

GUARD MAY CAMP AT CLACKAMAS AFTER IT ENTERS ARMY IN JULY

PORTLAND, Or., May 22.—The entire National guard of Oregon, including all units not as yet called in to the federal service, as well as the Third Oregon infantry, which has been mustered into service for a couple of months and is now stationed at Vancouver barracks, will be drafted into the United States army in July.

Official orders to this effect were received yesterday from the war department by George A. White, adjutant-general of the Oregon National guard.

The first Oregon organization to be drafted into the United States army will be the Oregon Coast artillery. The orders received by General White direct that it shall be drafted into the army on July 15.

The other National guard units, including the Third Oregon infantry, Battery A, Oregon Field artillery, and Troops A, B, and C, Oregon cavalry, and probably Troop D, which will be organized by that time, will be drafted into the regular army on July 25.

The orders direct that the work of recruiting all these organizations to full war strength be expedited, which General White has already done. They are all so nearly up to war strength that it will be a matter of a comparatively short time to complete the work.

After being drafted into the army, they can be ordered to any point the president may direct, either in this country or abroad.

General White's instructions from the war department direct that after the date of the draft, which for the Oregon Coast artillery will be July 15 and for the Third Oregon and other units will be July 25, the various organizations will be kept at their home rendezvous for two weeks, after which they will be moved to concentration camps somewhere in the western department.

The locations of these concentration camps have not been announced. American Lake perhaps will be one of them. There is a probability, also, that a large military camp will be located at Clackamas, where the Oregon troops mobilized prior to the Mexican expedition last year. Although a poor location for winter encampment, Clackamas is satisfactory for a summer camp.

MANY MOTOR TRUCKS FOR EXPEDITION WHICH WILL BE SENT ABROAD

WASHINGTON, May 22.—Bids for 70,000 motor trucks and 5000 motorcycles with which to equip the American units to be sent to France will be opened by war department representatives in Chicago between June 8 and June 11, it was announced late Tuesday afternoon. A total of \$118,000,000 will be spent for this motor equipment. Of the motor trucks, half will be 1 1/2-ton trucks and the others 3-ton trucks.

SHINDLER GETS COMMISSION IN MEDICAL CORPS

O. C. Shindler, an employee of the Harding Drug company of Oregon City, enlisted in the medical reserve corps of the United States army Tuesday with the rank of sergeant of the first class. Mr. Shindler took the examination for this post three weeks ago and went to Vancouver Tuesday to enlist, upon notification from the war department.

Harry Edward Siler, a member of the Oregon City fire department, who enlisted in the navy some time ago has been notified to report on May 30.

ROSEBURG GIRL CROSSES MOTOR PATH AND DIES

ROSEBURG, Or., May 21.—Leitha E. Harness, five-year-old daughter of R. E. Harness, a local automobile dealer, was run over by Charles Fields, a postoffice clerk, who was driving an auto, yesterday afternoon at Brown's bridge, her skull crushed and several ribs broken, and she died this forenoon. The little girl was throwing rocks off the bridge, running first to one side, then to the other, and ran directly in front of the motor car. She was an only child.

MEN EATING SHARK FILED OF WHALE? HAVE A STARFISH?

NEW YORK, May 22.—Fillet of shark, grayfish, various forms of edible sea weeds and a large array of practically utilized American foods of the highest dietetic value are among the exhibits in the food and health exhibition opened today at the American Museum of Natural History.

BILLIONS WILL BE EXPENDED ANNUALLY FOR WAR SUPPLIES

WASHINGTON, May 22.—The allied purchasing board will spend \$10,000,000,000 a year in the United States. It will buy supplies not for the entente allies alone, but for the military and naval forces of the United States.

These facts developed this afternoon after it was learned that Secretary of War Baker and Secretary of the Navy Daniels are now working on concrete plans for turning over the entire quartermaster departments of both the army and navy to work as a division of the allied purchasing board.

The work of the purchasing board, already heralded as the greatest buying agency in the world's history, will be nearly doubled by this extension of the scope of its activities. No announcement has yet been made of the names of the men who are known to be members of the board, but it is known that most of them will be American business experts. According to present plans it is understood that the entente allies will be represented on the board by only one official of each country involved in the war against Germany.

The work of the purchasing board probably will get under way by the middle of the summer. Its headquarters will be in Washington, and it will have thousands of field agents throughout the United States. The centralization of the purchasing authority in this one body will make not only for economy, but for efficiency, that will measure well up to Prussian standards.

