The Plan Pay us the regular price for any item here advertised and we will sell you another of the same kind for ONE CENT.

It's Purpose The One Cent Sale was developed by the United Drug Co.—The Rexall Co.—as an advertising plan. They take a loss on these sales and we sacrifice our profit in order to get a wider distribution of Rexall goods.

Last One Cent Sale This sale would be impossible in these war times, but it was planned months ago, before war was declared, and the goods are here at the old prices. Instead of taking advantage of conditions and obtaining full prices we are going ahead with our One Cent Sale. But it will probably be the last one till the war is over. Please notice that the regular prices of "REXALL REMEDIES" have not been advanced as have most others.
