The Doctor's Prescription

Of historical interest is the emblem found on every prescription written by a physician, consisting of the letter R with a thin line across the tail at an acute angle. According to historians, it had its origin in the aucient custom of allowing the stars to dominate everypremacy of Jupiter. Therefore it seems probable that some chemist of ancient day at the home of Mr. and Mrs. G. days gave a prescription or a recipe to some patient and wrote upon it the emancy, which happened to be Jupiter. This emblem has come down to the present time and is always used. In a more modern sense it stands for a recipe, or an order or instruction to The Embroidery club met at the take something. Fearless Queen Sophia.

In 1860, when the combined armies of Victor Emmanuel and Garibaldi attacked Gaeta, Queen Sophie of Naples conducted the defense, her husband. Francis II., being atterly unnerved. Most of her time was speut upon the ramparts, where she remained during the hottest fire. She was absolutely without fear. Once when a bomb burst in the room where she was dining with her husband and his suit she walked to a mirror that hung on the wall and, noticing that her hair was whitened by the planter the bomb had scattered, remarked: "What a pity powdered heads are out of fashion!
