SANDY DEPARTMENT

Mrs. Blanche R. Shelley Representative.

ANOTHER SANDY BOY

(From Joe Vacretti.) home in June.

sorry for not joining the navy.

I started this letter last night, but nected with the city management? did not finish it. This is Sunday, at

get of if we have a big feed.

I was intending to get some Christmas things to send home when I was a large territory. There are more negroes only. Finally, after we had it shall be. about given up hope, a car came along

Well, I will close for this time. Will not, how was it paid for? write again as soon as I can. I expect to get some letters from home when I get to port. If I don't, you will hear from me. I haven't much to write so you will have to turn to and write long letters. With love, your

ped for a day or two. This is Christ mas day. I spent it cooking. Cooked the officers' turkey and cranberry sauce. Saved enough for 'yours truly. Next stop, San Domingo, which will climate. Just think of going swimthis morning. Will go again this afternoon.

So far I can say, I like the sea Really I am well satisfied, especially as I feel that everything is all right at home; also feel you will let me know true conditions.

SANDY CORRESPONDENT REPLIES TO, RECORDER

In your issue of January 18, under a letter to you signed by M. A. Deaton, recorder of the City of Sandy. that letter are worded final and con- of that part of the country. clusive, there are a few things which ofthat part of the country. he touches on that are not clear to your correspondent. The opening clause of his letter as follows: "I note in your issue of January 11th, said' the money to be raised by this 105 families. eral fund and used for road purposes under all circumstances; but the re corder says, 'There is no part of the LUTHERAN CONGREGATION general fund ever has been, ever will be or ever can be expended on any road or street.' Now; let us see what

Before we go any further, let me ing the government management or is the true christian church.

the recorder's decision.

mismanagement of our city. However, WRITES HOME: our recorder does not deny that the 1000 feet of crushed rock road mentioned cost less than \$1700; that the U. S. S. Kwasind, Dec. 22, 1917. Firwood district built a good road, Dear Mama and Papa and Caroline: which has had heavy loads of ties As we are nearing port I will write hauled over it, for about \$1200 a mile. a few lines. We have had a fine trip. He does not deny that the Firwood fine weather. This surely is some cli- road is in good shape at the present mate. I can hardly believe Christmas time. He does not deny that the Firis only three days off, for instead of wood people had to haul their rock Christmas weather, it is warm and about 11/2 miles or nearly twice as far the old sun beats down as it does at as the city of Sandy. He might say, and he probably will, and justly, that I am feeling fine; over my sea sick- the Sandy road was built much wider, ness. There is one sure thing-if that it was built much deeper, but-"heaving" makes a sailor, I will be in how will he explain the fact that the a class by myself. I don't think I city fathers paid about \$1.28 a yard would have gotten sick if I could have for their crushed rock while one of stayed out in the air, for every time I the councilmen privately bought the was out on deck I would feel pretty same crushed rock for about 80 cents. good, but when I went back to the How will be explain the fact, if it is is not watchful! Only the watchful galley, up she came again. I am ex- a fact, that Multnomah County can will be prepared to meet Him joyfully pecting to get some mail when we build its macadam road for about Christ here means a spiritual watchreach port. If I don't, I will be some \$5000 a mile, but the city of Sandy fulness as it is found in the "five I don't know if I told you I pays \$9000 for ordinary crushed rock. wise virgins" who had oil in their got a letter from 'Polar.' He is in Is there any reason why the taxpay-Huston, Texas. Expects to go across era of the city of Sandy should not soon. Is a corporal now. Writes a know all the facts concerning the pretty blue letter. Poor fellow, he is building of this road in Center street, or concerning any other thing con-

I do not wish to cast any reflection least, the calendar says so, but it has upon our present recorder, or upon not been much of a Sunday for me, any other city oficer. I understand for the other cook is sick, and I had Mr. Deaton was not recorder at the all the work to do alone. Don't know time of the construction of this piece how I did it, but it is done now. We of road, but if there was mismanage are cooking for sixty-five, while the ment, or gross-negligence so that the they slone will enter with Him into galley is equipped to feed about thirty. cost was excessive, or, in other words, The doctor just brought down the "if there was a nigger in the brush," menu for next week. He omitted the it is possible under the coming manmenu for Christmas dinner; is going agement of the general fund where to give a feed if he-can get the stuff at | they say it is necessary for an inthe next port. I see where I will crease in the general tax, for the same

waste to continue. There are many ways of raising money in this city, or in any other in Charlestown, but did not get to as city, without voting an increase in the I was ashore only one evening, and general tax; and there are also many I could not find anything I wanted in ways of saving money. It might be that little one-horse town. I expected possible under good management to see quite a town, but it isn't much to cut down the cost of the city light. -only one street where all the bust- it might be possible under Par. 42 ness is done-seems to be spread over Chapt. V. of the city charter headed "Powers and Duties of the City Counnegroes there than I had ever seen cil" to secure more money out of the before in one place. I had to laugh telephone or the light company, or the Ten Eyck last week and moved to maritan hospital, is improving. the morning we were coming back to users of said light and telephone. It the Little Sandy, a distance of about the ship. We saw a car with "Navy might be well for the tax payers of twenty-seven miles. Mr. Ten Eyck, as-Yard on it. We ran for it, but the this city to read Sec 27 of Chap. VII. sisted by Marshall Davis and J. Ogconductor stopped us with, 'This car and see whether it is complied with den, were five days moving it. They for ladies only." The next car was for or not; and, if it is not, to insist that had to build a bridge over Zig Zag.

In closing, I would like to ask the which we were permitted to get on, recorder just how the funds were rais- 26 inches of snow from Yocum Falls, I was up on deck this afternoon ed to build this 1000 feet of road in two miles this side of Government watching the coast. We are only Center street, and whether, or not the Camp. Mr. Davis walked from Rowe about three or four miles out; can sity had the money to pay for it at to Government Camp, a distance of see the trees and buildings quite plain, the time it was built; and, if it did eleven miles.

Mrs. Quigley claimed that her son had done this expecting the youngest son to stay home and support her, and that the youngest son had slipped off and enlisted without My brave Kilty Lad, lead on, lead on, letting the rest of the family know of his intentions.

Mrs. Quigley was nearly broken hearted when she found that all her boys would probably go. She is a widow, without means other than the support of her sons. She was allowed an appeal to the district board, under the circumstances.

OFF TO REFORMATORY

Chester Reed, aged 14, a youthful auto thief from Portland, was arrested this morning by Sheriff Wilson as he was cranking the car stolen from Victor Bossilier Friday night. The arrest was made at Maple Lane near the residence of August Splinter, where young Reed spent the night. He admitted the theft.

The car was taken from in front of the Brady Mercantile Company, while Bollilier, a well-known Portland traveling man, was inside the store. Young Reed, who lives with his mother, Mrs. Mand Reed, at 595 6th street, Portland, ran away from home Friday and came to Oregon City. Accordingto the story told Sheriff Wilson and Deputy District Attorney Burke, he wanted to go star are: Harold Young, Otto Wag- to Salem in search of a job, and figurner, Chester Womer, Ken Bartlett, C. ed the easiest way was to steal a car C. Cockerline, George VanNatta, Guy and ride overland. He first tried the Graham, Hurley Fellows, Herman car of Deputy Assessor Cooke, which was standing alvong side the court house, but falling to start it, took Cook's key, and went off down toward 12th street.

Here he spied BBossilier's car and lalla road through Oregon City, he he was having trouble with the car. Mr. and Mrs. Splinters land hospital last Thursday where passenger for Portland Saturday, re- youngster in, gave him a bed and a good breakfast, and on the story the