NO MORE FISHING IN CLACKAMAS EXCEPT WITH HOOK AND LINE

By order of the state fish and game commission, the Clackamas river will be closed for all kinds of fishing with the exception of fishing with hook and line, after June 10. This action was taken Tuesday and is to remain in force until further notice.

The commission explains that the river will be closed because of the stocking of it with food fish, largely salmon trout, to protect which the river must be closed for some time.

LARRY SULLIVAN WILL APPEAL FOR REVERSAL OF COURT'S DECISION

Attorney John McCue has announced that he will file a bill of exceptions Saturday in the case of the state versus Larry Sullivan, now at liberty on bail, charged with conducting a nuisance in the form of the Friars' club near Milwaukie. This is preliminary to an appeal to the higher courts.

Martin Denny, who was arrested at the same time with Sullivan, was released Wednesday on parole to Circuit Judge J. U. Campbell, after having served 19 days of his 30-day sentence.

MARRIAGE LICENSES ISSUED

Marriage licenses were issued Tuesday to Emma Franzel and Leonard W. Thomas, of rural route 4, Oregon City, and to May Schockley and Herman Staehely, of rural route 1, Oregon City. Miss Schockley is 17 years of age and the license was issued with the consent of her father.

OSWEGO BOY INJURED

Charles Haines, Jr., employed at the cement works at Oswego, was caught in the machinery of the plant Thursday evening and had an arm broken in two places. He was taken to St. Vincent's hospital Portland.

ARTISANS BUY LOAN BONDS

The United Artisan, fraternal order in Portland to announce intentions of purchasing some of the liberty loan bonds, placed their subscription for \$25,000 with the Lumbermans Trust company, Wednesday. C. L. McKenna, supreme officer, receiving a 3 1/2 per cent interim certificate.

A delegation of the local camp of the Modern Woodmen of America visited the newly installed camp at Mulino, Wednesday evening to assist in ritualistic work. Five members of the Oregon City camp made the trip.

LOCAL RED CROSS WILL ATTEND BEAVER CREEK BENEFIT ON SATURDAY

To aid in raising funds with which to purchase Red Cross supplies, the local Red Cross society will attend the entertainment to be given at Beaver Creek Saturday evening by the Beaver Creek Red Cross organization. This action was decided upon at the meeting of the Oregon City society in the halls of the Commercial club Wednesday night, at which Dr. H. S. Mount presided.

The question of applying to the headquarters of the society in Portland for permission to organize the whole of Clackamas county, as an auxiliary of the Oregon City society, was taken up at this meeting. It is hoped that permission will be granted and if this is done the work of organizing the branches will be gone ahead with immediately. Considerable opposition is said to have developed at the national headquarters of the society, against the organization of branches in places removed from central authority.

TWO WOMEN KILLED ON AMERICAN SHIP BOUND FOR EUROPE

NEW YORK, May 21.—In an accident during practice firing at sea yesterday of a gun aboard an American merchantman bound for Europe, two American Red Cross nurses were killed and a third wounded, marking virtually the first American casualties of the war.

The two killed were Miss Edith Ayres and Miss Helen Burnett Wood, both of Chicago. The wounded is said to be Miss Emma Matzen, of Chicago. They were members of base hospital No. 1, bound for duty in France.

The ship, which sailed Saturday, returned today, her flag at half mast, with the two bodies and the wounded nurse, who was taken in a tug to the New York navy yard hospital.

Official announcement of the accident has been withheld by both army and navy authorities here. One version, obtained when the steamship reached quarantine, was that the Minimum bill for lighting service, in combination with heating, cooking, and small domestic power loads having a possible connected capacity in excess of 2 kilowatts, \$2 per month.

Rates for commercial power are fixed as follows: First 75 hours' use per month of the consumers' demand will be at the primary rate.

All consumption in excess of that at the primary rate will be at the secondary rate. Primary rate: First 500 kilowatt hours, 5 cents per kw.; next 500 kilowatt hours, 4 cents per kw.; next 4000 kilowatt hours, 3 cents per kw.; excess over 5000 kilowatt hours, 2 cents per kw.

Secondary rate: For installations with a demand of 10 kw. or less, first 1000 kw., 2 cents per kw.; excess over 1000 kw., 1.25 cents per kw.

For installations with a demand of 10 to 20 kw., first 2000 kw., 1.75 cents per kw.

For installations with a demand of 20 to 35 kw., first 3000 kw., 1.5 cents per kw.; excess over 3000 kw., 5 cents per kw.

For installations with a demand of 35 to 50 kw., first 6000 kw., 1.25 cents per kw.; excess over 6000 kw., 0.5c per kw.

