### Run-down? Tired? Weak?

Every spring most people feel "all out of sorts"—their vitality is at a low ebb. Through the winter months spent up a great deal in heated houses, office, or factory, with little healthy exercise in the great outdoors—eating more than necessary—the blood becomes surcharged with poisons! The best Spring medicine and tonic is one made of herbs and roots without alcohol—that was first discovered by Dr. Pierce—years ago. Made of Golden Seal root, blood root, with glycerine, it is called Dr. Pierce's Golden Medical Discovery. Ingredients on wrapper. It eliminates from the blood disease-breeding poisons. It makes the blood rich and pure, and furnishes a foundation for sound, physical health.

Sold by medicine dealers, in liquid or tablet form, or send 10 cents to Dr. Pierce's Invaluable Hotel, Buffalo, N. Y., for a large trial package of tablets.
