SAME OLD CIRCLE

are actually serving the enemies of America by credulously receiving and passing on this stuff. The propaganda is so clever that it sometimes deceives the best of us.

The harmful talk distributed among us by our enemies takes all kinds of pernicious forms. One vile and lying varn made attacks on the character of the Red Cross nurses. In the districts where castor beans were being produced for oil for airplane motors, the yarn was whispered into the ears of the farmers that these plants would exhaust the soil. In many places

the propaganda merely takes the general form of growling about the constant succession of drives for money for bonds, Red Cross work, etc.

It is exceedingly difficult to discriminate. Our people can't keep their begin to get out their own publications mouths shut when they hear of real and cease to support a free and inwrongs in the war work.
