OREGON CITY EVIDENCE FOR OREGON CITY PEOPLE

The Statements of Oregon City Residents Are Surely More Reliable than Those of Utter Strangers.

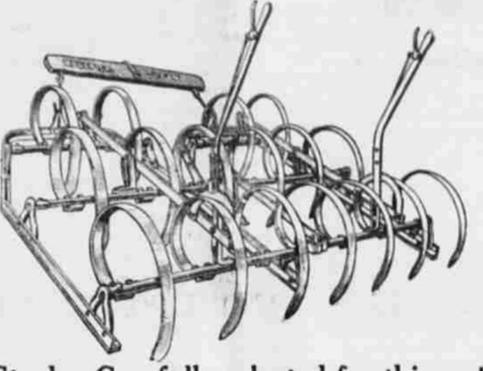

Home testimony is real proof. Public statements of Oregon City people carry real weight. What a friend or neighbor says compels respect. The word of one whose home is far away invites your doubts. Here is an Oregon City man's statement.

And it's for Oregon City people's benefit. Such evidence is convincing. That's the kind of proof that backs Doan's Kidney Pills.

Lawrence Nathe, harness maker, 903 Madison St., Oregon City, says: "Eight years ago I was laid up for several months with rheumatic pains. Most of the time I was helpless and my whole body was sore. I could hardly bear to have anyone come near my bed as I was so sensitive to the least noise. My kidneys were in a pretty bad way and were congested. I took about six boxes of Doan's Kidney Pills altogether and since then I have had but little trouble from my kidneys and have been feeling good in every way."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Nathe had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
