GOVERNOR OPENS

SALEM, Or., April 29 .- (Special)-Governor Withycombe is confident that his plan for combating enemies and violators of the state prohibition laws through the Oregon Military Police will result in the best system of law enforcement in that respect vet devised in the state.

He expressed his determination tolay to cut down infractions of the proaibition law to the last notch, and county laxity of enforcement, he delared, will be largely overcome through the medium of the state orranization.

"When I suggested many months ago that the organization of a state constabulary would be highly

It is believed by the executive that

Governor Withycombe made no bones of the fact that in a number of countles the enforcement of the dry laws is exceedingly lax, and that county officials practically wink at violations. It is against such laxity that he has been endeavoring to combat with special agents, and he has expended through the special agents Most of the voters of Sandy were fund approximately \$6000 in roundeither too busy or too indifferent to ing up bootleggers.
