FIFTY-SECOND YEAR—No. 14.

OREGON CITY, OREGON, FRIDAY, APRIL 5, 1918.

ESTABLISHED 1886

DANCE HALL MAY BE CLOSED BY W. F. HABERLACH

The wonderful variety of thrilling entertainment provided guests and local officers at the Clackamas dance at Haberlach's hall Saturday evening will probably result in a cessation of the sport for the next few months. W. F. Haberlach, owner of the hall told Deputy District Attorney Burke Monday he would probably close the place up as a dance hall.

The place has been under investigation by Special Vices Investigator Dave Robinson, of Portland, and local officers. Saturday evening Sheriff Wilson and Deputy District Attorney Burke arrived at the hall about 11:00 o'clock, just in time to break up a free-for-all fight under progress in the county road adjoining the hall, participated in by quite a bunch of the dancers. The ring leaders were not captured and no arrests were made on the fight.

In addition they picked up a young woman of Portland, in company with two young men who gave their names as Al Rudder and M. L. Wright, the young woman being in a state of extreme intoxication. They were headed for the dance when Sheriff Wilson noticed the young woman's condition and arrested the three. The girl was brought to Oregon City, her statements taken, and the boys placed under bail to appear Tuesday afternoon. The girl was taken to her home in Portland and turned over to her parents, George Abdey, arrested just as the dance broke up, while in the act of taking a healthy swig of wine, by Officer Meads, appeared before Judge Sievers Monday and pleaded guilty to a violation of the prohibition law.

The officers found things in the dance hall proper were run like any other dance, but a rough crowd, largely from Portland, was in attendance, probably fifty automobiles being lined up along the county road. Manager Haberlach stated he was willing to cooperate with the government in an way, and that while things outside the dance hall were beyond his control, he would be willing to close up the place permanently, if it would help the army department in its "clean-up." Voluntary action in closing will probably obviate the necessity of government interference.

COCKTAIL ROUTE BRINGS TWO MEN INTO LIMELIGHT

One hundred and twenty-five dollars was the price by Al Rudder and M. L. Wright, Portlanders, for giving their lady friends an alcohol cocktail enroute to the Clackamas public dance Saturday night. A cool hundred of this sum represents the fine assessed against the boys by Judge Sievers, and the balance of \$25 was the charges made by a Portland garage man for the use of the car.

Only the fact that both are likely to become "Sammies" in the near future saved them from a more severe sentence. Saturday night they were arrested at Clackamas by Sheriff Wilson, the boys being in company with a Portland girl who was badly intoxicated. All had been drinking a combination of alcohol and grape juice.

GRAND JURY TO CONVENE NEXT MONDAY

The grand jury is to convene Monday, April 8, pursuant to an order of Judge Campbell entered Tuesday upon the application of District Attorney Hodges. The district attorney intimated Tuesday that several matters of importance would be given consideration.

WOMEN DELEGATES HEAR ENCOURAGING REPORTS ON DRIVE

Thirty women delegates from all parts of Clackamas county met in conference at the Commercial club rooms Monday to discuss the Third Liberty Loan drive. Encouraging reports were made by Mrs. L. L. Pickens of Oregon City, Mrs. J. O. Masterton of Molalla, Mrs. Maggie Johnson of Milwaukie, Mrs. A. King Wilson of Oswego, Mrs. Hart of Jennings Lodge, Mrs. Young of Wilsonville, Mrs. Laura Richards of Meldrum, and other patriotic women who are ready to give time and energy to this cause.

Mrs. H. B. Cartledge, who called the meeting to order, instructed her captains to work with the men appointed in their respective districts so as not to duplicate meetings. All are planning rallies and systematic work. Addresses were made by Mrs. Eva Emery Dye and Hon. Walter Dimick setting forth the needs, plans and purposes of the loan. Luncheon was served at noon. Many of the mothers reported soldier sons at the front and one of them, Mrs. Young of Wilsonville, recited two striking poems written by her boy "over there."

Attention was called to the big rally to be held at Busch's hall Friday night.

STRIKING PAPER WORKERS FREED ON REVIEW WRIT

Judge Campbell has sustained two writs of review brought by local union men against Oregon City and West Linn, holding that in each case the complaints on which the strikers were arrested were insufficient. The decision is a double victory for the paper mill workers' union, and the men were ordered discharged from custody.

The petitioners were W. R. Utting who was arrested at the west end of the suspension bridge, tried in City Recorder Porter's court, found guilty of obstructing the sidewalk in violation of a city ordinance and fined. Judge Campbell sustained Attorney Schuebel's contention in this case that the bridge was not a sidewalk within the meaning of the ordinance, as well as holding the complaint insufficient.

