INCORPORATED WATER DISTRICT IS SUGGESTED

The Oak Grove Commercial club held a meeting at the schoolhouse on Tuesday evening, at which time steps were taken to incorporate the section between Milwaukie and Gladstone into a water district under the law that was passed at the last legislative session. The area to be covered includes practically all of road districts Nos. 38 and 47. It is probable that the water would be taken from Portland, but that will be decided at the next meeting of the club. The distance from this city is greater than from Portland.

At the present time the residents of that section are depending upon wells for supplying them with water, and as the population of Concord has increased during the past year, it is thought advisable to have the sewerage system improved.

Dean Butler, of this city, was advised to take charge of the legal proceedings toward incorporating the water system.

Singularly enough, most of those supposedly high-minded critics who can see nothing but evil in America's participation in the war have a habit of writing anonymous letters.

DO IT NOW

Oregon City People Should Not Wait Until It Is Too Late.

The appalling death-rate from kidney disease is due largely to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms often give place to chronic disorders and the sufferer may slip gradually into some serious form of kidney complaint.

Doan's Kidney Pills are especially for kidney disorders—they act where others fail. Over one hundred thousand people have recommended them. Here's a case at home:

Mrs. A. M. White, 1510 Center St., Oregon City, says: "Doan's Kidney Pills are all that is claimed of them and when I can recommend them to others for backache or kidney disorders I don't hesitate to do so. I have been subject to backache and at times my kidneys have been out of order. After I have taken Doan's Kidney Pills a few days I have felt as well as ever."

Don't Cough Until Weak

Foley's Honey and Tar HELPS COUGHS QUICKLY

FOLEY'S HONEY AND TAR takes right hold of an obstinate cough and gives quick relief.

It puts a healing coating on the inflamed membranes that line the throat and air passages. It stops the tickling, loosens and raises phlegm easily. It is just splendid for bronchial and grippe coughs, and light, wheezy breathing.

Mrs. W. S. Bailey, Lancaster, Ky., coughed almost continuously day and night, until she took Foley's Honey and Tar. After taking half a bottle, her cough began to slow up, and seven bottles entirely cured her cough.
