Fall plowing and the planting of winter grain are the chief industries if we except semi-annual land clearing with its fires that never allow darkness to prevail, however persistently the moon may be hiding her face.

The price of flour, even though kept by government regulation, within some sort of bounds, is still high enough to determine every rancher, who possibly can, raise his own grain, to do it in the coming year, and for all future time.

The charming weather brings out the many new autos that have come into our neighborhood in the last year, and social duties receive more attention that it was possible to give them while perishable fruit was ripening and there were hungry threshers to feed.

Within twenty-four hours Mr. Knapp was being hurried to the train on the same stretcher, in a dying condition. He had stood over a cable, which ran down hill to the donkey engine, while he reached for a "choker" just beyond. Seemingly without the warning whistle the engine started, the cable struck a moment, then freed itself, whirling over and over in his fall onto an adjoining log.

Companions who witnessed the accident, did all within their power but death mercifully released him soon.

IF WOMEN ONLY KNEW

What a Heap of Happiness it Would Bring to Oregon City Homes.

Hard to do housework with an aching back.
Brings your hours of misery at leisure or at work.
If women only knew the cause—that Backache pains often come from weak kidneys.
'Twould save much needless woe.
Doan's Kidney Pills are for weak kidneys.
Read what this Oregon City woman says:

Mrs. Henry Larsen, 965 John Adams street, says: "I was subject to back ache for several years. I used to be so bad I couldn't rest well day or night. When I was on my feet a great deal my back ached like toothache. Nights I couldn't sleep on account of the constant pain over my kidneys. My kidneys also acted too freely. I felt all played out and had no ambition to do anything. The least exertion made me tired and nervous. Since I have been taking Doan's Kidney Pills my back feels stronger and my kidneys act more regularly. Doan's have proven beneficial in every way."