The Oregon City case was that of Miller against John W. Loder, Recorder, who sentenced Miller, following his arrest and trial for obstructing the street at the east end of the bridge. The complaint did not sufficiently designate the manner in which the obstruction was caused and the demurrer interposed at the hearing by Attorney Schuebel in this case was sustained and the writ allowed.

LIVE WIRES HEAR INTERESTING ADDRESS BY W. H. HORNIBROOK

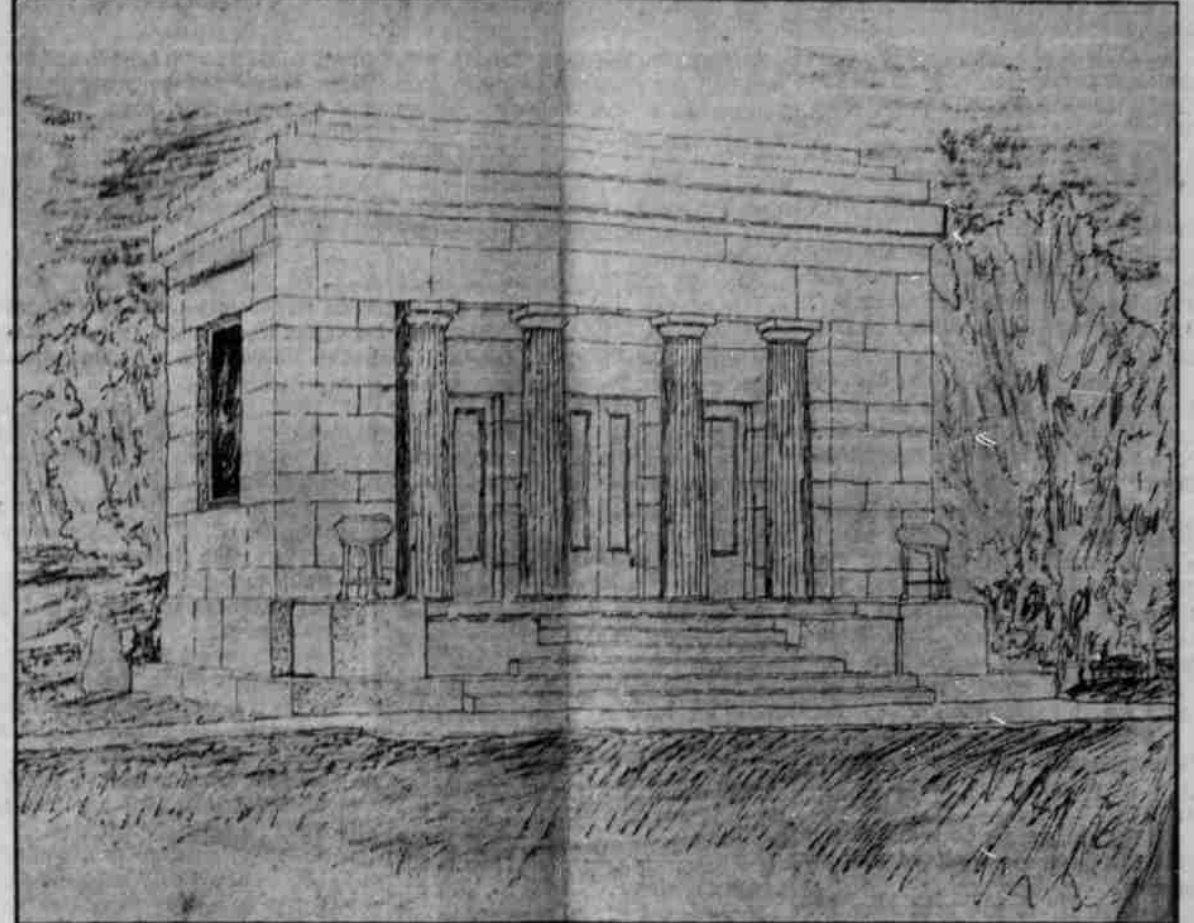

William H. Hornibrook, editor of the Albany Evening Democrat and ex-minister to Siam, told of some of the customs of that country at the noonday luncheon of the Live Wires of the Commercial club Tuesday. Mr. Hornibrook made an interesting talk concerning the Buddhist religion and its origin.

Raymond P. Caulfield was chosen main trunk line of the Live Wires, John W. Loder was elected sub-trunk, Dr. L. A. Morris, transmission wire and A. A. Price guy wire. The Live Wires determined to get behind the movement to authorize the council to incur an indebtedness of \$100,000 for the purchase of a motor driven fire truck and the employment of two men, forming a paid fire department, and petitions will be placed in circulation to be filed with the council at Wednesday night's meeting.

