GRESHAM TEACHER PRINCIPAL AT KELSO

Board Fills Vacancy Caused by Marriage of Miss Edna Devo. Floyd Ferguson, of Scotts Mills, is his own detective. Last Monday night he was relieved of a horse. Thursday morning he came to Oregon City, secured a warrant for George Holt, believed to be the thief, and went to Portland. While local officials were sending out notices to the sheriff and chiefs of police of the valley, Ferguson found his horse in the Columbia stable, Portland. The person taking the horse rode it into Portland, and traded it at the stable. Ferguson is now trying to locate Holt, who lived in the Scotts Mills district for over a year before the alleged theft of the horse. Holt is 18 years old, weighs 160 pounds, stands five feet 10 inches high has dark short hair, is smooth shaven, has brown eyes and a scar on his index finger. Mrs. W. A. STOLEN HORSE FOUND IN PORTLAND STABLE

OWNER IS OWN DETECTIVE IN HUNTING FOR ANIMAL AND IS SUCCESSFUL. The Oregon troops along the border line are patrolling a dusty and hot section, declared Dr. C. H. Meissner, who Saturday returned from southern California and northern Mexico. He was on the boundary line where the Oregonians are now stationed a day before the third battalion arrived. There is small chance of the third battalion seeing active service where they are now stationed, believes the local physician. In case of actual war with the de facto government of Mexico, Lower California will succumb, according to general report along the border. Conditions are declared, by those intimately connected with Mexican affairs, to be ideal for such a step. In some sections of Lower California, the traveler brings back word, the natives object to being called Mexicans, declaring that they are, instead Californians. DOMINICANS WILL DISARM. WASHINGTON, July 5.—An agreement for disarmament of Santo Domingo revolutionists virtually has been perfected by a peace conference in which the various Dominican factions were represented, according to a dispatch to the navy department today from Rear-Admiral Caperton.

SAYS THEY ARE WONDERFUL.

Hot weather is doubly dangerous to a person whose digestion is bad. The hot sun keeps the body heated and a decomposing mass of undigested food in the stomach will more quickly send disease-causing impurities through the blood and poison the entire system. Indigestion, constipation, sick headache, biliousness, bloating, or other conditions caused by clogged bowels yield quickly to Foley Cathartic Tablets. Mrs. Elizabeth Stauson, So. Norwalk, Conn., writes: "I can honestly say they are wonderful." Jones Drug Co. (Adv.)

Printer's Blunder Misted Author. A recent novel supplied a word perplexing to the lexicographer. The story was laid in the twelfth century, and in a description of a monastery there was frequent mention of a "centralone," which readers presumed to be an unfamiliar feature of Norman architecture. It was eventually discovered that the author, in "reading up" his subject, had been misled by a description of certain towers, of which the "central one" was specified. The printer had omitted the space between the two words, and the novelist had rushed to conclusions unauthorized by either history or art.—London Observer. Early Australian Squatters. BACKING UP PROOF. The Kind That Oregon City People Cannot Deny. Many an earnest Oregon City man or woman has publicly endorsed Doan's Kidney Pills. Week after week, month after month you've read their statements. Would these Oregon City people recommend any medicine if it were not good? Would they confirm and repeat their statements after years had passed? Local proof is good evidence. Testimony confirmed years after is better evidence. The following Oregon City man's statement leaves no room for doubt. It must convince every kidney sufferer who reads it. If your back aches—if your kidneys are weak, profit by Mr. Busch's experience: F. H. Busch, 11 Eleventh St., Oregon City, says: "I suffered from an acute attack of kidney and bladder trouble and got no relief until I used Doan's Kidney Pills. They stopped the trouble after I had taken two boxes and I have had no return of it since." (Statement given March, 1910.) On April 17, 1916, Mr. Busch added: "I am permanently cured of my former trouble and Doan's Kidney Pills got the credit." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Busch has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y. (Adv.)
