJURED WHEN HE TRIED TO HELP PARALYZED ANIMAL TO FEET.

M. H. Smith is at the point of death at his home in Sellwood as the result of being kicked in the neck by a mare near Oswego Wednesday afternoon.

The injured man had several horses pastured near Oswego. One, a three-year-old mare, was kicked in the head by another horse and seriously injured. The animal, apparently, was suffering from paralysis and was unable to stand up. Smith was called and with a veterinary surgeon examined the animal. The owner was trying to lift the mare to her feet when kicked.

G. HOLT JOINS ARMY; CHARGE IS DROPPED

ALLEGED HORSETHIEF PREFERS ENLISTMENT TO TRIAL IN CLACKAMAS COUNTY COURT.

SUNSHINE BRIGHTENS CHAUTAUQUA HOPES

1000 EXPECTED TO BE ENCAMPED IN GLADSTONE PARK BY FRIDAY, OPENING DAY.

George Holt Wednesday enlisted in the United States army for five years rather than face a charge of horse stealing in the Clackamas county courts. He was taken to Camp Withycombe Wednesday afternoon by Constable Frost after a conference with District Attorney Hedges. The district attorney agreed to drop the charge if Holt would enlist.

Holt is alleged to have stolen a horse from Floyd Ferguson of Scotts Mills. The animal was found in Portland where Holt is said to have traded it for another. He was arrested at The Dalles and brought to Oregon City by Constable Frost last Saturday.

The Willamette Valley chautauqua will open under most auspicious circumstances Friday. All day Wednesday campers swarmed into Gladstone park in droves and by that night nearly 300 people were comfortably settled preparatory to the 13-day assembly.

All the chautauqua tents have already been engaged, and arrangements were made by Secretary Cross Wednesday to rent a large number of extra ones for the convenience of campers. The rush will continue all day Thursday and by tonight there will be almost 1000 people on the grounds.

The fair skies and sunshine have given a great impetus to chautauqua enthusiasm and predictions now are that great crowds will attend. Automobile roads are in excellent shape and the new two-mile piece of hard surface between Oregon City and Gladstone will make the park easily accessible by Clackamas county autoists.

Next Sunday Judge Grant B. Dimick has accepted an invitation to address the meeting. His subject will be, "The Future Destiny of Our Young People."

Possibly another prominent speaker will be present, coming from Portland. The meeting on Sunday will be held in the Grange hall, commencing at 8 o'clock. Music will be furnished by Clarkes' orchestra.

ASSOCIATION IS FORMED TO HELP SOLDIERS' WIVES

AID IS SOUGHT FOR FAMILIES LEFT BEHIND BY MEN NOW ALONG THE BORDER.

\$500 IS NEEDED EACH MONTH TO HANDLE RELIEF WORK PROPERLY

Appeals for Monthly Pledges to Be Sent Out—Small Donations Are as Acceptable as Large Ones to Relief Association.

The Company G Relief association was formed here Monday with the object of aiding the families left by Oregon City's quota of citizen soldiers. A committee appointed at a meeting of 20 representative members of the Oregon City Commercial club last week organized the association which will have charge of all relief work for soldiers' families in this city.

A survey of the field was completed Monday, and the association reached the conclusion that \$500 a month was necessary to meet the demands. A thorough canvass of the town will be made in a campaign for monthly pledges. Both large and small amounts will be welcomed by the association.

"We appeal for co-operation in looking after the families of men who have responded to the call of their country, leaving their usual occupations and foregoing their regular salaries," reads the notice which will be sent to a thousand persons in and near Oregon City this week. "We must have pledges of 25 cents, 50 cents, 75 cents, \$1, \$2, \$3, \$5 and \$10 a month."

These pledges are to be made until the association no longer considers the relief work necessary. Pledges should be sent to Mrs. W. R. Logus, assistant secretary of the association, in case of the publicity department of the Commercial club.

The pledge being sent out by the association follows:

In compliance with this request, I, the undersigned, do hereby agree to pay to Company G, Relief association, on or before the first day of each month hereafter, the sum of \$..... BIG WEST LINN BARN DESTROYED BY FIRE

OWNER IS INJURED ABOUT HEAD, SHOULDERS, AND HANDS IN FIGHTING BLAZE.

The large barn of William Robinson of West Linn, was destroyed by fire Wednesday morning shortly after 10 o'clock. The men were in the field, at work, and by using the telephone Mrs. Robinson soon gathered together the neighbors who formed a bucket brigade. While trying to extinguish the flames Mr. Robinson was burned about the head, shoulders and hands.

It is thought the fire was caused by spontaneous combustion. The loss is estimated at over \$1000, covered partly by insurance. Farm implements, hay, grain and harnesses were burned. The horses and cattle were in the field.

GERMANS LOSE PART OF SECOND DEFENSES

FRENCH FORCES CAPTURE VILLAGES AT HEM AND ESTREES NEAR RIVER SOMME.

RUSSIANS ALSO BUSY

Armies of Czar Capture Principal Railroad Leading to Lemberg—British Beat Back Heavy Teutonic Assaults.