BELGIAN RELIEF WORK IS ENDED WITH SUCCESS

The final report has been received by Mrs. E. W. Scott, who was chairman of the Belgium Relief Committee from the Red Cross Branch of this city, and after all auxiliaries have reported there has been found to be 12,340 pounds of clothing. This includes the auxiliaries from the various sections of the county. The bags containing the clothing, which was packed at the Moose building, the store room being donated for that purpose by the lodge, have been shipped to Portland, and from that city will be sent on their way.

Liberty Temple to Be Erected in Oregon City

Oregon City is to have a Liberty Temple. Construction work started Monday afternoon at 4:30 o'clock. The building is being erected on Seventh Street between Main and the elevator. The temple will be of Roman design, and will be 16x21 feet. There will be four massive pillars adorning the entrance, and a speaker's platform will project ten feet from the entrance way.

The material used for the temple will be of snowy white cement and plaster, both interior and exterior. The top of the building will brilliantly illuminated by a string of electric lights extending around the top and over the entrance. To complete the artistic appearance of the building there will be ornamental trees and flowers. The work and material is being donated enthusiastically by the business men and workmen of Oregon City and West Linn.

Liberty Loan Bond Campaign Will Open With Enthusiasm At Mass Meeting Next Friday

The campaign in Oregon City for the sale of Liberty Bonds will start in a burst of enthusiasm next Friday night, when a monster mass meeting will be held here, probably in Busch's hall. An eloquent speaker from Portland will deliver the main address, and Hon. George C. Brownell, chairman of the speakers bureau, will preside. The band will play and there will be vocal music by local singers, and arrangements will probably be made for a street parade in advance of the meeting.

FARMERS PLANNING EXCHANGE OF LABOR SAYS W. L. KADDERLY

The farmers of Clackamas County are planning to exchange labor with their neighbors during the harvest season to a greater extent than ever before, is indicated by the incomplete returns of the farm survey that is being conducted here by W. L. Kaddery, assistant county agent leader for Oregon.

A total of approximately 3400 survey blanks have been distributed, and 1061 had been returned up to and including Tuesday. The highest percentages of returns have been made by Boring, Molalla and Canby post-offices. "It has been impossible to begin summarizing the information contained in the blanks as yet," stated Mr. Kaddery, "but by the first of next week we will have in the hands of every farmer who has sent in his blank a summary of all livestock and seed that is wanted, and that is for sale. We hope that by the latter part of the present week the greater part of the blanks will have been returned, so that the seed and livestock summary will be as complete as it is possible to make it."

JURY PANEL FOR NEW COURT TERM HAS 22 FARMERS

The April circuit court jury panel, consisting of thirty-one members has been drawn, and will report for duty on the third Monday in April. The grand jury will be chosen at this time. There are 22 farmers on the list.

The names drawn are: Geo. J. Eberly, Oregon City, farmer; Geo. Ingram, Oregon City, farmer; Geo. Veteto, New Era, farmer; P. Gray, Sandy, farmer.

MOTORIST RUNS DOWN WOMAN ON BRIDGE SUNDAY

An automobile accident occurred on the suspension bridge Sunday afternoon, when Thomas Cook, of Portland, driving a heavy car with a number of passengers, ran into Mr. and Mrs. Myron Whitney, their little three-year-old daughter, and Mr. Whitney's sister, Miss Whitney, who were on their way home at Willamette. The four were walking along in the same direction as the automobile was going, and were close to the railing. Bystanders who saw the accident say the driver was careless when he struck Mr. Whitney, his wife, daughter and Miss Whitney. All four were thrown to the ground, and the automobile ran over Mrs. Whitney. It is also said that while the woman was pinned beneath the car that Cook remained in the automobile and attempted to back his car from over her body, but was prevented in doing so by parties who rushed to the woman's assistance, and lifted the car from her body. She was painfully bruised and her ankle was crushed by the car wheel passing over it.

Other members of the party were severely shaken up, and their clothing practically ruined. All were removed to the office of Dr. M. C. Strickland, where they were given medical attention, and were able to leave for their home at Willamette. Cook promised Chief of Police Cooke, of this city, that he would return to Oregon City Wednesday. Marchfield—Coca Bay Shipbuilding Co. to increase force to 650 men. Minimum wage paid is \$4.40 for eight hours work, scale running up to \$6.00 per day.

DRAFT PROGRAM MAP BE SPEEDED TO HELPFUL LIES

Washington, April 3.—Measures to speed up the draft program are in contemplation and an official announcement is expected soon.

The intention is to meet the emergency in France. For that reason the \$60,000 to be called this year will be called more rapidly than was previously planned.

