

Newsy Briefs From All Over the County

Logan

LOGAN, Ore., Feb. 6.—News and sunshine are somewhat scarce here. Quite a number of farmers have been loading cars at Carver Station with spuds.

Mrs. McCubbin, who has been quite sick, is reported improving.

Richard, the young son of Mr. and Mrs. Henry Babler, was taken to the hospital this week and underwent an operation for an abscess on the lung. Colds and sore throats are the prevailing ailment around here.

The Red Cross auxiliary meets every two weeks at the church.

Lower Logan school has an industrial club of 22 members.

F. W. Riehoff is having some dental work done.

L. H. Kirchem is spending a few days in this community visiting.

Mr. and Mrs. F. Gerber are moving back from Portland to their home here.

That was some "blow" Monday night. Some clothes lines lived through it and some did not, however. Our telephone line withstood it all right, which is some satisfaction.

Some bad mud holes are reported in the Barton bridge road, causing some complaint as travel is all on said road now from the other side.

'Tis quite interesting and amusing, too, to read some of the comments in the "big" papers in regard to a movement to form a non-partisan league in Oregon. Some see "the handwriting on the wall" and understand that "the worm will turn." The masses are not cattle and will not stand for many more legislatures such as the last one, and pay the bills without a murmur.

Mulino

MULINO, Ore., Feb. 5.—Mr. and Mrs. Miller and children, of Liberal, moved into the Bayne Howard cottage.

Fred Molzan, of Portland, was a Mulino visitor last Sunday. He expects to be called to serve his country soon.

Macksburg

MACKSBURG, Ore., Feb. 7.—February—the month dear to Americans as containing the birthdays of her two most famous and best beloved statesmen—was ushered in with a temperature that might have been a menace to the winter grain had it not been promptly followed by a mantle of snow so heavy that all danger was set aside, while the cold lasted, which was but for a night and then it grew so mild it is hard to realize that spring is not really here.

With the verdure as bright as it can ever be, with the robins caroling their morning song as blithely as in April or May; the aquatic fowls choosing their nesting places, the dandelions peeping out here and there and the daffodils opening their store of gold, it is impossible to think that planting time can be far away.

The winter wheat is promising a fine harvest and with the new, economic ways of blending it with other grain we are likely to have plenty to send over the sea.

The Mothers' Club had a very pleasant and busy all-day session at the home of its president, Mrs. John Hepler, on Thursday, the last day of January. Mrs. D. Wolfert attended the meeting for the first time and rendered valuable assistance with the work. The next meeting is appointed for February 14th, at Mrs. Simon Miller's home.

Mr. and Mrs. Alvin Hamilton have gone to housekeeping at their new home near Hubbard.

Mrs. John Dwarashack is still in Oregon City, where her little son is in the hospital. She is greatly encouraged to hope for the little boy's recovery, though at times he seems very ill.

Mrs. John Hepler has returned from an extended tour of the Middle West bringing his father home with him. Mr. Hepler, Sr., was seriously ill for some time prior to his journey west, but seems better now.

Will Roth and Roy Yoder are hauling ship-knees for shipment to the building yards.

The Little Girls' Sewing Club is to meet on the afternoon of February 9, at the home of Mrs. G. M. Baldwin.

Mrs. Eby, Sr., is recovering from a sudden and serious illness, and is able to go out once more.

Stafford

STAFFORD, Ore., Feb. 6.—The house of Richard Oldenstadt caught fire Thursday morning, but owing to quick work by the family and neighbors only a small loss was sustained.

Monday morning Stafford school enjoyed a profitable talk on "Nobles," given by Mr. Scheffer. Messrs. Vedder, Werner and Thomas also visited the school and looked after their respective interests. About a dozen patrons attended also. After the talk Mr. Scheffer took the men and boys to Mr. Elligsen's "mole patch" where he demonstrated how to get them.

During the first part of the week Mrs. Seeding and Mrs. P. A. Baker were reported as being ill; we hear that they are now better.

The Red Cross meeting that was to be held in the school house Friday, February 1, is indefinitely postponed. Supervisor Brenton Vedder dined with the Elligsen Monday noon.

Mr. Oldham was busy the first of the week mowing Mr. and Mrs. Ray (nee Eva Holton), to their permanent home in Independence.

Carl Elligsen has returned from Canby. He is domiciled in his little "red house" painted brown.

A rip in the wrong place causes a walk of four miles. Ask C. Elligsen how this is.

Mr. and Mrs. Meeks are at last in their new home. Mr. Weddle is without a cook and

All the folks of Stafford town. Are taking their receivers down. And one and all they now agree To have a grand charivari; 'Twill wake the sleepy from their beds,

It will, when Mr. Weddle weds.

Our gentlemen of the sick list, L. Tiedeman and H. Elligsen are both able to be out again in their machines. But, alas! those get punctures! How often these young gentlemen have to retire.

Speaking of Fords: Mr. Frenzel's refused to run up school-house hill the morning of the snow, but no matter, Stafford school got behind and pushed.

Barlow

STATE ENGINEER SAYS COST OF HIGHWAY IS ON RIGHT BASIS

SALEM, Or., Feb. 4.—(Special)—State Highway Engineer Herbert Nunn has responded to a request from Chester L. Chambers of Eagle Creek Grange, Eagle Creek, Clackamas county, as to conditions in the highway department and as to what that department is doing.

Among other things, in response to the inquiry of Mr. Chambers, he asserts that "A comparison of state prices for pavement, as compared with that of Clackamas county, is very unsatisfactory, as the State Highway Department makes a complete charge for all materials and equipment used for a completed piece of construction and the price paid per square yard has little to do with the completed work. The statement, however, that the state has paid three times as much for its pavement as Clackamas County should not be taken seriously, as the specifications of the state are much more rigidly enforced and the work more carefully done than in Clackamas County and the statement as a whole is untrue."

In his letter, which is in the nature of a statement to the public, Mr. Nunn says:

"On account of the seeming unjustified attacks on the State Highway Department, a statement at this time of the exact conditions under which this department works and of the actual expenditure of money will help to place the matter before the people in this state, who are honestly interested, in the proper light."

"One of the particular statements which has been made is that the State Highway Department has spent to date \$36,000 for automobiles. This statement is untrue. The fact is, however, that the state has spent \$12,605.30 for automobiles for the purpose of transporting engineering and construction crews to their work."