For installations with a demand of 50 to 100 kw., first 9000 kw., 1.0c per kw.; excess over 9000 kw., 0.5c per kw.

For installations with a demand of over 100 kw., first 10,000 kw., 1.0c per kw.; next 20,000 kw., 0.8c per kw.; next 40,000 kw., 0.7c per kw.; next 80,000 kw., 0.5c per kw.; excess over 150,000 kw., 0.5c per kw.

FRANCE'S WAR BILL IS THE STAGGERING SUM OF \$18,000,000,000

PARIS, May 21.—A budget calling for 9,843,000,000 francs (\$1,968,500,000) for war expenses of the third quarter of 1917, was introduced in the chamber of deputies by Minister of Finance Thierry Wednesday.

With this sum France's total expenditure in the war up to September 30, will have reached 90,000,000,000 francs (approximately \$18,000,000,000).

JUDGE ALLOWS MOTHER CARE OF 2 CHILDREN

Circuit Judge J. U. Campbell Friday granted a divorce to Gladys W. Brock from Roy C. Brock and gave to the mother the custody of the two children.

The suit of Leona Case, administratrix of the estate of Ernest Case, versus Isaac Birdsall, Mary and Ralph Smith, and Mary Smith, executrix of the estate of Samuel Case, was dismissed.

C. G. Huntley, defendant in the case of the Northern California Lumber company, was allowed an extension of ten days in which to prepare his defense.

SHADES OF SAMSON BACK TO THE CAVE CURLS WILL RETURN

PORTLAND, Or., May 22.—Sam H. Howard, secretary of the Master Barbers' association, announced Wednesday that in future haircuts would be 25 cents in all the 746 Portland shops controlled by the association. In addition the price of tonic applications was also raised. Three of the higher priced tonics now go at 25 cents each instead of 15 cents, and all 19 cent tonics cost 15 cents as a result of the rise.

CHAUTAUQUA TICKETS EXEMPTED BY HOUSE IN WAR TAX MEASURE

WASHINGTON, May 22.—Dispelling hopes that the \$1,500,000,000 war revenue bill would be passed unanimously in the house, Representative Mann, the Republican floor leader, announced near the conclusion of the debate today that he would be forced to vote against the tax measure.

Administration supporters by a vote of 198 to 71, at 1 o'clock this morning imposed a drastic postal charge upon second class mail matter. The new rates go into effect in three periods. By March, 1918, they will increase the present charges from a half more in the first parcel post zone to six times as much in the eighth zone.

The house was considering an amendment offered by Representative Foss of Ohio to exempt Chautauqua tickets, which under the bill would be taxed 10 per cent. Advocates of the amendment urged the exemption on the ground that this and other similar organizations were purely educational.

The house adopted the Foss amendment by a large vote.

Representative Hill of Connecticut succeeded in getting through an amendment which exempted from the proposed bill the 10 per cent ad valorem tax on a number of articles imported into the United States.

The amendment adopted exempts the following articles: Coal, coke, personal effects of persons coming into the United States, ingredients used in the manufacture of fertilizers, bullion, precious metals and books.

The house accepted an amendment offered by the ways and means committee under which stock certificates in co-operating building and loan associations will not be subject to a tax acts.

Another amendment accepted provided that the proposed one cent per pound tax on coffee and two cents per pound on tea shall apply only to goods bought since the declaration of war.

The retailer will be permitted to have, exempt from taxation, 50 pounds of coffee and 200 pounds of tea.

The entire bill has been so altered that it does not affect goods purchased before the war.

REFERENDUM ASKED ON BILL TO PREVENT COMMERCIAL FISHING

SALEM, Or., May 21.—Carrying more than 15,000 signatures a petition referring Senator Gill's bill, closing the Willamette river from Oregon City to Oswego to commercial fishing, was presented to Secretary of State Olcott for filing yesterday afternoon. The Clackamas County Fishermen's union is back of the referendum movement.

PORTLAND WINS SECOND GAME THROUGH FLUKE IN THE NINTH INNING

Pacific Coast League Standings

W. L. Pct. San Francisco 31 17 .646 Salt Lake 26 18 .591 Oakland 23 23 .489 Portland 21 25 .477 Los Angeles 18 27 .400 Vernon 19 29 .396

Wednesday's Results

At Los Angeles 1, Portland 3. At Salt Lake 1, Vernon 4. At San Francisco 5, Oakland 1. LOS ANGELES, Cal., May 22.—Bradley W. Hogg totted through this afternoon, compiling a beautiful six-hit game, and then along toward evening tossed it into the scrap heap with a bad throw in the ninth. It gave Portland the second game of the series, 3 to 1.