PARIS, July 5.—The French have carried by assault the second German lines on a front of two kilometers from the Oley-Maricourt road to the river Somme.

They have also captured the village of Hem, in the same district, according to the official statement issued by the French War Office tonight.

The French have captured all the German second positions south of the Somme on a front of about 10 kilometers. They also have completed the occupation of the village of Estrees, where 200 Germans surrendered.

PETROGRAD, via London, July 5.—The Russians have cut the Delatyn-Kosromezko railway, the principal line of communication for the Austro-German forces defending Lemberg.

The Russians also have routed the enemy on the Zimbank of the Delester, according to an official statement issued by the war office.

LONDON, July 5.—The French continue to make more progress than the British on the western front, owing partly to the more difficult ground facing the British and also to the fact that stronger forces are opposing them because of the belief among the Germans that the main attack in the present operations will be on the British front.

STEAMER BEAVER IS BURNING AT DOCK

BLAZE GAINS HEADWAY IN CARGO OF PAPER AND GRAIN BETWEEN DECKS.

SAN FRANCISCO, Cal., June 29.—Steamer Beaver, of the San Francisco and Portland Steamship company, caught fire at 8:30 o'clock tonight while tied to her pier. When the fire department apparatus arrived the flames, which were between decks, had gained much headway in the cargo of paper and grain.

The Beaver lay on the south side of Pier 46. Smoke was issuing from a point between decks forward in the vessel, but no flames were visible. After firemen, aided by fire tugs, had pumped water into the craft for some time, it was reported that they had the blaze under control.

At 9 o'clock tonight officials of the San Francisco and Portland Steamship company reported that the fire was under control. The fire, which started in some rolls of paper, was confined to the 'tween decks. It will require a survey, it was announced, before the damage by fire and water can be estimated.

FORMER O. C. MAN KILLS WIFE, THEN SHOOT HIMSELF

DEED IS ASCRIBED TO INSANE JEALOUSY BY WAYNE GRIDER, CONDON FARMER.

DRINKING PRECEDES CRIME IN CENTER OF EASTERN OREGON TOWN

Automatic Pistol Jams After Shooting Woman, So Slayer Procures Rifle and Commits Suicide Over Victim's Body.

CONDON, Ore., June 29.—Wayne Grider, 38, retired farmer of this city, shot and killed his wife, Cora Grider, 36, at their home at 7 o'clock this morning. He shot her four times with a .38-caliber automatic pistol. After firing the four shots, a shell stuck in the weapon, whereupon Grider went to an adjoining room, left the pistol, and took a .30-caliber Remington rifle and returned to the bedroom where his wife lay dead and turned the rifle upon himself. The shot from the rifle blew the entire top of his head off. His body fell across the body of his dead wife.

Mrs. Grider had just finished her breakfast, and Mr. Grider had been on the street, and immediately after he returned he locked the doors and the shooting took place.

People in the building heard the shots fired and rushed to the scene, Acting Coroner A. S. Hollen summoned a jury and held an inquest.

Both Mr. and Mrs. Grider have lived in Gilliam county for a number of years. She formerly was Cora Myers, daughter of W. S. Myers, of this city. They were married 16 years ago, and lived on their large wheat farm three miles south of here until three years ago, when they moved to this city.

Insane jealousy is believed to have caused the shooting. Mr. Grider had been drinking heavily for some time past.

Wayne Grider is well known in Oregon City where he lived many years. A sister, Mrs. A. R. Lennon, now residing at 510 Center street, this city, while his mother lives at Port Angeles, Wash. Grider spent his boyhood days in Oregon City, attended Oregon City schools and had many friends here.

PORTLANDER WEDS HERE.

County Clerk Iva Harrington Wednesday issued a marriage license to Wanda Wendorf and William R. Cox, 545 Lovejoy street, Portland.

\$6,000,000 MORTGAGE FILED BY U. S. MILITARY HISTORICAL SOCIETY

ORE HISTORICAL SOCIETY TOURNEY BLDG, 34, COR. TAYLOR PORTLAND, ORE.

DISTRICT TO RECEIVE \$6964 IN TUITION

OVER HALF OF HIGH SCHOOL COST WILL BE MET WITH FUNDS FROM COUNTY.

A refunding mortgage to secure the issue of \$6,000,000 first mortgage serial 6 per cent bonds of the Crown Willamette Paper company was filed with County Recorder Dodman Saturday. The Continental and Commercial Savings & Trust bank and Frank H. Jones, of Chicago, are named as trustees. The mortgage is in book form and contains 161 pages. It covers property of the paper company in Washington, Oregon, California and Nevada. The instrument was executed by Louis Block, as vice-president, and Charles M. Whitney as secretary of the company.

While the Oregon City school district will receive the same amount of revenue from the high school tuition fund as it would have received, had its average cost per pupil been \$89.54 as stated in Saturday morning's Enterprise, the actual cost, according to the rules laid down by the state department of education, is only \$37.56.

