# POINDEXTER DENOUNCES OLD SHIPS ARE USED THREAT TO PULL LABOR

WASHINGTON, April 22.-A movement by Seattle, Wash., labor leaders to call a strike May 1 as a demonstration against alleged persecution of Thomas Mooney and others convicted of the bomb conspiracy at San Francisco was reported to the Senats today by Senator Poindexter, of Washington, who denounced it in vehement terms as "blackmail" upon the Government, sedition and treason.

Senator Poindexter submitted a letter from Secretary James A. Duncan, of the Seattle Central Labor Union. saying that a referendum on the strike was being circulated. He also presented a resolution of Seattle trades unions declaring "a widespread suspicion" existed among workmen that the bomb plot convictions were an attempt to discredit organized labor. The movement, Senator Poindexter

declared, is in harmony with the Industrial Workers of the World. Bolshevik and other international agents or unrest. Repudiating and denouncing leaders

of the movement as not friends of labor, Senator Poindexter said:

"The writers of this threat to hold up the Government, to cut off supplies from those deathless heroes who stand between us and the German horrors, should be visited not only with the just indignation of an outraged public, but with the punishment pre scribed for blackmail, disloyalty, sedi- WITNESS KILLED tion and treason.

"It is an act of conspiracy to foment sedition and insurrection both by peaceful and violent means. It is moral treason.

"The act itself, being worse than death-an unspeakable crime-is deserving of the extreme penalty of death. The threat to commit it is a crime against the state and the Government. These men should be arrested and dealt with as traitors."

the Government commission headed by Secretary of Labor Wilson, which recently investigated labor unrest on the Pacific Coast and referred to the Mooney case as one of the causes.