Scoring up to that time had been light and infrequent. Helfrich, like Hogg, displayed good form, although not quite as well rounded.

Portland picked up its first run in the second, when Borton doubled and scored on a brace of sacrifices. Singles by Meusel, Ellis and Davis and the muff of a thrown ball by Hollocher enabled Los Angeles to tie the score in the sixth. In the ninth Denny Wille beat out a terrific liner to Kenworthy. Farmer sacrificed and Borton's out put Wille on third.

Williams started for second, and Boles made a bluff throw to Hogg. Bradley wheeled and threw to third. The ball hit Wille on one of his rear lights as he was sliding back into the base and careered far into left field. Both men scored and Sigitin popped to Davis for the third out.

WANTS FREEDOM FROM HUSBAND WHO REFUSED HER FREEDOM OF HOME

Charging that along with other indignities which her husband Oscar Singer made her suffer, she was not allowed to take her guests through certain parts of their home, Rachel Singer asks the court to grant her a divorce, in a complaint filed in the county clerk's office Wednesday.

Mr. and Mrs. Singer were married in April, 1916, says the complaint, and upon the day following a house and lot in Oregon City was purchased with money which Mrs. Singer alleges she earned before her marriage. Through a mistake, she claims, this sale was recorded in the name of both her husband and herself, whereas it really should have been recorded as her own property.

Clear title to this property, now valued at \$1500, and the right to use her maiden name of Rachel Phillips, is asked by the plaintiff, besides a divorce.

Louis Ritter, in filing suit for divorce from his wife, Norma Ritter, alleges that his wife has deserted him and their five-year-old child, and that in addition she is not a fit custodian for the child.

Judge J. U. Campbell granted a divorce Wednesday to Pearl M. Day and Edward C. Day.

George M. Hankins was appointed administrator of the estate of the late Martin Verweyst, valued at approximately \$1500. The appointment was made by Judge H. S. Anderson upon the petition of Myrtle H. Verweyst, daughter of the deceased.

MARKET REPORT

PORTLAND UNION STOCK YARD NORTH PORTLAND, May 22.—There was a very small run of cattle on the market Thursday, and with a light demand, prices were mostly on steady basis, while in some cases in a few odd lots prices were a little higher. Demand came mostly from small butchers and feeder buyers who took all but one load that was offered. One lot of strictly fat heavy steers brought \$10.50, which was the top, while a lot of half fat Idaho steers brought \$10.15.

A car of 1050 lb feeders went to a coast butcher at 10 cents, which practically made up all the trade in the beef steers. Strictly fat cows brought \$9.00 to \$9.25, with medium to good cows from \$8.50 to \$9.00; ordinary dairy bred cows sold from \$7.50 to \$8.00, with thin offgrade cows from \$5.00 to \$7.00. Best heavy bulls brought \$8.00 with ordinary heavy ones bringing around \$7.00. Good light bulls sold from \$7.00 to \$7.75 with thin Jersey bulls bringing from \$5.00 to \$6.00. Prime light veal calves are bringing from \$9.50 to \$10.00 with heavy ones from \$7.50 to \$8.50.

Hog prices advanced another 10 to 15 cents, establishing a new record top of \$15.25. There was only a light supply with a very good demand. The bulk of hogs sold at \$15.00 and \$16.00 with a couple of loads going at \$16.10. Pigs sold mostly steady, while some buyers were paying 50 cents higher, the bulk selling at \$13.00 and \$13.50.

There was one lot of sheep on the market consisting of shorn yearlings and ewes. Best yearlings in the lot brought \$7.00 while the ewes were weighed straight at \$9.25. Receipts are extremely light.

Market for strawberries is firmer and fractionally higher at \$1.65@1.75 per crate of 20 pints.

With no changes indicated market for eggs is holding rather steady.

Market for chickens remains slow with prices still held at 16 1/2@17c, the latter for fat hens. Old ducks are slow at 18c for colored stock with Pekings at 18@20c and Young stock at 25c with little offering.

Only 11 carloads of potatoes are now unsold in the state of Oregon that are at present available for the trade during the last 24 hours five carloads were sold to go to the eastern markets.

First offerings of cherries of the were displayed on the market. Considering this being the initial showing of the season, the stock was in excellent condition. Sales were reported generally at 12 1/2c a pound, a very low price for first fruit.

Advance of 1c a pound in the price of all grades of local creamery butter and 2c a pound in the price of butterfat took effect Friday. This places creamery extras in plain wrappers at 39c a pound and cartons at 40c a pound; the usual differential. No. 1 butterfat was moved at the same time to 40c a pound.

