son wants to establish a jitney line between Portland and Oregon City, they the lowest bid of seven contractors, inches in height, Jack Dillon, the In will be compelled to meet the rigid corporation, defendant, for the sum requirements laid down by the city rate of 8 per cent per annum from the at a special meeting Thursday night 27th day of January, 1915, and the fur. showed no inclination to waver from ther sum of \$500.00, as attorney's fee, its former stand, and the report of a special committee composed of Templeton, Metzner and Roake, declaring the council in favor of its old position, was adopted. The vote stood: No. Cox and Andrews; yes, Templeton, Metzner, Albright and Roake,

E. James Jones and other Oswego citizens who have been interested in the establishment of a jitney line between Portland and Oregon City by way of Oswego were not present, although they were expected. Mr. Georgian, of Portland, has the support of these Oswego men in the establishment of the line.

Report Makes Stand Clear. The report of the special committee leaves no room for doubt as to the stand of the council. It follows:

"We recommend that the applicant have drawn and presented to the council a franchise, together with a deposit of the first quarterly license fee of \$50 as provided by the city ordinance. Such franchise shall contain all the requirements made by the Oregon City council, and the franchise can then be taken up and considered by the council, or by the committee, and passed in regular order.

'We further recommend that the council do not in any particular recede from its former action as regarls the requirements and regulations under which a franchise should be granted. "The Oregon City ordinance has

been passed upon by both the circuit and supreme courts of this state and is regarded as a model jitney law, which fully protects the city and the traveling public in the conduct and management of the jitney service, and our ordinance and regulations are be ing adopted by many other cities not only of this state, but of several other states that have considered, and are now considering the question

"We do not recommend that a fran which will be a benefit to the public quirements that have been made be observed. There is no reason, in our