The total cost of operating the high school during the last year, exclusive of interest on investment and depreciation, was \$13,215.47, the total number of pupils enrolled was 417, and the number of days taught 175. In making up that portion of the report which had to do with attendance of pupils, 417 was used as a divisor, instead of 175, which made the average daily attendance 147.6, instead of 238.9. Using the latter figure as a divisor, the cost per pupil figures \$37.56. In determining the amount the school district shall receive from the tuition fund, County School Superintendent Calavan obtains the cost per day, dividing the total cost by the total number of days attendance, which was 61,565.5. The cost per day of 2147 for each pupil is then multiplied by 32,438, being the total number of days attendance by non-resident pupils, and under this method of calculation the Oregon City district will obtain \$8664.44.

About 60 per cent of this amount will be disbursed from the county treasury as soon as the report of the Milwaukee school district is received.

23D CHAUTAUQUA OPENS ON FRIDAY; 13 DAYS SESSION

MOBILIZATION FOR ANNUAL ASSEMBLY ALREADY BEGUN AT GLADSTONE PARK

MORE THAN 1000 EXPECTED TO BE CAMPED BY OPENING DAY

Program of Unusual Merit, With Men of Nation-Wide Prominence Secured, is Offered—All Roads Arrange to Handle Crowds

A second mobilization was begun Saturday about a mile south of Camp Withycombe on the Oregon City road, when the vanguard of the annual chautauqua "tent city" encamped at Gladstone park preparatory to the opening of the Willamette valley chautauqua next Friday. Two Multnomah county families pitched their tents late Saturday afternoon and from now on Grand Superintendent McGetchle will be a busy man "locating" the campers as they come in.

From tent reservations already made it is estimated that more than 1,000 people will be camped on the grounds when the gates swing open Friday morning. Never before have the campers appeared so early.

Things are in splendid shape, Secretary Cross, announced for a wonderful assembly and with fair weather an unprecedented crowd will attend. Opening July 7, the assembly will convene for 13 days, each hour of each day crowded full of inspirational programs. The season ticket sale during the last week has been unusually heavy, an almost certain indication of a great attendance.

Forum Hours Attractive. In addition to the 26 big auditorium programs, the "Forum" hours teem with good things. "Press Day," "Patriotic Day," "Consumers' League," "Chautauqua Day," "Women's Christian Temperance Union Day," "Dramatic Day," "Farmers' Day" and "Oregon Congress of Mothers' Day" are suggestive of some of the special Forum hour programs at 11 a. m. daily.

Henry McGINN is to speak at this hour on July 13; Governor Withycombe and President Kerr of Oregon Agricultural College are to speak on July 19, and District Attorney Walter Evans, of Multnomah county, is the forum hour speaker on July 15; S. Benson, John B. Yeon, Samuel Lancaster and Rufus Holman are the "good roads day" speakers, while the press day program is in charge of E. E. Brodie, president of the State Editorial Association. Tuesday, July 11, is "Press Day." Dr. C. E. Cline is the "Patriotic Day" speaker at 11:00, July 12th.

Chautauqua music will again be a big feature. In addition to the New York City Marine band, the Kekuku Hawaiians, Wilepokie's Hungarian orchestra and other auditorium attractions, the Chautauqua chorus of 100 voices under the direction of Professor J. H. Cowen will be a 4 o'clock concert attraction each Sunday afternoon during the assembly.

Prominent Soloists to Appear. Among the soloists July 9 with the Chautauqua chorus will be Hartridg Whipp, baritone; Norman Hoove, tenor; Mrs. Virginia S. Hutchinson, contralto; Miss Goldie Peterson, soprano, and Robert E. Millard, flute. On Sunday, the 16th, Mrs. Jane Burns Albert, Mrs. Virginia Hutchinson, Joseph P. Moulder, tenor and Hartridg Whipp, baritone, with Halired Young, cornetist, will be the soloists. The chorus, with the addition of these splendid soloists, will undoubtedly prove to be one of the finest musical efforts ever given at chautauqua. Five thousand people heard Professor Cowen's chorus last year.

Excellent arrangements have been made with the railroads for excursion rates from all points during the assembly. The Southern Pacific will stop all local trains close to the park, while the Portland Railway, Light & Power company will maintain a half-hour service all through the day and evening and return from First and Alder streets. Portland. A round trip rate of 25 cents is charged and the cars run directly to the gates of the park.

Autoists can reach the park from Portland over fine roads. The park is just about a mile south of Camp Withycombe and about two miles north of Oregon City. A large section of the park is to be roped off for the convenience of autoists.

Features are High Class. The program, in addition to the morning classes in Shakespeare, music, physical culture and Bible study methods, and also the daily forum hours, contains the following big features for the main auditorium, for the afternoon and evening:

- July 7—Ionian Serenaders and S. Platt Jones, humorist.
- July 8—Gullotta Trio, Dr. Elliott A. Boyle and Victor Murdock, lecturers.
- July 9—Sacred concert, Lyric Opera Co.; lecture-sermon, "The Vision of Job"; D. Ernest J. Sias, Sacred cop.