In fact competition for cream is now so keen among the cheese and butter makers that some of the creameries are said to be paying an advance of 1c to 2c a pound over the quotations noted; although 40c is the general price listed for butterfat by the trade.

Cabbage market is lower locally. Hogs are firm for dressed stock with veals quiet.

String beans are selling as low as 8c per pound in small drums. White lead, red lead and litharge show an advance of 1/2c per pound. Lettuce market steady at \$1.85@2.00 per crate for best quality.

Many new arrivals are in the market at the Brady Mercantile company's store at Twelfth and Main streets. Among these are peas from California that are retailing at three pounds for 25 cents, and are of excellent quality; string beans at 15 cents per pound; new potatoes, 10 cents per pound; strawberries, three boxes for 25 cents; cabbage at 7 1/2c, this having gone from 10 cents; asparagus, 10 cents per bunch; radishes, two bunches, five cents.

From all indications the crop of fruit of Clackamas county will be a bumper one, as the trees are heavily laden with blossoms, and those already shedding blossoms indicate there will be one of the largest crops for many years. The present weather has been a detriment to most of the farmers of Clackamas county, especially to those who have not their gardens in. Those who have in their crops, are not worrying, but very few are this fortunate.

Market for country killed hogs remains a firm tone generally along the wholesale way, with sales general at 19@19 1/2c a pound for No. 1 quality of fering. Receipts are moderate.

Hogs were firm at \$16.00 for top late in the day with a carload sold at that price.

With record receipts of country killed calves along the street during the last few days, and with the retail trade stocked up, the trend of the market continues weak at the recent reduction.

Egg market continues to show a strengthening tone locally, but no price change was indicated for the day. While northern markets are higher than Portland, they are doing very little buying here at present.

Further weakness was forced in the flour market early in the day as a result of the sharply lower price of wheat again. Secret cutting of prices is shown and another general market decline is hourly expected.

Very weak tone is showing in the market for sugar all over the country, with the eastern trade again showing a decline for the last 24 hours. With

raws weaker and lower in the east this will have a direct bearing upon the local situation.

Trade in strawberries is steady locally, with some rather good fruit reported in from the south, although indications are that the season there is fast coming to an end. Sales here at \$1.45@1.75 for best.

First new crop red onions of the season are due to arrive in the local market from California early in the coming week. The first car was purchased by the local trade yesterday, and will be shipped at once. It is said to be of good quality for the initial showing, as sales are expected to be around \$3 per sack.

The market prices below are given by the Brady Mercantile Company and Parr Brothers Meat market.

Vegetables. BUYING. Potatoes, per 100 lbs fancy \$2.99@3.00 Butter (country per roll) 60c Eggs, per dozen 31c

SELLING. Potatoes, per 100 lbs fancy \$2.50@4.00 Cabbage, per lb 7 1/2c Butcher, per roll (country) 70c@80c Creamery butter, per roll 85c Lettuce, four bunches 10c

HUSBAND ALLEGES THAT HIS WIFE ABUSED HIM AND ASKS FOR DIVORCE

Charging cruel and inhuman treatment at the hands of his wife, William L. Harrington filed suit in the county clerk's office here Tuesday asking that a divorce be granted him from Daisy Harrington.

The Harringtons were married at Oswego, May 23, 1910, and have one child, a girl 6 years old. Mr. Harrington alleges that his wife is not a fit guardian for the child and asks that he be given the custody of the girl.

Audrey Fullrich asks a divorce and the custody of her child, 23 months old, in a complaint filed in the county clerk's office. In her complaint Mrs. Fullrich alleges that while living on a small farm near West Stayton, Oregon, last winter, her husband left the entire work of conducting the farm to her and forced her to do manual labor to support herself and child. They were married in June 1913.

MOTHER WOULD ADMINISTER HER SON'S ESTATE

Is Zephaniah A. Epler dead? That is a question that remains even after the court has decided that in the eyes of the law he is dead and has appointed his mother, Mrs. Sabrina Stanton administratrix and sole heir of his estate.

According to Mrs. Stanton's petition, her first husband J. H. Epler, died in 1909 at their former home near WYsonville. Some time previous to the death of the elder Mr. Epler, Zephaniah who was somewhat of a rambler, had left on one of his tours. He read of his father's death and made a two month's visit at his home, after which he was seized with the wanderlust again and has not since been heard from, says his mother.

In the eyes of the law then, his mother holds, her son is dead and she is the sole heir to the \$50 in cash left by her husband, O. D. Ely is acting as Mrs. Stanton's attorney.