War department officials said no arrangements were in sight looking to calling out more than the 800,000 men it was planned to take into the service. Reports that the draft would be raised from 800,000 men to 1,500,000 were denied. Officials do not regard it as possible that more men will be sent abroad this year than the department already has arranged to summon, even with additional British shipping made available as troop transports. There are now under arms here and in Europe more than 1,500,000 American soldiers. The number will have been raised to about 2,500,000 by the end of the year, counting drafted men, volunteers and special technical forces to be enlisted. If it is possible to get a total of 1,500,000 men in France by January 1 next, the best previous hopes of the war department will have been realized and there still will be a force of almost equal size in training here.

The present effort is directed more towards getting the men to France early in the year to meet the emergency there than toward increasing the number to be sent during the year.

Many factors, it was said, enter into any proposal to increase the number of men under training here. They must be drawn largely from agriculture and industrial fields and the allies' supply lines, as well as the Americans' are largely dependent upon American food and supplies.

LOYALTY LEAGUE MEMBERSHIP IS FOR UNCLE SAM

Every man, woman and child in Gladstone, who attended the patriotic meeting in Paddock's hall Saturday night, marched up and signed the roll of the American Loyalty League chapter without hesitation.

After hearing stirring addresses by School Superintendent Calavan, Senator Walter Dimick and B. T. McBain, they clamored for an opportunity to affix their signatures to a document that stands for pure patriotism. Mr. McBain urged the audience to contribute to the Armenian-Syrian Relief work.

STANDIFER SHIP YARDS SCENE OF FIRE MONDAY A. M.

Fire of unknown origin starting shortly before 10 a. m. today in the oakum warehouse of the Standifer wooden shipyard at Vancouver, Wash., completely destroyed the structure and five carloads of oakum stored in the building is a total loss. The damage is set at \$30,000.

Although it is believed that spontaneous combustion caused the fire, an investigation has been ordered.

Two hundred soldiers from Vancouver barracks were rushed to the shipyard and patrolled the scene of the blaze. As the building is located outside of the main yards and the wind was from a favorable quarter, the vessels on the ways were not endangered. The Vancouver fire department was quickly on the scene but owing to the highly inflammable nature of the contents of the warehouse water had little effect on the flames. The loss is fully covered by insurance. It is not thought that any delay in ship construction will occur as supplies of oakum can be requisitioned from other yards for immediate needs. A carload which was being unloaded today will prevent even a temporary shutdown.

CLIMB OVER TOP VERY FIRST DAY FOR THIRD LOAN

From returns received from the seven districts in Clackamas County it is possible that Clackamas county will reach its quota early in the drive. W. A. Proctor, chairman of the Sandy district, states that his committee is making every effort to go over the top the first day. Reports from Canby, Molalla, Wilsonville, and Estacada appear flattering and there is no reason to believe other than that Clackamas County will do itself proud on the third liberty loan drive.

DISTRICT NO. 92 STRIVING FOR CHAMPIONSHIP

Monday night a meeting of the residents of school district No. 92 was held at the Yoder school house in the south part of the county, in the interest of the coming Liberty loan drive. The quota for this district has been set at \$2000, and at the close of the meeting \$1500 was subscribed. Yesterday a committee made a canvass for the purpose of raising the remaining \$500. District 92 is striving to raise the full quota before the drive commences. Mrs. John J. Yoder is captain of this district and has set the pace for the other districts. The meeting was addressed by M. D. Latourette and Walter A. Dimick.

LIBERTY LOAN DRIVE CAPTAINS HEAR PATRIOTIC ADDRESS

The captains for Oregon City and vicinity for the third Liberty loan drive met at Commercial club parlors at 1 o'clock Tuesday. The meeting was an enthusiastic one, rooms being crowded with the workers for this banking district. State Organizer Robinson was present and gave a practical lecture, with complete instructions to the various captains. W. F. Woodward of Portland addressed the meeting along patriotic lines and fired the workers with sufficient enthusiasm to enable them to put over the drive the first day.

AMRINE CHOSEN OFFICIAL HEAD FOR DEMOCRATS

M. Amrine, of Oregon City has been chosen chairman of the Democratic county central committee of Clackamas County to succeed Harvey G. Starkweather, of Concora, who tendered his resignation because of his candidacy for Governor. The election was made by the county executive committee Tuesday. Mr. Amrine is well known in Oregon City.

\$258,000 WILL BE THIRD LOAN FOR CLACKAMAS

Clackamas county's quota for the third liberty loan is \$258,000 according to information that reached here Monday from state headquarters. This is the minimum quota, however. The reassignment of quota for towns in the county and banking districts will be made later, either from Portland or San Francisco. The quota is based upon the banking resources of the county.

DUNLAP ESTATE PRODATED

The petition to probate the estate of E. P. Dunlap, deceased, was filed before the county court Friday by Mary Bengon and the court appointed her guardian for the three minor children of the deceased. The state is valued at \$250.
