

The Size, The Power THE BIGNESS

Of an organization depends upon its ability to do things.

The growth, the rapidity of progress depends upon the foundation of the organization and upon the capabilities of its organizers.

The J. C. Penny Co., organized only a few years ago 1902, headed by J. C. Penny, a plain, honest, deep thinking, merchant, who carefully worked out the plan for this THE BIGGEST CHAIN STORE ORGANIZATION OF ITS KIND IN THE WORLD. We have grown from the day the doors of the first store opened. Why? Because our methods and our merchandise merited patronage. Selling standard recommendable qualities at lowest possible prices, MADE US GROW.

The Bigger We Grow The Bigger Our Values. The Bigger our Outlet The Bigger our buys

The more merchandise we buy, the bigger our discounts, reducing our selling prices in proportion. We buy direct from best mills and factories.

WE PAY SPOT CASH

We save our patronage all the middle men's profits. We do not buy Job lots, seconds or defective merchandise of any sort or kind.

We open 22 New Stores April 1st, increasing our organization to 197 stores.

175 Stores sold last year \$14,880,000 of which \$3,330,000 was shoes.

OUR SLOGAN FOR 1918 "SELL \$20,000,000."

We Carry a complete line of

Dry Goods, Gents' Furnishings, Shoes, Men's and Boys' Clothing, and Ladies Ready to Wear

We cordially invite you to call and inspect our lines of New Spring Merchandise and be convinced of the Saving which trading with us will afford you.
