

Honor Roll Is a Long One Some Are To Go Abroad Arrests May Follow Soon

While wholesale arrests and investigations have been going on in different parts of the country as an aftermath of the national registration day June 5, Clackamas county officials have been quietly running agents to the ground and have found one outstanding distinction in all cases, namely, that this county as a body is as one man.

Sheriff Wilson, District Attorney Gilbert Hedges and Deputy District Attorney Thomas Burke are loud in their praise of the attitude of the men who registered.

Little more lenience is to be shown, said Deputy Burke Saturday.

The following list of names is identical with the list now held at the office of the war census board of this county. A few recent additions are withheld from the list.

BEAVERS STAKE GAME IN FIRST INNING BY SCORING 4 IN FRAME

Pacific Coast League Standings table with columns for team, W, L, Pct.

Wednesday's Results At San Francisco-Portland 7, Oakland 2. At Salt Lake-Salt Lake 4, San Francisco 3. At Los Angeles-Vernon 4, Los Angeles 0.

SAN FRANCISCO, June 20.-Portland won the game today in the first inning when Hollocher, Willie, Williams Fisher and Pinell got hits, scoring four runs. They rested until the fifth, when Hollocher, Rodgers, Wills and Williams bunched hits for two more runs.

It took four hits to score the run in the eighth, and in the ninth they picked up three more hits, yet did not make a run. Kremer was hit harder than any time before this year. He was not relieved because the Oaks could do nothing by Byron Houck until they got four hits in the eighth for three runs.

Bill Rodgers booted a ball in this inning and when Young Hollocher "kidded" him about it, Bill poked the boy on the nose and they went back to the bench. Blood was drawn but no damage was done.

Walter McCredie got hungry in the seventh inning and bought a sandwich, thereby using up Portland's share of the gate receipts. The few cash customers were so widely scattered that they were not even within hailing distance of each other.
