## DOMESTIC TRAGEDIES AIRED IN CLACKAMAS DIVORCE TRIBUNAL

Several domestic tragedies were aired in the circuit court Thursday with the filing of divorce actions, following a temporary lull in the county divorce mill.

Mrs. Verna Allen charges that just prior to the birth of her baby, her husband, in a fit of anger, threw her with great force against a stove, and injured her to such an extent that her life was despaired of. She claims that her husband would get drunk and beat her on many occasions, and that finally she was compelled to leave him entirely.

Threats to commit suicide and also to inflict great bodily harm upon his wife, led Pearl E. Lathrop to file suit against Charles Lathrop Thursday. They were married in May of this year and after a brief and unhappy honeymoon, the wife left her husband. These are the accusations made in the wife's complaint. She asks restoration of her maiden name, Pearl E. Armstrong.

Lillian DeCamp charges Richard E. DeCamp with cursing and swearing at her on many occasions, and the complaint further states that at times he acted like a wild man. The couple were married in 1912 and have one son, whom the wife would have the custody of. DeCamp is the owner of a 160 acre tract of land in Curry county and the wife would have a 1-3 portion of her husband's estate.

That his wife was cold and indifferent, stated on many occasions she did not love him, and that in fact she detested him, are the reasons for divorce set out by Winfred D. Richards against his wife, Ruth V. Richards. They were married in Portland in 1912.

A. S. Pattulo, of the Oregon Iron & Steel Co., was in the city yesterday on business.

Frank M. Schull enjoyed but a brief year of blissfulness after his wedding day, until his spouse went her way alone without provocation or cause. They were joined in the bonds of matrimony at Vancouver, in February, 1913, and in March the following year he alleges she left him.

Ella McMurry is the other unhappy plaintiff in the divorce court proceedings. She charges F. B. McMurry with deserting her and their 11-year-old son Glen, in August of 1917. They were married here in February, 1900. The wife asks for a decree of divorce, the custody of their minor son, and a one-third interest in a 20-acre tract in the William Lewis donation land claim, in township 2 south, range 2 east.
